Contents

Section 1: Types of Cataract Related to Anatomy

1. Normal Cataract **3**
- Normal Cataract *4*
- Immature Cataract *4*
- Central Dense Cataract *5*

2. Anterior Subcapsular Cataract **6**
- Central Anterior Subcapsular Cataract *6*
- ASC Central and Peripheral *7*
- Central ASC and Cortical Cataract *8*
- Central ASC and Dense Cataract *9*
- Central Small ASC with Cortical Cataract *9*
- ASC at Multiple Sites *10*
- ASC with Immature Cataract *11*
- Tiny ASC with Central Dense and Cortical Cataract *12*

3. Posterior Subcapsular Cataract **13**
- Posterior Subcapsular Cataract *13*
- Posterior Subcapsular Cataract with Soft Cataract *14*
- Immature Cataract with PSC *15*
- Dense Cataract with PSC *16*
- Diffuse PSC with Very Soft Cataract *17*

4. Posterior Polar Cataract **18**
- Posterior Polar Cataract *18*
- Central Dense PPC Surrounded by Thick Plaque *19*
- Posterior Polar Cataract with Posterior Subcapsular Cataract and Cortical Cataract *19*
- Dense PPC *20*
- Posterior Polar Cataract with no Nucleus *21*
- Unnoticed PPC *21*

5. Soft Cataract **23**
- Soft Cataract *23*
- Soft Cataract with Adequate Size Nucleus *24*
- Soft Cataract with Small Size Nucleus *24*
- Soft with Diffuse and Cortical Cataract *25*
- Diffuse Soft Cataract with Grade 1 Nucleus *26*
- Very Soft Cataract with no Nucleus (Clear Nucleus) *26*
- Soft Cortical Cataract with no Nucleus *27*
- Soft Cataract with ASC and Cortical Cataract *27*
- Soft Cataract with PSC and Cortical Cataract *27*

- Soft with Immature Cataract *28*
- Central Nuclear Cataract *28*

6. Mature Cataract **30**
- Mature Cataract with Adequate Size of Nucleus *31*
- Mature Cataract with Liquefied Cortex *32*
- Mature with Hard Cataract *33*
- Mature with Cortical Cataract *33*
- Nearly Mature with Soft Cataract *34*
- Mature Cataract with Small Pupil *35*
- Mature Cataract with Hazy Cornea *35*
- Mature with Very Hard Cataract *36*

7. Hard Cataract **38**
- Hard Cataract with Adequate Size of Nucleus *39*
- Hard Cataract with Dilated Pupil *39*
- Hard, Diffuse and Cortical Cataract *40*
- Very Hard Cataract *41*
- Hard Cataract with PSC *41*
- Hard Cataract with Hazy Cornea *42*
- Central Hard Cataract *43*
- Hard Cataract with Big Size Nucleus *43*
- Very Hard Cataract with Brown and Black Color *44*
- Very Hard Cataract *45*
- Hard Nucleus with Diffuse Cataract *45*
- Hard Cataract with Small Pupil *46*
- Hard Nucleus with Mature Cataract *47*
- Hard Cataract with Shallow Anterior Chamber *48*
- Very Hard Cataract *48*
- Very Hard Cataract with Calcified Anterior Capsule *49*

8. Cataract with Small Size Nucleus **51**
- Nuclear Cataract *51*
- Immature Cataract *52*
- Hard Cataract *53*
- Soft Cataract *54*

9. Cataract with Big Size Nucleus **55**
- Hard Cataract with Semidilated Pupil *55*
- Diffuse Cataract *56*
- Dense Cataract with Semidilated Pupil *57*
- Soft Cataract *58*

10. Cataract with no Nucleus **59**
- Immature Cataract *59*
- Cortical Cataract *60*
- ASC with Cortical and Diffuse Cataract *60*
- Diffuse Cataract *60*
- Posterior Subcapsular Cataract *61*

11. Cortical Cataract **62**
- Cortical Cataract *63*
- Cortical Cataract with no Nucleus *63*
- Cortical Cataract with Grade One Nucleus *63*
- Cortical Cataract with Dense Nucleus *64*
- Cortical Cataract with Grade 1–2 Nucleus *64*

12. Diffuse Cataract **65**
- Diffuse Cataract *65*
- Diffuse with Very Soft Nucleus *65*
- Diffuse with Demarcated Nucleus *66*
- Diffuse with Big Size Nucleus with Respect to Pupil *66*
- Diffuse with Dense Nucleus *66*
- Diffuse Cataract with Soft and Small Size Nucleus *67*

