# Contents

## Section 1
## Obstetrics

1. **Imaging for the Uterine Scar** ---------- *3*
   *B. Shakuntala Baliga*
2. **Perineal Trauma and Pelvic Floor Damage Following Delivery** ---------- *15*
   *Arijit Biswas*
3. **Oligohydramnios** ---------- *26*
   *Arijit Biswas*
4. **Recent Trends in Rh: Anti-D Immunisation** ---------- *37*
   *Usha Krishna, Pranay Shah*
5. **Intrauterine Growth Restriction: Pathophysiology and Long-term Sequelae** ---------- *44*
   *Sambit Mukhopadhyay, S Arulkumaran*
6. **Toxoplasmosis and Pregnancy** ---------- *60*
   *Nancy Malla, Indu Gupta, RC Mahajan*

## Section 2
## Gynaecology

7. **Medical Management of Dyspareunia** ---------- *71*
   *AK Debdas*
8. **Drugs for Vulval Dystrophy** ---------- *77*
   *AK Debdas*
9. **Ovarian Endometrioma** ---------- *83*
   *Pratap Kumar*
10. **Vaginal Hysterectomy: Emerging New Role in Gynaecological Surgery** ---------- *89*
    *Shirish S Sheth, Kurush P Paghdiwalla*
11. **Androgens in Menopause** ---------- *108*
    *Sunila Khandelwal*
12. **Clomiphene Revisited** ---------- *125*
    *Manish Banker, Pravin Patel*
13. **Hyperprolactinaemia** ---------- *136*
    *Indira Ramamurthi*

14. **Chlamydial Infections in Obstetrics and Gynaecology** ---------- *162*
*Duru Shah, Safala Shroff*

## Section 3
## Reproduction and Child Health

15. **Cytology and Colposcopy in Screening for Cervical Cancer** ---------- *191*
*Usha B Saraiya*
16. **Adolescence: Social and Health Issues** ---------- *204*
*Sudip Chakravarti*

## Section 4
## New Research Frontiers

17. **Two Interesting Genital Newcomers in the Field of Very Early Biochemical Prediction of Preterm Delivery (PTD)** ---------- *219*
*AK Debdas*
18. **New Non-invasive Method of Prenatal Diagnosis by Isolating Foetal Cells from Ordinary Sample of Maternal Blood** ---------- *223*
*AK Debdas*
19. **Angiogenesis—A Review** ---------- *226*
*Pratyusha Chaudhuri*
20. **Aromatase—New Enzyme for Endometriosis** ---------- *235*
*S Dasgupta*

*Index* ---------- *241*
