Contents

Section 1 — EAR

1. Embryology of ear 1
2. Applied anatomy and physiology of ear 7
3. Methods of examination of Ear (Clinical and Lab tests) 22
4. Diseases of External ear (Pinna and EAC) 35
5. Acute suppurative otitis media 42
6. Secretory otitis media, Tympanosclerosis and Adhesive otitis media 48
7. Chronic suppurative otitis media 52
8. Otosclerosis 63
9. Facial nerve 68
10. Trauma to middle ear and temporal bone 73
11. Chronic granulomatous diseases of Ear 76
12. Tumours of Middle ear 78
13. Deafness and Ototoxic drugs 82
14. Vertigo and Meniere's Disease 87
15. Deafmutism Hearing Aids and Cochlear Implant 92
16. Tinnitus 98
17. Acoustic neuroma 100

Section 2 — NOSE

18. Embryology of Nose and Paranasal Sinuses 105
19. Applied anatomy and physiology of Nose and Paranasal sinuses 110
20. Methods of examination of Nose and Paranasal sinuses 118
21. Diseases of External Nose 122
22. Diseases of Nasal septum including epistaxis 124
23. Acute and Chronic rhinitis 130
24. Acute and Chronic sinusitis (including complications) 140
25. Nasal Allergy and Nasal Polyps. 145
26. Fracture of Nose including midfacial fractures. 151
27. CSF rhinorrhoea 156
28. Neoplasms of Nose and Paranasal sinuses 158
29. Headache 162

Section 3 — ORAL CAVITY, PHARYNX AND NECK

30. Embryology of Oral Cavity and Pharynx 169
31. Applied anatomy and physiology of Oral Cavity and Pharynx 172
32. Acute and Chronic inflammatory diseases of Oral cavity and Pharynx 180
33. Tonsils and Adenoids 191
34. Neck swellings (Neck space infections, Cyst and sinuses and Neck node) 196
35. Neoplasms of Oral cavity and Pharynx 205
36. Sleep apnoea syndrome 213

Section 4 — LARYNX

37. Embryology of Larynx 219
38. Applied anatomy and physiology of Larynx 222
39. Methods of examination of Larynx 227
40. Acute and Chronic inflammatory diseases of Larynx 230
41. Benign mucosal diseases of larynx 236
42. Laryngeal trauma and laryngotracheal stenosis 238
43. Neurological lesions of larynx 240
44. Tracheostomy 244
45. Neoplasms of Larynx 247

Section 5 — SALIVARY GLAND, THYROID GLAND AND OESOPHAGUS

46. Applied anatomy and physiology of Salivary glands 255
47. Acute and Chronic inflammatory diseases of Salivary glands 258
48. Neoplasms of Salivary glands 262
49. Embryology of thyroid gland 265
50. Applied anatomy and physiology of Thyroid gland 267
51. Acute and Chronic inflammatory diseases of Thyroid gland 270
52. Tumours of Thyroid gland 274
53. Embryology of Oesophagus 279
54. Applied anatomy and physiology of Oesophagus 280
55. Acute and Chronic inflammatory diseases of Oesophagus 283
56. Tumours of Oesophagus 290
