Contents

SECTION ONE: Herbal Medicine and Oncology
Enter the Melting-pot

1. Herbal Drugs for Oncology: Current Status and Future Directions in Cancer Chemoprevention 3
Rajesh Arora, Poonam Malhotra, Raman Chawla, Damodar Gupta, Manisha Juneja, R Kumar, A Sharma, Manjeshwar Shrinath Baliga, RK Sharma, RP Tripathi

2. Role of Phytochemicals in Cancer Chemoprevention 42
Sarwat Sultana, Tamanna Jahangir

3. Harnessing Medicinal Plants for Cancer Chemoprevention 56
Ashok Kumar, RM Samarth, Meenakshi Samarth, Madhu Kumar

4. Botanicals Used in the Unani System of Medicine for Cancer Chemoprevention and Therapy 68
Javed Ahmad, Afaq Ahmad

5. Complementary Antitumor Properties of a *Calendula* Extract: Cytotoxic and Immunomodulatory Activity 79
Enrique Berruguilla, Eva Jimenez-Medina, Irene Romero, Cristina Garrido, Ignacio Algarra, Antonia Collado, Federico Garrido, Angel Garcia-Lora Miguel

6. Protective Effect of *Citrus aurantium* and *Crataegus microphylla* Extracts against Cyclophosphamide-induced Genotoxicity 98
Seyed Jalal Hosseinimehr

SECTION TWO: Phytodietary Compounds
Healthy Diet for a Cancer-free Life

7. Nutritional Interactions for Cancer Prevention 107
Cindy D Davis

8. Chemotherapeutic and Chemopreventive Effects of Dietary Compounds on Breast Cancer 114
Rohini Gomathinayagam, Chendil Damodaran

9. Cancer Chemoprevention and Lifestyle Factors: An Overview of Epidemiology and Biological Mechanisms 122
Amitabha Ray, Gibanananda Ray, N Srinivasa Murthy

10. Role of *Curcuma longa* in Cancer Therapy and Chemoprevention 143
Pratibha Mehta Luthra

11. Colon Carcinogenesis Prevention by Natural Products 147
Hoyoku Nishino

12. Fruit and Vegetable Consumption and Oral Cancer: A Meta-analysis 153
M Pavia, A Bianco, CGA Nobile, IF Angelillo

13. Antioxidant and Anticancer Activity of Tea Catechins: Potential for Development as Therapeutics 165
Indu Pal Kaur, Anurag Kuhad, Kanwaljit Chopra

14. Annatto: A Natural and Healthy Food Colorant for Prevention of Mutation-related Diseases 187
Daisy Maria Favero Salvadori, Aniele Radzikoski Agner, Marcelo Sady Placido Ladeira

SECTION THREE: Plant-derived Bioactive Individual/Pure Compounds
Kindling Hope in Cancer Patients

15. Resveratrol: A Novel Chemopreventive Agent for Prostate Cancer 199
Bhagavathi A Narayanan, Narayanan K Narayanan

16. Resveratrol and Chemoprevention of Gliomas 210
Nicoletta Gagliano, Isabella Dalle Donne

17. Isoflavones in Breast Cancer Chemoprevention 229
Nagi Kumar, Karen Besterman-Dahan, Aslam Kazi, John Heine

18. Apigenin in Health and Disease with Special Reference to Cancer Chemoprevention 246
Sanjeev Shukla, Sanjay Gupta

19. Preventive and Therapeutic Effects of Naturally occurring Isothiocyanates in Cancer 268
Ravi P Sahu, Sanjay K Srivastava

20. Anticancer Properties of Phytosterols 279
Peter G Bradford, Atif B Awad

21. Anticancer Alkaloids of *Catharanthus roseus*: Transition from Traditional to Modern Medicine 292
Rajesh Arora, Poonam Malhotra, Ajay K Mathur, A Mathur, CM Govil, PS Ahuja

SECTION FOUR: The Chemoradiotherapy Interface
Critical Issues in Tackling Cancer

22. Effects of Natural Polyphenols on Chemoradiotherapy in Cancer 313
Amit K Garg, Thomas A Buchholz, Bharat B Aggarwal

23. Concurrent Paclitaxel and Radiotherapy Lung Cancer as a Model for Successful Implementation 333
Igor Stojkovski, Francesc Casas, Papa Macoumba Gaye, Sherif Abdel-Wahab, Andras Bajcsay, Branislov Jeremic

