Contents

Section 1: Maternal Fetal Sequelae

1. **Clearing Misconceptions—Pregnancy Complications and Miscarriage Due to Maternal Infections** 3
   Suneeta Mittal, Nupur Kothari
2. **Outcome of Neonates Born with Congenital Infections** 15
   Arti Maria, AK Deorari
3. **Congenital Infections and Mental Retardation** 30
   Madhulika Kabra
4. **Intrauterine Infections: Ocular Manifestations** 34
   P Vijayalakshmi
5. **Congenital Infections and Hearing Loss** 54
   Ramesh C Deka, Deepak Sarin, Venkatakarthikeyan C
6. **Effects of Genital Tract Infections and Pregnancy Outcome** 63
   Nandita Palshetkar, Parul Katiyar, Debchandan Roy

Section 2: Problem-based Approach to Maternal–Fetal Management

7. **Avidity Testing to Pinpoint Timing of Maternal Infections during Pregnancy** 81
   Sarman Singh
8. **Prenatal Treatment of Toxoplasmosis** 90
   Alka Kriplani, Biswa Bhusan Dash
9. **Strategies for Management of Intrauterine Rubella Infection** 102
   Deepika Deka
10. **Decision Making in Intrauterine Cytomegalovirus Infection** 110
    Anuradha Khar, Kamini A Rao
11. **Streamlining Therapy of Pregnant Women with Genital Herpes** 119
    Vatsla Dadhwal
12. **Parvovirus B19—Fetal Implications and Therapy** 128
    Sangeeta Gupta, Amar Bhide

13. Fetal Risk and Counselling in Chickenpox, Mumps and Measles during Pregnancy **139**
Syed Monajatur Rahman, Neena Malhotra
14. Minimizing Risk of HIV Transmission to Fetus and Newborn **149**
Laxmi Shrikhande
15. Tuberculosis—Still a Problem for Mothers and Children in India **160**
Sheela V Mane, Priyanka Dilip Kumar
16. Sexually Transmitted Disease in Pregnancy: Saving the Fetus **168**
Jai Bhagwan Sharma, Debjyoti Karmakar
17. Hepatitis in Pregnancy: Fetal/Neonatal Perspective **183**
Uday Thanawala, Kartik Bhagat

Section 3: Prenatal Diagnosis of Congenital Infection

18. Laboratory Techniques for Prenatal Diagnosis of Maternal-Fetal Infections **195**
Sarman Singh
19. Role of Ultrasound in Prenatal Diagnosis of Congenital Infections **212**
PK Shah, Nagendra S Sardeshpande, Mansi P Parikh
20. Ultrasound Guided Procedures in Prenatal Diagnosis of Congenital Infections **236**
Deepika Deka

Section 4: Consensus Opinion

21. Screening Guidelines for Intrauterine Infections during Pregnancy in Indian Pregnant Women **253**
Neera Agarwal, Ritu Goyal
22. Impact of Health Education and Counselling in Prevention of Congenital Infections **262**
Vandana R Walvekar, Geetha D Balsarkar, Tejas Purandare

Section 5:Illustrative Cases

23. Illustrative Cases—TORCH Infections **275**
Deepika Deka
