Contents

1. Introduction 1
B Sivapathasundharam

2. Anatomy of Human Salivary Gland 2
B Sivapathasundharam, AR Raghu

- *Salivary Glands 3*
- *Major Salivary Glands 4*
- *Minor Salivary Glands 11*
- *Microstructure of the Salivary Glands 11*
- *Plasma Membrane Modifications 15*
- *Myoepithelial Cell 16*
- *Duct System 17*
- *Functions of Salivary Duct 20*
- *Connective Tissue Stroma of the Salivary Gland 20*

3. Classification of Salivary Gland Diseases 22
B Sivapathasundharam

- *Classification of Non-neoplastic Salivary Gland Diseases 22*
- *Classification of Salivary Gland Neoplasms 23*

4. Non-neoplastic Diseases of Salivary Glands 29
B Sivapathasundharam

- *Developmental Disorders 29*
- *Adenomatoid Hyperplasia 30*
- *Infections and Inflammatory Disorders (Sialadenitis) 31*
- *Obstructive and Traumatic Disorders 34*
- *Allergic and Immunologic Disorders 45*
- *Metabolic Disorders 50*
- *Aging 51*

5. Physiology and Functional Disorders of Salivary Glands 55
B Sivapathasundharam, AR Raghu, R Rajendran

- *Physiology of Salivary Glands 55*
- *Dysfunction of Salivary Glands 62*
- *Functional Disorders of Salivary Glands 62*

6. Histogenesis and Molecular Pathogenesis of Salivary Gland Tumors 67
G Sriram, Geetha Prakash

- *Histogenesis and Molecular Pathogenesis of Salivary Gland Tumors 67*
- *Etiology 67*
- *Histogenesis 68*
- *Histogenesis and Molecular Genetics of Benign Salivary Gland Tumors 69*
- *Histogenesis of Malignant Salivary Gland Tumors 75*
- *Tumor Progression in Salivary Gland Tumors 80*

7. Benign Tumors of Salivary Glands 84
Einstein T Bertin A, B Sivapathasundharam

- *Pleomorphic Adenoma (Mixed Tumor) 84*
- *Myoepithelioma 92*
- *Papillary Cystadenoma Lymphomatosum (Warthin's Tumor) 93*
- *Canalicular Adenoma 97*
- *Basal Cell Adenoma 98*
- *Oncocytoma (Oxyphilic Adenoma) 101*
- *Ductal Papillomas 103*
- *Cystadenoma 106*
- *Sebaceous Adenoma and Sebaceous Lymphadenoma 108*
- *Lipoadenoma 108*
- *Lymphadenoma 108*

8. Malignant Tumors of the Salivary Glands 115
Kanthimathi Sekhar, B Sivapathasundharam

- *Clinical Features 115*
- *Behavior of Malignant Salivary Gland Tumors 115*
- *Morphology 116*
- *Acinic Cell Adenocarcinoma 117*
- *Mucoepidermoid Carcinoma 121*
- *Adenoid Cystic Carcinoma 126*
- *Polymorphous Low Grade Adenocarcinoma 131*
- *Epithelial-Myoepithelial Carcinoma 133*
- *Clear Cell Adenocarcinoma 134*
- *Basal Cell Adenocarcinoma 135*
- *Sebaceous Adenocarcinoma 137*
- *Sebaceous Lymphadenocarcinoma 137*
- *Cystadenocarcinoma 138*
- *Mucinous Adenocarcinoma 139*
- *Oncocytic Carcinoma 139*
- *Salivary Duct Carcinoma 140*
- *Intraductal Carcinoma 142*
- *Adenocarcinoma not otherwise Specified 143*
- *Myoepithelial Carcinoma 144*
- *Malignant Mixed Tumors 145*
- *Carcinoma Ex-pleomorphic Adenoma 145*

- *Carcinosarcoma 147*
- *Metastasizing Pleomorphic Adenoma 148*
- *Primary Squamous Cell Carcinoma 149*
- *Adenosquamous Carcinoma 150*
- *Undifferentiated Carcinomas 151*
- *Hyalinizing Clear Cell Carcinoma 154*
- *Sialoblastoma 154*
- *Mesenchymal Tumors 155*
- *Lymphomas 155*
- *Low Grade B-cell Malt Lymphoma 155*
- *Diffuse Large B-cell Lymphoma 156*
- *Primary T-cell Lymphoma of the Salivary Gland 156*
- *Metastatic Tumors 156*
- *Other Entities 157*

9. Investigations of Salivary Glands 165
Harsha Vardhan BG

- *Clinical Signs and Symptoms 165*
- *Diagnostic Approach of a Patient with Salivary Gland Disease 165*
- *Salivary Gland Imaging 171*
- *Ultrasonography 180*
- *Malignant Tumors of the Salivary Glands 182*
- *Thermography 182*
- *Computed Tomography 183*
- *Magnetic Resonance Imaging 184*
- *Angiography 185*
- *Radionuclide Salivary Studies 185*
- *Salivary Hormone Profile 186*
- *Fine Needle Aspiration Cytology 187*
- *Salivary Gland Biopsy 187*

10. Management of Salivary Gland Diseases 189
Vinod Narayanan

- *Infectious and Inflammatory Diseases 189*
- *Immunologic Inflammatory Disorders 190*
- *Functional Disorders 190*
- *Obstructive Diseases 193*
- *Tumors of Salivary Gland 195*
