ABOUT THE BOOK

This book is an attempt to bring a standardized practical manual for final year students. It is previously known as GEMS: A Golden Endeavor for Medical Students. The book has sections on Medicine, Surgery, Orthopedics, Pediatrics, Obstetrics & Gynecology. It is an all-in-one book for final year exam preparation.

KEY FEATURES

- All-in-one practical manual for final exam preparation.
- Prepared as per the latest MBBS final year syllabus of practical examination.
- Has sections on Medicine, Surgery, Orthopedics, Pediatrics and Obstetrics & Gynecology.
- Each section includes various Long and Short Clinical Cases, presented in a standardized format.
- Each case covers history, examination, investigations, differential diagnosis, and management.
- Every section ends with a chapter on Viva for last minute revision.
- Enriched with diagrams, illustrations, and flowcharts along with the text.
- Incorporates references from latest standard textbooks.
- Serves as an eleventh-hour revision tool for final MBBS students.
