Contents

Section 1: Dermatology

Chapter 1 Structure of Human Skin 3–8

- Functions 4
- Structure 4
- Epidermis 4
  - Stratum Basale or Germinativum (Basal Cell Layer) 5
  - Stratum Spinosum (Prickle Cell Layer) 5
  - Stratum Granulosum (Granular Cell Layer) 5
  - Stratum Lucidum (Transitional Cell Layer) 5
  - Stratum Corneum (Horny Cell Layer) 5
- Epidermal Cell Kinetics 5
  - Epidermal Turnover Time 5
  - Epidermal Cell Cycle 5
  - Growth Fraction 6
  - Mitotic Index 6
- Dermal-epidermal Junction 6
  - Hemidesmosomes 6
- Dermis 7
  - Functions 7
- Hypodermis 7
  - Functions 7
- Cutaneous Receptors of Skin 7
  - Nerves 7
  - Receptors 8

Chapter 2 Approach to Diagnosis in Dermatology 9–23

- Medical History 10
- Physical Examination 10
  - Primary Skin Lesions 11
  - Secondary Skin Lesions 15
- Dermatological Investigative Procedures 18
- Histopathological Terminologies 22

Chapter 3 Skin Diseases Caused by Protozoa, Arthropods and Parasitic Worms 24–39

- Disorders due to Protozoa 25
  - Leishmaniasis 25
- Disorders due to Arthropods 27
  - Insect Bite Hypersensitivity (Papular Urticaria) 27
  - Myiasis 29
  - Paederus Dermatitis 29
  - Scabies 30
  - Crusted (Norwegian) Scabies 34
  - Pediculosis 35
- Disorders due to Parasitic Worms 38
  - Larva Migrans 38
  - Enterobiasis (Threadworm or Pinworm) 38
  - Cysticercosis 39
  - Filariasis 39

Chapter 4 Cutaneous Infections 40–109

- Bacterial Infections 41
  - Superficial Infections 42
    - Impetigo 42
    - Ecthyma 44
  - Toxin-mediated Disorders 44
    - Staphylococcal Scalded Skin Syndrome 44
    - Toxic Shock Syndrome 45
    - Scarlet Fever 46
    - Kawasaki Syndrome (Mucocutaneous Lymph Node Syndrome) 47
  - Deep Infections 48
    - Erysipelas and Cellulitis 48
    - Anthrax 49
  - Follicular Infections 49
  - Nonpyogenic Cutaneous Infections 52
    - Erythrasma 52
    - Pitted Keratolysis 52
    - Trichomycosis Axillaris 53
- Tubercular Infections 53
  - Exogenous Source 54
    - Primary Inoculation Tuberculosis (Tuberculous Chancre) 54
    - Tuberculosis Verrucosa Cutis 55
  - Endogenous Source 56
    - Scrofuloderma (Tuberculosis Colliquativa Cutis) 56
    - Orificial Tuberculosis 57
    - Miliary Tuberculosis 57

- – Lupus Vulgaris 57
- – Tuberculous Gumma 58
- • Eruptive Tuberculids 59
- – Lichen Scrofulosorum 59
- – Papulonecrotic Tuberculids 59
- – Erythema Induratum of Bazin 59
- ◆ Viral Infections 62
- • Herpes Viruses 63
- • Herpes Simplex 63
- • Varicella and Herpes Zoster 66
- – Varicella (Chickenpox) 66
- – Herpes Zoster (Shingles) 69
- • Roseola Infantum 74
- • Erythema Infectiosum 75
- • Warts 76
- • Molluscum Contagiosum 82
- • Milker's Nodule 84
- • Measles (Rubeola) 84
- • Rubella (German Measles) 85
- • Hand, Foot And Mouth Disease 86
- ◆ Fungal Infections 86
- • Dermatophytosis 87
- – Tinea Barbae 88
- – Tinea Faciei (Tinea Faciale) 91
- – Tinea Corporis (Tinea Circinata) 92
- – Tinea Cruris (Synonyms Dhobie Itch, Jock Itch, Eczema Marginatum) 92
- – Tinea Manuum 92
- – Tinea Pedis 93
- – Tinea Unguium 95
- – Tinea Incognito (Steroid Modified Tinea) 96
- • Candidiasis 96
- • Pityriasis Versicolor 104
- • Deep Fungal Infections 107
- – Sporotrichosis 107
- – Mycetoma 107
- • Chromoblastomycosis (Chromomycosis) 109

