ABOUT THE BOOK

The NEET PG: The Next Level of Preparation Book is a compilation of all the topics, spanning all 19 subjects, that you need to revise before you enter the examination hall. It will help you attempt most of the questions and make sure you do not make silly mistakes in easy questions (90% of the questions are like that!!). It makes sure that you have the time to revise all subjects equally. A balanced revision is the key before any examination and there are no extra marks for solving the most difficult questions. Every attempt has been made to include all important concepts and facts without overburdening the student.