13. Cataract with Weak Zone **68**
- Cataract with Weak Zone Inferiorly *68*
- Cataract with Weak Zone on Superior Aspect *69*
- Cataract with Weak Zone from 10 to 1 o'clock Position *70*
- Cataract with Weak Zone with Central Small Nucleus *71*
- Cataract with Weak Zone Nasally or Temporally *71*
- Cataract with Multiple Weak Zones *73*
- Cataract with Weak Zone in Central Area *74*

Section 2: Types of Cataract According to Etiology

14. Developmental Cataract **77**
- Different Variety of Developmental Cataract *77*

15. Diabetic Cataract **80**
- Typical Diabetic Cataract *80*
- Mature Cataract *81*
- Soft Cataract *81*
- Cortical and Diffuse Cataract *82*
- Very Soft Cataract *83*
- Central Anterior Subcapsular Cataract *83*
- Cortical Cataract *84*
- Different Variety of Cortical Cataract *84*
- Cataract with Neovascular Glaucoma *85*

16. Steroid-induced Cataract **86**
- Posterior Subcapsular Cataract *86*
- Dense Posterior Subcapsular Cataract *87*
- Diffuse Cataract *87*

17. Traumatic Cataract **88**
- Diffuse Cataract with Posterior Synechiae *88*
- Cataract with Central Posterior Synechiae *89*
- Anterior Capsular Cataract *90*
- Traumatic Cataract with Rupture of Anterior Capsule *90*
- Traumatic Cataract with Anterior Capsule Rupture *91*

- Traumatic Anterior Subcapsular Cataract *92*
- Traumatic Diffuse Anterior Subcapsular Cataract *92*
- Adherent Leukoma with Posterior Synechiae *93*
- Traumatic Nearly Mature Cataract with Posterior Synechiae *93*
- Traumatic Cataract with Iridodialysis *94*
- Traumatic Cataract with Localized Iridodialysis *95*

18. Cataract with Uveitis **96**
- Immature Cataract with Posterior Synechiae *96*
- Hard Cataract with Posterior Synechiae *97*
- Nearly Mature Cataract with Posterior Synechiae *97*
- Posterior Subcapsular Cataract *98*
- Diffuse Cataract with Keratic Precipitates *98*
- Mature Cataract with Posterior Synechiae *99*
- Festooned Shaped Pupil with Immature Cataract *100*
- Festooned Shaped Pupil with Mature Cataract *101*
- Ectropion Uveae with Hard Cataract *101*
- Mature Cataract with Patches of Iris Atrophy and Posterior Synechiae *102*

19. Subluxated Cataract **103**
- Hypermature Cataract with Inferior Subluxation *103*
- Hypermature Cataract with Inferior Subluxation and Calcified Capsular Bag *104*
- Hypermature Hard Cataract with Inferior Subluxation *104*
- Hypermature Intumescent Cataract *105*
- Hypermature Hard Cataract *105*
- Hypermature Cataract with Inferior Subluxation *106*
- Immature Cataract with Minimal Subluxation *106*
- Immature Cataract with Subluxation *107*
- Posterior Subcapsular Cataract with Subluxation *107*
- Immature Cataract with Superior Subluxation *108*
- Subluxated Lens and Cataract with Marfan Syndrome *109*
- Microspherophakia *110*

Section 3: Cataract with Associated Conditions and Factors

20. Cataract with Pseudoexfoliation **113**
- Different Variety of Pseudoexfoliation *114*
- Pseudoexfoliation with Adequate Size of Nucleus *114*
- Immature Cataract with PXE *115*
- Pseudoexfoliation Cataract with Small Pupil *116*
- Pseudoexfoliation Cataract with Small Size Nucleus *116*
- Pseudoexfoliation with Soft Cataract *117*
- Pseudoexfoliation with Hard Cataract *118*
- Pseudoexfoliation Cataract with Bulky Nucleus *119*
- Pseudoexfoliation with Mature Cataract *119*
- Pseudoexfoliation with Cortical Cataract *120*
- Pseudoexfoliation with Black Cataract *121*
- Pseudoexfoliation with Very Hard Cataract *121*

21. Cataract with Shallow Anterior Chamber **123**
- Cataract with Shallow Anterior Chamber *123*
- Dense Nuclear Cataract with Shallow Anterior Chamber *124*
- Dense Nuclear Cataract with Hazy Cornea *125*
- Mature Cataract with Shallow Anterior Chamber *126*
- Pseudoexfoliation Cataract with Shallow Anterior Chamber *126*
- Soft Cataract with Shallow Anterior Chamber *127*
- Postoperative Cases in Shallow Anterior Chamber and the other Eye *128*

