9789354654886 | Rs. 295 | Discount Cat: A

ABOUT THE BOOK

This logbook will focus not only on pediatric in final year but also sow a seed for overall knowledge of the subject in great detail. The entire content is divided into 7 sections, such as Phase I, Phase II, Phase III, AETCOM Module, Competencies to be Performed, Skill Assessment, and Appendix.

KEY FEATURES

- As per the Competency Based Medical Education Curriculum.
- Covers the topics of all years in a structured way with vertical (covering subject year-wise for all 4 years) and horizontal integration (different subjects in same year).
- Competencies are divided in a way that student inculcates all the possible aspects of the subject in relation to the year of education.
- Appendix to help understand the competencies better.

READERSHIP

- MBBS Students
