Casebook of Midwifery and Obstetrical Nursing

for BSc Nursing Students

This *Casebook of Midwifery and Obstetrical Nursing* is based on Indian Nursing Council syllabus. It fulfills the requirement of revised syllabus of INC for BSc Nursing students. A practical approach is adopted throughout the casebook record. It help the students to plan, provide and record the labor-finding to prenatal, postnatal as-well-as newborns. The highlighted features in this book are appendix, procedures, check lists which not only improves the skill of the students but also provides instructions and guidelines for clinical practitioners to provide quality care.

It is invaluable resource casebook for obstetrical cases conducted in comprehensive manner for mother and newborn to develop labor skills.

Yasmin Mansoori MSc Nursing (Obs & Gyn) is currently working as Head, Department of Obstetrics and Gynecology, Mittal College of Nursing, Ajmer, Rajasthan. She is highly qualified, dedicative and creative person in the nursing profession. She has a wide experience and knowledge in theoretical and practical aspects of nursing. She has organized various conferences, workshops, seminars and published scientific papers at state, and national level. She holds membership in Trained Nurses Association of India (TNAI), Society of Midwives (SOMI), India.