Chapter 5 Eczemas **110–131**

- ◆ Etiology and Classification 111
- ◆ Endogenous Eczemas 111
- • Seborrheic Dermatitis 111
- • Atopic Dermatitis 114
- • Discoid or Nummular Eczema 120
- • Pityriasis Alba 120

- Palmoplantar Eczema....121
- Eczema of Hands and Feet....121
- Asteatotic Eczema....121
- Lichen Simplex Chronicus....123
- Gravitational Eczema....123

◆ Exogenous Eczema....124
- Infective Dermatitis....124
- Irritant Contact Dermatitis (ICD)....124
- Allergic Contact Dermatitis....125
- Sweat Dermatitis....125

◆ Management of Eczema....128
◆ Exfoliative Dermatitis....129

Chapter 6 Genetics and Genodermatoses 132–147

◆ Genodermatoses....133
◆ Multifactorial Diseases....133
◆ Types of Inheritance....133
- Autosomal Dominant Inheritance....133
- Autosomal Recessive Inheritance....134
- X-Linked Recessive Inheritance....134
- X-Linked Dominant Inheritance....135

◆ Neurofibromatoses....135
- Neurofibromatosis 1....135
- Neurofibromatosis 2 (Bilateral Acoustic Neurofibromatosis)....138

◆ Tuberous Sclerosis Complex....138
◆ Xeroderma Pigmentosum....140
◆ Down Syndrome (Mongolism)....142
◆ Ichthyosis....143
◆ Anhidrotic Ectodermal Dysplasia....143
◆ Darier's Disease....144
◆ Prenatal Diagnosis of Genetic Disorders....145

Chapter 7 Vesiculobullous Diseases 148–173

◆ Autoimmune Intraepidermal Types....149
- Pemphigus Vulgaris....149
- Pemphigus Vegetans....152
- Pemphigus Foliaceus....156
- Induced Pemphigus....157
- Paraneoplastic Pemphigus....157

◆ Autoimmune sub epidermal Types....158
- Bullous Pemphigoid....158
- Dermatitis Herpetiformis....159
- Pemphigoid Gestationis....160
- Linear Iga Disease....161

- Hypersensitivity or Idiopathic Disorders 161
  - Erythema Multiforme 162
  - Epidermal Necrolysis 165
  - Stevens-johnson Syndrome 165
  - Toxic Epidermal Necrolysis (Lyell's Syndrome) 165
- Genetic Blistering Diseases 168
  - Epidermolysis Bullosa 169
  - Hailey-Hailey Disease (Familial Benign Chronic Pemphigus) 172

Chapter 8 Papulosquamous Disorders 174–203

- Papulosquamous Disorders 175
  - Psoriasis 175
    - Pustular Psoriasis 183
    - Psoriatic Arthritis 189
  - Lichen Planus 191
  - Lichen Nitidus 198
  - Pityriasis Rosea 198
  - Pityriasis Rubra Pilaris (PRP) 200
  - Pityriasis Lichenoides 201
  - Parapsoriasis 203

Chapter 9 Disorders of Connective Tissue 204–224

- Lupus Erythematosus 205
- Scleroderma 214
  - Localized Morphea 215
  - Generalized Morphea 215
  - Systemic Sclerosis 216
- Lichen Sclerosus ET Atrophicus 220
- Scleredema 221
- Dermatomyositis 222

Chapter 10 Disorders of Skin Appendages 225–268

- Sebaceous Glands 226
  - Disorders of Sebaceous Glands 226
    - Acne Vulgaris 226
    - Rosacea 236
    - Acne Agminata 237
    - Perioral Dermatitis 237
- Hair 238
  - Disorders of Hair 240
    - Alopecia 240
    - Androgenetic Alopecia 240
    - Telogen Effluvium 243
    - Alopecia Areata 244

- – Trichotillomania 247
- – Neonatal Occipital Alopecia 248
- – Cicatricial Alopecia 248
- – Hirsutism 249
- – Polycystic Ovary Syndrome 251
- – Congenital Adrenal Hyperplasia 254
- ◆ Sweat Glands 255
  - • Eccrine Sweat Glands 255
  - • Eccrine Sweat Glands Disorders 256
    - – Hyperhidrosis 256
    - – Anhidrosis and Hypohidrosis 257
    - – Miliaria 258
  - • Apocrine Sweat Glands 258
  - • Apocrine Gland Disorders 260
    - – Bromhidrosis 260
    - – Chromhidrosis 260
    - – Fox–fordyce Disease 260
    - – Hidradenitis Suppurativa (Acne Inversa) 261
- ◆ Nails 262
  - • Disorders of Nail 262

