Contents

Section 1: Otology

1. Tympanostomy and Tube Placement **3**

Matthew B Hirsch

- Details of Procedure 3

2. Repair of the Perforated Tympanic Membrane **5**

Matthew B Hirsch, Arun K Gadre

- Myringoplasty 5
- Tympanoplasty 6
- Steps of the Procedure 6

3. Repair of Ossicular Chain Abnormalities **11**

Beth N McNulty, Arun K Gadre

- Considerations 12
- Surgical Technique 13

4. Surgical Treatment of Chronic Otitis Media **17**

Matthew B Hirsch

- Preoperative Planning 17
- Procedure 18
- Drilling 18

5. Cochlear Implantation **21**

Arun K Gadre, Lynzee N Alworth, Katie L Austin, Paul A Tennant

- Background 21
- Other Treatment Options 21
- Preoperative Evaluation—Indications/Candidacy Criteria 21
- Surgical Steps 25
- Modifications in Technique 35
- Postoperative Care 36
- Complications 36

Section 2: Congenital

6. Cleft Lip and Palate **41**
Matthew B Hirsch, Mark E Chariker
- Evaluation and Management 41
- Surgical Techniques 42

7. Congenital Neck Masses **47**
Matthew B Hirsch, Swapna K Chandran
- Pharyngeal Arch Abnormalities 47
- Thyroglossal Duct Cysts 49
- Lymphatic Malformations 50
- Arteriovenous Malformations 51
- Lingual Thyroid 51

8. Congenital Midline Nasal Masses **53**
Sarah B Jacob, Swapna K Chandran
- Operative Procedure 54

Section 3: Sinonasal

9. Pediatric Chronic Rhinosinusitis **59**
Sarah B Jacob, Swapna K Chandran
- Surgical Techniques for Balloon Sinuplasty 59

Section 4: Tonsillectomy and Adenoidectomy

10. Extracapsular Tonsillectomy **65**
Julie L Goldman
- Surgical Technique 65

11. Intracapsular Tonsillectomy **69**
Swapna K Chandran
- Steps in the Procedure 69

12. Adenoidectomy **73**
Swapna K Chandran
- The Steps of Adenoidectomy 73

Section 5: Surgery of the Upper Aerodigestive Tract

13. Surgical Management of Laryngomalacia **77**
Swapna K Chandran
- Supraglottoplasty 77
- Epiglottoplasty 78

14. Endoscopic Management of Subglottic Lesions **79**
Swapna K Chandran
- Subglottic Stenosis 79
- Surgical Techniques for Endoscopic Balloon Dilation and Cold Steel 79

15. Open Laryngotracheal Procedures **83**
Swapna K Chandran
- Anterior Cricoid Split 83
- Laryngotracheal Reconstruction 84
- Partial Cricotracheal Resection 85

16. Tracheotomy **89**
Swapna K Chandran
- Surgical Technique 89

17. Deep Neck Infections **93**
Kevin L Potts
- Peritonsillar Abscess 93
- Retropharyngeal or Retroesophageal Abscess 94
- Parapharyngeal Abscess 96
- Suppurative Lymphadenitis 97

18. Benign and Malignant Tumors of the Head and Neck **99**
Jeffrey M Bumpous
- History and Physical Examination 99
- Laboratory Examinations 100
- Radiology Examinations 100
- Benign Tumors 100
- Malignant Tumors 102
- Special Management Topics 107
