### ABOUT THE BOOK

The idea behind this book is to simplify the concepts of urogynecology for the Gynec practitioners and enable better quality-of-care delivered to the patient. This comprehensive amalgamation of allied specialties is essential in this present day of subspecialization and rapidly evolving technology.

### KEY FEATURES

- A comprehensive, pioneering book from Indian authors on the essentials of Urogynecology from the perspective of Gynecologists and Urologists combined in a single platform.
- Basics to recent advances in urogynecology.
- Understanding urological procedures to treat urogynecological issues better.

### READERSHIP

- Useful for postgraduates and practitioners to familiarize themselves with the recent advances.