Chapter 11 Disorders of Pigmentation 269–285

- ◆ Melanocytes 270
- ◆ Fitzpatrick Skin Typing 270
- ◆ Cutaneous Melanin Pigmentation 270
- ◆ Hyperpigmentary Disorders 271
  - • Congenital Pigmentation 271
    - – Widespread Pigmentation 271
    - – Circumscribed Pigmentation 272
  - • Acquired Pigmentation 274
    - – Widespread Unpatterned Pigmentation 274
    - – Widespread Patterned Pigmentation 277
- ◆ Hypomelanosis 277
  - • Congenital Hypomelanosis 278
    - – Oculocutaneous Albinism 278
    - – Chediak-Higashi Syndrome 279
    - – Piebaldism 279
    - – Waardenburg Syndrome 279
    - – Tuberous Sclerosis 279
    - – Nevus Depigmentosus (Nevus Achromicus) 280
    - – Nevus Anemicus 280
  - • Acquired Hypomelanosis 280
    - – Vitiligo 280
    - – Leukoderma 285

Chapter 12 Leg Ulcers and other Disorders of Vascular Insufficiency 286–296

- Leg Ulcers 287
  - Venous Ulcer 287
  - Arterial Ulcer 289
  - Tropical Ulcer 291
  - Trophic Ulcer 291
  - Decubitus Ulcers (or Pressure Ulcers or Bedsores) 291
- Deep Vein Thrombosis 292
- Raynaud's Phenomenon 293
- Disorders of Lymphatic Vessels 294
  - Edema 294
  - Lymphedema 294
  - Elephantiasis Nostras Verrucosa 295

Chapter 13 Urticaria, Mastocytosis, Pruritus and other Vascular Responses 297–313

- Urticaria 298
  - Ordinary Urticaria 298
  - Physical Urticarias 299
  - Delayed Pressure Urticaria 301
  - Cholinergic Urticaria 301
  - Cold Urticaria 301
  - Solar Urticaria 301
  - Aquagenic Urticaria 301
  - Urticarial Vasculitis 301
  - Contact Urticaria 301
  - Angioedema 302
  - Papular Urticaria 303
- Mastocytosis 305
- Pruritus 306
- Other Respones 308
  - Vasculitis 308
  - Cutaneous Small Vessel Vasculitis 309
  - Henoch-schönlein Purpura 310
  - Pyoderma Gangrenosum 310
  - Sweet's Syndrome 310
  - Panniculitis 312
  - Granuloma Annulare 312

Chapter 14 Disorders Due to Cold, Light, Heat and Radiation 314–320

- Disorders due to Cold 315
  - Chilblains (Syn Perniosis, Erythema Pernio) 315
  - Livedo Reticularis 315
  - Cryoglobulinemia 316

- Cold Agglutinin Disease....316
  - Acrocyanosis....316
  - Erythrocyanosis....316
- Frostbite....316
- Trench Foot....316

◆ Disorders due to Light....316
- Photobiology....317
- Phototoxicity and Photoallergy....317
- Photoallergic Contact Dermatitis....318
- Polymorphous Light Eruption....318

◆ Disorders due to Heat and Radiation....319
- Erythema AB Igne....319
- Burns....319
- Radiodermatitis....320

Chapter 15 Drug Reactions 321–330

◆ Adverse Cutaneous Drug Reactions....322
- Exanthematous Eruptions....322
- Urticaria....324
- Fixed Drug Eruptions....324
- Lichenoid Drug Eruptions....324
- Pseudolymphoma....324
- Vasculitis....325
- Cutaneous Necrosis....325
- Digital Necrosis by B-blockers....325
- Photosensitivity....326
- Bullous Eruptions....327
- Eczematous Eruption....327
- Erythema Nodosum....327
- Pityriasis Rosea Like Rash....327
- Purpuric Eruption....327
- Alopecia....328
- Hypertrichosis....328
- Xerosis and Ichthyotic Change....328
- Acneiform Eruption....328

◆ Special Reaction....329
- Jarisch-Herxheimer Reaction....329

◆ Diagnosis of Cutaneous Eruption....329

Chapter 16 Nevi and Skin Tumors 331–367

◆ Nevi....332
- Verrucous Epidermal Nevus....332
- Inflammatory Linear Verrucous Epidermal Nevus....333
- Nevus Sebaceous....333

- Melanocytic Nevi 333
- Steatocystoma Multiplex 335
- Vascular Nevi 336
- Vascular Malformations 336

