# CONTENTS

**1. INFECTIONS** **1**

***Bacterial Infections 2***

- Folliculitis *3*
- Furunculosis *3*
- Ecthyma *5*
- Sycosis *5*
- Impetigo (Bullous and Nonbullous) *7*
- Cellulitis *7*
- Staphylococcal Scalded Skin Syndrome (SSSS) *9*
- Meningococcal Infections *9*

***Viral Infections 10***

- Herpes Simplex *11*
- Herpes Zoster (Shingles) *11*
- Warts (Verrucae) *13*
- Molluscum Contagiosum *15*

***Fungal Infections 16***

- Tinea Capitis *17*
- Tinea Corporis *21*
- Tinea Cruris *27*
- Tinea Manum *27*
- Tinea Pedis *27*
- Tinea Versicolor *31*
- Mycetoma *31*
- Chromoblastomycosis *31*

***Candidal Infections 32***

- Candidiasis *33*

***Tuberculosis 34***

- Cutaneous Tuberculosis *35*
- Lupus Vulgaris *35*
- Scrofuloderma *37*
- Tuberculous Gumma *39*
- Warty Tuberculosis (Tuberculosis Verrucosa Cutis) *41*
- Tuberculides *43*
- *Mycobacterium marinum* *43*

***Sexually Transmitted Diseases 44***

- Syphilis *45*
- Lymphogranuloma Venereum *49*

***Leprosy 50***

- Borderline Leprosy *51*
- Indeterminate Leprosy *51*
- Tuberculoid Leprosy *53*
- Lepromatous Leprosy *53*
- Complications *55*
- Prevention *55*
- Treatment *55*
- Treatment of Reactions *55*

***Scabies 56***

- Scabies *57*
- Pediculosis Capitis (Head Louse) *59*
- Papular Urticaria (Lichen Urticatus) *59*

***Leishmaniasis 60***

- Cutaneous Leishmaniasis *61*

**2. BULLOUS DISORDERS** **63**

- Pemphigus Vulgaris *65*
- Pemphigus Foliaceus *67*
- Bullous Pemphigoid *69*
- Linear Immunoglobulin A (IgA) Dermatosis *71*
- Shabbir's Syndrome *73*

**3. DRUG REACTIONS** **75**

- Erythema Multiforme *77*
- Toxic Epidermal Necrolysis *79*
- Fixed Drug Eruption *81*

**4. CONNECTIVE TISSUE DISORDERS** **83**

- Systemic Lupus Erythematosus (SLE) *85*
- Systemic Sclerosis *87*

- Linear Morphea *87*
- Dermatomyositis *87*

**5. ICHTHYOSES 89**
- Ichthyoses *91*
- Nonbullous Ichthyosiform Erythroderma *93*
- X-linked Recessive Ichthyosis *93*

**6. KERATINIZATION DISORDERS 95**
- Psoriasis *97*
- Onychogryphosis *99*
- Punctate Keratoderma *103*
- Pityriasis Rosea *103*
- Lichen Planus *105*

**7. GENODERMATOSES 107**
- Neurofibromatosis *109*
- Lipoid Proteinosis *109*
- Tuberous Sclerosis *111*
- Xeroderma Pigmentosum *113*

**8. ECZEMAS 115**
- Eczema *117*
- Contact Dermatitis *117*
- Patch Test *121*
- Atopic Dermatitis *123*
- Infective Eczema *123*
- Lichen Simplex *125*
- Stasis Eczema *125*

**9. MISCELLANEOUS DISORDERS 127**
- Purpura Fulminans *129*
- Urticaria (Hives) *129*
- Necrobiosis Lipoidica *129*
- Alopecia Areata (AA) *131*
- Basal Cell Carcinoma (BCC) *131*
- Calcinosis *133*
- Dermatitis Artefacta (DA) *133*
- Pyogenic Granuloma *133*
- Vitiligo *133*
- Pellagra *135*
- Cutis Verticis Gyrata *135*
- Granuloma Annulare *135*
- Infantile Hemangioma *137*
- Neonatal Acne *137*
- Porokeratosis of Mibelli *137*
- Port-wine Stain *139*
- Klippel-Trenaunay Syndrome (KTS) *139*
- Burn *139*
- Keratoacanthoma *141*
- Venous Ulcers *141*
- Lipodermatosclerosis *141*
- Keloid *143*
- Sebaceous Nevi *143*
- Xanthomas *143*
- Senile Comedones *145*
- Lentigines *145*
- Lichen Amyloidosis *145*
- Nodulocystic Acne *147*
- Epidermodysplasia Verruciformis (EDV) *147*
- Alkaptonuria *147*
- Exfoliative Dermatitis *147*