22. Cataract with Small Pupil **129**
- Immature Cataract with Small Pupil *129*
- Nearly Mature Cataract with Small Pupil *130*
- Hard Cataract with Small Pupil *131*

23. Cataract with Suspicious Weak Zonules **132**
- Cataract with Wrinkle on Anterior Capsule *132*
- Cataract in Post-trabeculectomized Eye *133*
- Cataract with Weak Zone *133*
- Very Hard Cataract *134*
- Hypermature Cataract with Fibrotic Anterior Capsule *134*
- Cataract with Pseudoexfoliation *135*
- Very Old Age Cataract *135*

24. Cataract with Corneal Opacity and Hazy Cornea **137**
- Dense Cataract with Central Corneal Opacity *137*
- Immature Cataract with Peripheral Corneal Opacities *138*
- Dense Cataract with Hazy Cornea *139*
- Dense cataract with Inferior Corneal Opacity *139*
- Hard Cataract with Corneal Opacity *140*

25. Cataract with Different Shapes of Pupil **143**
- Different Pupil with Nearly Mature Cataract *143*

26. Cataract with Hyperopia **145**
- Immature Cataract *145*

27. Cataract with Myopia **147**
- Immature Cataract in Young Patient *147*

28. Cataract with Embedded Foreign Body in the Lens **149**
- Cataract with Embedded Foreign Body *149*

29. Cataract with Floppy Iris Syndrome **151**
- Hard Cataract with Floppy Iris *151*
- Immature Cataract with Floppy Iris *152*
- Mature Cataract with Floppy Iris *153*
- Cataract and Floppy Iris with Hazy Cornea *153*
- Nearly Mature Cataract with Undilated Pupil *154*

30. Cataract with Glaucoma **156**
- Immature Cataract with Glaucoma *156*
- Immature Cataract and Peripheral Iridotomy with Glaucoma *157*
- Central Dense Cataract with Glaucoma *158*

- Cataract with Pseudoexfoliation and Glaucoma *158*
- Cataract with Narrow Angle Glaucoma *159*
- Cataract with Status Post-glaucoma Surgery *159*

31. Cataract with Iris Coloboma **161**
- Iris Coloboma with Immature *161*
- Iris Coloboma with Dense Cataract *162*
- Iris Coloboma with Soft Cataract *163*

32. Cataract with Micro-ophthalmos **164**
- Mature Cataract with Micro-ophthalmos *164*
- Central Cataract with Micro-ophthalmos *165*

33. Cataract with Vitreous Opacities **166**
- Diffuse Cat with Vitreous Opacities *166*
- Vitreous Opacities with Soft Cataract *167*
- Cataract with Vitreous Opacities *167*

34. Cataract with Pterygium **169**
- Cataract with Pterygium *169*
- Immature Cataract with Pterygium *170*
- Hard Cataract with Early Pterygium *170*
- Hard Nucleus with Advanced Pterygium *171*
- Hard Cataract with Pterygium on Both Sides *172*
- Cataract with Pterygium on Both Sides *173*

35. Cataract with Mooren's Ulcer **174**
- Immature Cataract with Mooren's Ulcer *174*

36. Cataract in Post-radial Keratotomy Case **176**
- Cataract in Post-radial Keratotomy *176*

37. Cataract in Post-penetrating Keratoplasty Case **178**
- Immature Cataract in Post-penetrating Keratoplasty Case *178*

38. Cataract in Post-trabeculectomy Cases **180**
- Dense Cataract with Filtering Bleb *180*
- Dense Cataract with Encroachment of Filtering Bleb on Cornea *181*

39. Cataract in Young Age **183**
- Immature Cataract *183*
- Very Soft Cataract *184*
- Diffuse Cataract *184*
- Central Cataract *185*
- Cortical Cataract *186*
- Immature Cataract *186*
- Central Dense Cataract *187*
- Varieties of Cataract in Young Patient *188*

40. Cataract in Old Age **189**
- Hard Cataract *189*
- Soft Cataract *190*

41. Cataract with Uneven Anterior Chamber **191**
- Both Eyes Adherent Leukoma *191*
- Adherent Leukoma with Cataract *192*

42. Cataract with Wrinkling of Face **193**
- Cataract with Wrinkling of Face *193*

Index *195*