◆ Skin Tumors 337
- Benign Epidermal Tumors 338
  - Seborrheic Keratosis 338
  - Skin Tags (Softwarts, Acrochordon) 340
  - Epidermoid Cyst 340
  - Milium 341
- Premalignant Epithelial Lesions 341
  - Actinic Keratosis 341
  - Arsenical Keratosis 343
  - Bowen's Disease 343
  - Keratoacanthoma 344
  - Keratoacanthoma VS. Squamous Cell Carcinoma 345
  - Erythroplasia of Queyrat 346
  - Cutaneous Horn 346
- Nonmelanoma Skin Cancer 346
  - Basal Cell Carcinoma 346
  - Squamous Cell Carcinoma 349
  - Malignant Melanoma of Skin 353
  - Etiology 353
  - Clinical Features 353
- Tumors of Skin Appendages 357
  - Trichoepithelioma 357
  - Syringoma 357
  - Paget's Disease of Nipple 357
  - Extramammary Paget's Disease 359
- Tumors of Dermis 359
  - Cutaneous T-Cell Lymphomas (Mycosis Fungoides and Sezary Syndrome) 359
  - Cutaneous B-Cell Lymphomas 362
- Vascular Tumors 362
  - Senile Angiomas 362
  - Infantile Hemangioma 363
  - Pyogenic Granuloma 365
  - Lymphangioma Circumscriptum 365
  - Kaposi's Sarcoma 366

Chapter 17 Cutaneous Manifestations of Internal Diseases 368–381

◆ Endocrinal Disorders 369
- Hyperthyroidism 369
- Hypothyroidism 369

- Acromegaly 370
- Diabetes Mellitus 371

◆ Metabolic Disorders 372
- Porphyrias 372
- Xanthelasma Palpebrarum 375
- Amyloidosis 375
- Dermatosis of Pregnancy 376

◆ Nutritional Disorders 378
- Kwashiorkor 378
- Marasmus 378
- Vitamin A Deficiency 378
- Riboflavin Deficiency (Vitamin B_2) 378
- Niacin Deficiency (Vitamin B_3) 378
- Vitamin C Deficiency 378
- Acrodermatitis Enteropathica (Zinc Deficiency) 378

◆ Liver Disorders 379
- Skin Manifestations in Some Liver Diseases 379
  - Hepatitis B Virus Infection 379
  - Hepatitis C Virus Infection 379
  - Hemochromatosis 379
  - Primary Biliary Cirrhosis 379
  - Porphyria Cutanea Tarda 380
  - Zinc Deficiency 380
- Frequently Seen Dermatological Findings in liver Diseases 380
  - Pigmentary Changes 380
  - Vascular Changes 380
  - Hair and Nail Changes 380

◆ Renal Disorders 380

◆ Malignant Disorders 380

Chapter 18 Miscellaneous Cutaneous Diseases 382–404

◆ Hypertrophic Scars and Keloids 383

◆ Treatment 383
- Corns (Clavi or Helomata) 384
- Callus (Tyloma, Plural = Tylomata) 384

◆ Purpura 384
- Idiopathic Thrombocytopenic Purpura 386
- Thrombotic Thrombocytopenic Purpura 386
- Senile Purpura 386
- Henoch-Schönlein Purpura 387
- Pigmented Purpuric Dermatosis 387

◆ Psychosexual Dysfunctions 388

◆ Psychocutaneous Disorders 391

- Delusion of Parasitosis 391
- Body Dysmorphic Disorder 392
- Dermatitis Artefacta 392
- Neurotic Excoriations 393

◆ Cutaneous Manifestations of Drug Abuse and Drug Addicts 393
◆ Disorders of Keratinization 393
- Acanthosis Nigricans 393
- Knuckle Pads 395
- Follicular Hyperkeratosis 395
- Keratolysis Exfoliativa 396
- Palmoplantar Keratoderma 397
- Intertrigo 397
- Oral Submucous Fibrosis 398

◆ Nonvenereal Penile Disorders 399
- Penile Injuries 399
- Adherent Prepuce 400
- Peyronie's Disease 400
- Paraphimosis 401
- Zoon's Balanitis 402
- Behçet's Disease 403
- Fordyce's Spots 404

Chapter 19 Glucocorticoids **405–414**

◆ Systemic Glucocorticoids 406
- Mechanism of Action 406
- Types of Glucocorticoids 406
- Methylprednisolone 407
- Important Glucocorticoid Actions 407
- Anti-inflammatory Action 407
- Adverse Effects 408
- Prevention and Treatment of Glucocorticoid-Induced Osteoporosis 410

◆ Topical Glucocorticoids 411
- Quantity of Topical Preparation 411
- Mechanism of Action 412
- Selection of Topical Preparation 412
- Adverse Effects 412

