Contents

1. Introduction 1

- *Arthroscopy* 2
- *Synovial Biopsy* 6

2. Normal Synovium 9

- *Synovium* 11

3. Synovial Fluid 17

- *Normal Synovial Fluid* 18
- *Synovial Fluid Analysis* 19

4. Infective Arthritis 35

- *Acute Arthritis* 36
- *Viral Arthritis* 42
- *Parasitic Infections of Synovium* 45
- *Fungal Arthritis* 46
- *Tuberculous Synovitis* 49

5. Crystal-induced Synovitis 57

- *Gout* 58
- *Calcium Pyrophosphate Dihydrate Disease* 67
- *Basic Calcium Phosphate-associated Arthropathies* 70
- *Other Crystal-induced Arthropathies* 71
- *Cholesterol Crystals* 72

6. Synovium—Tumors and Tumor-like Lesions 77

- *Synovial Cysts* 79
- *Ganglion Cysts* 81
- *Synovial Chondromatosis* 82
- *Loose Bodies and Secondary Osteochondromatosis* 86
- *Pigmented Villonodular Synovitis* 87

- *Hemangioma* 93
- *Chondromas* 96
- *Lipoma* 97
- *Fibroma* 99
- *Malignant Tumors of the Synovium* 99
- *Synovial Chondrosarcoma* 100
- *Synovial Sarcoma* 101
- *Metastatic Tumors* 105

7. Osteoarthritis 109

- *Normal Joint Function* 110
- *Biomarkers in Osteoarthritis* 126
- *Erosive Arthritis* 127

8. Rheumatoid Arthritis 133

- *Pathogenesis of Rheumatoid Arthritis* 142
- *Brief Overview of Matrix Metalloproteinases* 145
- *Rheumatoid Nodules* 146
- *Differential Diagnosis of Chronic Synovitis* 148

9. Miscellaneous 155

- *Amyloid Arthropathy* 156
- *Detritic Synovitis* 157
- *Foreign Body Synovitis* 159
- *Hemophilic Arthropathy* 160
- *Enteropathic Arthritis* 162
- *Alkaptonuria* 163
