Illustrated Textbook of Indian Medicinal Plants in Dermatology

Dermatological concerns account for nearly a quarter of all primary care visits and often hold the key to detecting underlying systemic illnesses. Designed to bridge modern clinical dermatology with traditional wisdom, *this essential guide provides a simplified, highly practical approach to diagnosing and managing skin disorders through Indian medicinal plants.*

Key Features

- *Ayurvedic and Herbal Integration:* Fills a long-standing gap by presenting the core principles of herbal medicine for skin care in an accessible, easy-to-grasp format
- *Richly Illustrated:* Packed with clinical photographs and detailed illustrations to support quick visual recognition of common dermatological conditions
- *Clinical Focus on Indian Botanicals:* Highlights practical remedies using Indian medicinal plants that practitioners and researchers encounter regularly in clinical practice
- *Quick-Reference Design:* Structured for rapid learning and point-of-care reference, saving valuable time for busy students and clinicians

Sourav Ballav BAMS MD hailing from West Bengal, completed his BAMS degree from JB Roy State Ayurvedic Medical College and Hospital, Kolkata, West Bengal, in 2015, and MD in Agadtantra from SDM College of Ayurveda, Hassan, Karnataka, in 2018. He has published over 26 articles in PubMed-indexed journals and journals recognized by the Central Council for Research in Ayurvedic Sciences (CCRAS), along with a textbook on Research Methodology and Medical Statistics. Currently, he serves as an Associate Professor in the Department of Agadtantra at Dhanvantari Ayurvedic College and Hospital, Bareilly, Uttar Pradesh, India.

Narendra Singh Dhaked BAMS MD a native of Rajasthan, obtained his BAMS degree in 2016 from Rajasthan Ayurved University, Jodhpur, Rajasthan, and his MD in 2021 from Gujarat Ayurved University, Jamnagar, Gujarat. He has published more than five articles in PubMed-indexed and CCRAS-recognized journals. He is currently an Assistant Professor in the Department of Dravyaguna Vigyan at Dhanvantari Ayurvedic College and Hospital, Bareilly, Uttar Pradesh, India.

Deborshi Ganguly BAMS MD from West Bengal, is an Assistant Professor in the Department of Dravyaguna Vigyan at Dhanvantari Ayurvedic College and Hospital, Bareilly, Uttar Pradesh, India.
