MCQs in Physical Medicine & Rehabilitation

This book *MCQs in Physical Medicine and Rehabilitation* aims to introduce you to the intriguing world of rehabilitation, through thought-provoking questions, thus providing an advantage to students preparing for various competitive examinations.

It will also be helpful in introducing the quality-of-life aspects of different disease conditions to students and practitioners of various branches of medicine including general medicine, pediatrics, orthopedics, plastic surgery, neuromedicine and neurosurgery.

This book will also provide an edge to rehabilitation professionals, such as physiotherapists, occupational therapists, speech and language pathologists, and prosthetic and orthotic engineers by giving a holistic view about the subject.

S Sunder MBBS MD (PMR) did his postgraduation in the field of physical medicine and rehabilitation from The Tamil Nadu Dr MGR Medical University, Chennai, Tamil Nadu, India. He founded the PREM Center for Physiotherapy and Rehabilitation Medicine in Chennai, and is now a consultant with JOGO Health Inc, USA. He has been industrial medical consultant for over three decades, and is the Medical Director of PREM Ergo Solutions, offering ergonomic consultancy to several companies. He has presented several papers and chaired several scientific sessions in national and international conferences and has delivered several prestigious national orations. He is the recipient of the President's award for Best Individual in Social Service and The Tamil Nadu State award for Best Doctor, for the social work he has done through his Freedom Trust that he founded in 1997. He is also a renowned vocalist in classical Carnatic music.

Jimi Jose MBBS MD DNB (PMR) is Assistant Professor, Department of Physical Medicine and Rehabilitation, Pushpagiri Medical College, Thiruvalla, Kerala, India. After completing his MBBS, went on to specialize in the branch of physical medicine and rehabilitation from the prestigious Sawai Man Singh Government Medical College, Jaipur, Rajasthan, India. He then worked in the Department of Physical Medicine and Rehabilitation at St John's Medical College, Bengaluru, Karnataka, India. His passions in the field of rehabilitation medicine include neurological rehabilitation, pediatric rehabilitation and interventional pain management. Apart from PMR he is an avid traveller and a nature lover!