◆ Conclusion 413

Chapter 20 Dermatotherapeutics **415–424**

◆ General Aspects 416
◆ Treatment Approach 416
- Medical Treatment 416
- Surgical Treatment Modalities 416

Section 2: Venereology

Chapter 21 Sexually Transmitted Infections 427–458

- Syphilis (Lues) 428
  - Acquired Syphilis 428
  - Congenital Syphilis 433
  - Syphilis and HIV Infection 434
- Gonorrhea 437
- Nongonococcal Urethritis 441
- Reiter's Disease 442
- Chancroid, Lymphogranuloma Venereum, Granuloma Inguinale and Genital Herpes 442
- Genital Warts 449
- Syndromic Management 452
- Hepatitis B 454
- Nonvenereal Treponematoses 455
- Vertical Transmission of STIs 456

Section 3: Leprology

Chapter 22 Leprosy 461–480

- Etiology 462
- Prevalence and Incidence 462
- Pathogenesis 462
- Host Immunity and Types of Leprosy 463
- Clinical Features 463
  - Lepromatous Leprosy 464
  - Lucio Leprosy 467
  - Histoid Leprosy 467
  - Tuberculoid Leprosy 468
  - Pure Neural Leprosy (Neural Leprosy) 468
  - Borderline Leprosy 469
  - Indeterminate Leprosy 471
- Diagnosis of Leprosy 472
- Differential Diagnosis 472
- Investigations 472
- Coinfection of HIV-1 and Mycobacterium Leprae 474
- Pregnancy and Leprosy 474
- Treatment of Leprosy 474
- Leprosy Reactions 478
  - Type I Lepra Reaction (Delayed Type Hypersensitivity Reaction or Reversal Reaction) 478
  - Type II Lepra Reaction 479

Section 4: Cosmetology

Chapter 23 Cosmetology and Dermatosurgery 483–501

- Cosmetics 484
  - Moisturizers 484
  - Camouflage 485
  - Hair Care Products 485
  - Foundations 485
  - Powders 486
  - Facial Blushes or Rouges 486
  - Face Masks and Face Packs or Facials 486
  - Skin Cleansers 486
- Toiletries 486
  - Soaps 486
  - Shaving Preparations 486
  - Antiperspirants and Deodorants 486
- Cosmeceuticals 487
  - Minoxidil 487
  - Retinoids 487
  - Alpha-hydroxy Acids 488
  - Skin Depigmenting or Lightening Agents 488
  - Sunscreens 488
- Injectable Drugs 489
  - Intralesional Therapy 489
  - Dermal Fillers 490
  - Botulinum Toxin 491
  - Biorejuvenation 492
- Cosmetic Procedures 492
  - Facial 492
  - Chemical Peels 493
  - Dermabrasion 493
  - Microdermabrasion 494
  - Electrosurgery 495
  - Radiofrequency Ablation 495
  - Electroepilation 496
  - Cryosurgery 497
  - Tattooing 497
  - Iontophoresis 498
  - Mole Excision 498
  - Hair Transplantation 499
  - Vitiligo Surgery 500

Chapter 24 Lasers in Dermatology 502–510

- Laser Physics 503
- Types of Lasers 503
  - Lasers Emitting Visible Light 504
  - Lasers Emitting Infrared Light 504
  - Quality Switched (Q Switched) Lasers 505
- Clinical Uses of Lasers 505
  - Laser Hair Removal 505
  - Laser for Pigmented Lesions 506
  - Laser for Vascular Lesions 506
  - Excisional Surgery 506
  - Skin Resurfacing 506
  - Ablative Lasers 507
  - Fractional Lasers 507
  - Nonablative Lasers 507
  - Treatment of Varicose Veins 508
  - Treatment of Scars and Keloids 508
- Laser for Miscellaneous Skin Conditions 509
- Laser Safety 509

Section 5: Acquired Immunodeficiency Syndrome (AIDS)

Chapter 25 HIV Infection and AIDS 513–530

- Global Overview 514
- HIV 514
- HIV Life Cycle 515
- Risk Behaviors 517
- Routes of HIV Transmission 517
- Natural History 518
  - Acute Primary HIV Infection 518
  - Asymptomatic Infection 519
  - Symptomatic Infection 519
- Who Clinical Case Definition 520
- Laboratory Diagnosis 520
- Antiretroviral Therapy 523
- Haart 523
- Immune Reconstitution Inflammatory Syndrome 525
- MTCT 525
- Breastfeeding 527
- Occupational Exposure 527
- Prevention and Control 528
- Opportunistic Infections 529
- HIV Infection, Tuberculosis and Leprosy 529

Index ***531***