24. Polysaccharide from *Panax ginseng* as a New Adjuvant of Radio/Chemotherapy 348
Jie-Young Song, Jiyeon Ahn, Yeon-Sook Yun

SECTION FIVE: Can Herbal Medicine Improve the Outcome of Radiotherapy?
The Litmus Test Begins

25. Plant Products in Modification of Cellular Damage by Radiation: Implications in Cancer Radiotherapy 363
Banasri Hazra, BN Pandey, Amit Kumar, Subhalakshmi Ghosh, Binod Kumar, KP Mishra

26. Radioprotective Effects of Flaxseed Oil 377
AL Bhatia, Shikha Patni, Avadhesh Sharma

27. Radioprotective Effects of *Aegle marmelos* (Bael): Evidence from Preclinical Studies 389
Ponemone Venkatesh, Kyathsandra Nataraj Lokesh, Amitha S Shetty, Harshith P Bhat, Vikram Singh Ratnu Anatappa Govindaraju Rajeev, Manjeshwar Shrinath Baliga, Rajesh Arora

28. Radioprotective Role of Beta-carotene with Special Reference to Amaranthus 408
AL Bhatia

29. Chemoprevention, Radiotherapy and Radioprotection by Tocotrienols from Palm Oil Extracts and Flavonoids isolated from *Ocimum sanctum* (Tulasi) 422
MM Satyamitra, SP Ghosh, V Srinivasan

SECTION SIX: Can Herbal Medicine Prevent Radiation-induced Cancers?
The Mystery Unfolds

30. Antioxidants: A New Approach to Tackle Radiation-induced Cancer 441
Hanane Derradji, Khalil Abou-el-Ardat, An Aerts, Kharman Faraj Akram, Sarah Baatout, Steve Harakeh

31. Chemoprevention of Nonmelanoma Skin Cancer 473
Ben Lewis, Peter L Wigley, Ross A McKinnon

32. Ultraviolet Radiation-induced Skin Damage and Carcinogenesis: Preclinical Efficacy of *Camellia sinensis* (Tea) 486
Manjeshwar Shrinath Baliga, Ponemone Venkatesh, Shantala Bellary, Manjeshwar Poonam Baliga-Rao, Karkala Sreedhara Ranganath Pai, Ravindranath Shanbhag, Meda Nagaraja Setty, Rajesh Arora

SECTION SEVEN: New Vistas in Cancer Chemoprevention and Therapy
Mechanistic Studies Provide Leads

33. Molecular Mechanisms and Interactions Responsible for Radio- and Chemoresistance in Tumors and their Modulation by Natural Products from Ayurveda 513
V Badireenath Konkimalla, Thomas Efferth

34. Prevention and Management of Prostate Cancer: Mechanistic Insights based on *In vitro* Studies using Herbal Formulation 531
Tze-chen Hsieh, Joseph M Wu

35. Mechanisms of the Anticancer Activities of the Dietary Polyphenol, Quercetin 559
Ravikumar Aalinkeel, Bindukumar B Nair, Jessica L Reynolds, Donald E Sykes, Supriya D Mahajan, Stanley A Schwartz

36. Radiosensitization of Cancer Cells by Herbal Compounds: Soy Isoflavones Inhibit Cell Survival Pathways Activated by Radiation 577
Gilda G Hillman, Fazlul H Sarkar

37. Dietary Modulation of Molecular Pathways of Cancer 588
Young S Kim

38. Ayurvedic Rasayana Drug Triphala as a Novel Anticancer, Chemopreventive and Radioprotective Agent: Mechanistic Insights 599
Manjeshwar Shrinath Baliga, Harshith P Bhat, Denzil Corda Johnson, Ankit Paresh Mehta, Shaun Mathew Kandathil Karkala Sreedhara Ranganath Pai, Chamalamudi Mallikarjuna Rao, Rajesh Arora

39. Antioxidant, Anticancer, Cytoprotective and Radioprotective Properties of *Podophyllum* 616
Rajesh Arora, D Gupta, Raman Chawla, AS Dhaker, Manisha Adhikari, Jyoti Sharma, Varunika Goyal, R Kumar A Sharma, Manjeshwar Shrinath Baliga, RK Sharma, RP Tripathi, SC Puri
