Contents

1. Enzymatic Vitreolysis **1**
Anand Partani, Raja Narayanan

- Plasmin *2*
- Ocriplasmin *2*
- Dispase *3*
- Urea (Vitreosolve) *3*
- Hyaluronidase *4*
- Chondroitinase *4*
- Nattokinase *4*
- Future Directions *5*

2. Intracameral Triamcinolone **7**
Abhay R Vasavada, Sajani K Shah, Vaishali Vasavada

- Intraocular Triamcinolone in Adult Cataract Surgery *7*
- Intraocular Triamcinolone in Pediatric Cataract Surgery *8*
- Injecting Preservative-Free Triamcinolone acetonide *9*
- Benefits *13*
- Concerns *14*

3. Intravitreal Triamcinolone Injection **16**
Arvind Kumar Dubey, Benu Dubey

- Brief History and Indications *16*
- Clinical Applications *16*
- Complications of Intravitreal Injection of Triamcinolone *26*

4. Intravitreal Antibiotics **30**
Radhika M, Kopal Mithal, Animesh Jindal, Avinash Pathengay

- Pharmacokinetics and Pharmacodynamics of Intravitreal Antibiotics *31*

5. Avastin and Lucentis and their Role in Vitreoretinal Diseases **38**
P Mahesh Shanmugam, Rajesh Ramanjulu

- Pathological Role: Retinal Neovascularization *39*
- Role of Anti-VEGF in Vitreoretinal Disorders *40*
- Treatment Protocols: Primarily designed for AMD *44*
- Ranibizumab: Treat-and-Extend Regimen *47*
- Bevacizumab: As-Needed Regimen *47*

- Bevacizumab: Treat-and-Extend Regimen *48*
- Optical Coherence Tomography *49*
- Neovascular Glaucoma *54*
- Retinopathy of Prematurity *55*
- Idiopathic Macular Telangiectasia *56*
- VEGF in Inflammatory Diseases of Eye *56*

6. Intravitreal Ozurdex **63**
Mangat R Dogra, Pooja Bansal

- Pharmacokinetics *63*
- Retinal Venous Occlusions *64*
- Diabetic Macular Edema *65*
- Noninfectious Uveitis *66*
- Adjunct to Cataract Surgery *66*
- Exudative Age-related Macular Degeneration (ARMD) *67*
- Technique of Intravitreal Injection *67*
- Adverse Effects *72*
- Contraindications *72*

7. Macugen **74**
Indu Singh, Kiran Duggal

- Aptamers *74*
- Pegaptanib, the VEGF-A Aptamer *75*
- Mechanism of Action *75*
- Role of Macugen in Ocular Neovascular Conditions 76

8. Intraocular Dyes **87**
Dhananjay Shukla

- History *87*
- Scope of Application *88*
- Safety Issues *89*
- Current Use of Dyes *91*

9. Complications of Intravitreal Injections **99**
NS Muralidhar, Rajiv M Gandhi

- Complications Related to the Technique/ Procedure 100
- Complications Related to the Agent Drug *105*

10. Intravitreal Injection: Technique **117**
Shalabh Sinha

- Anesthesia *117*
- Antibiotic Drops *118*
- PREP *119*
- Technique of Injection *121*

- Postoperative Monitoring *124*
- Technique of Intravitreal Injection *124*

11. Counseling and Consent Forms for Intravitreal Injections 136
Mallika Goyal

- Counseling for Anti-VEGF Injections *136*
- Counseling for Steroid Injections *138*
- Consent Form for Intravitreal Anti-VEGF Injections *139*
- Consent Form for Intravitreal Steroid Injections *139*

12. Newer Treatments in Wet Age-related Macular Degeneration 140
Lalit Verma, Arindam Chakravarti

- Newer Drugs *140*
- Role of Platelet-derived Growth Factor *141*
- Advances in Dry Age-related Macular Degeneration *147*

Index *153*
