Author: Nilam Uttam Sathe

Full Color | Paper Back | 1/e, 2023 | 616 Pages | 8.5" x 11"  
9789354658143 | Rs. 995 | Discount: B

### ABOUT THE BOOK

This book is compliant with NMC-CBME curriculum. The book is divided into four parts. It forms an integral and important part of theory and practical. All the chapters are presented in question-and-answer format with highlighting points as per the competencies.

### KEY FEATURES

- Written as per the Competency-Based Medical Education Curriculum (NMC).
- All the chapters are presented in question-answer format as per competencies.
- Contains a practical section covering long cases and short cases with clinical pictures.
- Chapters on history taking and examination are added.
- For the very first-time chapters on instruments, radiology, pure tone audiogram and impedance audiometry, recent advances and operative specimens with viva questions are covered.
- Chapters like objective structured clinical/practical examination (OSCE) and mock question papers have been added to accustom the students with exam patterns.
- All chapters are powered by tables, flowcharts, and clinical photographs.
- First time video demonstration of various procedures with audiology have been added.

### READERSHIP

- Useful for undergraduates and primer for postgraduates
