Contents

1. Physiology of Ovulation **1**
Shilpa Choudhary, Anjali Deshpande

- Primordial Follicle *2*
- Preantral Follicle *4*
- Antral Follicle *6*
- Autocrine-paracrine Regulation *9*
- Preovulatory Follicle *12*
- Ovulation *13*

2. Endometrium in Ovarian Cycle **18**
Suman Mittal, Anjali Deshpande, Umesh Sabale

- The Endometrium *18*
- Menstruation *19*
- Ovarian Cycle *19*
- Ovulation *21*
- Luteal or Postovulatory Ovarian Phase *21*
- Histopathology of Endometrial Cycle *21*
- Proliferative Phase *22*
- Secretory Phase (Postovulatory Endometrial Phase) *22*
- Hormonal Cycle *24*
- Correlation of Endometrial, Hormonal and Ovarian Cycles *24*
- Imaging the Endometrium *25*
- Fertility and Endometrium *27*
- Potential Functional Markers of Endometrial Receptivity *30*
- Noninvasive Assessment of Endometrial Receptivity *32*
- Role of Hysteroscopy in Evaluation of Endometrium *33*

3. Hypothalamus, Pituitary and Ovulation **38**
Nitin Kshirsagar, A Vivekanand, Bushra Khan

- Oligo-ovulation *38*
- Anovulation *38*

4. Thyroid, Pituitary and Ovulation **46**
Chandrakant Madkar, Nilesh U Balkawade, Priyanka A Dahiya

- Thyroid Disorder and Anovulation *46*
- Anovulation Related to Hyperprolactinemia *48*

5. Polycystic Ovarian Syndrome: Past, Present and Future **52**
Pankaj Desai, Jayashree Shridhar, Umesh Sabale

- Polycystic Ovarian Syndrome: The Past *53*
- Polycystic Ovarian Syndrome: The Present *54*
- Etiology *54*
- Diagnosis *58*
- Treatment *64*
- Polycystic Ovarian Syndrome: The Future *67*

6. Ovarian Hyperstimulation Syndrome **70**
Joshi Suyajna, Hemant Deshpande, Rajendra Shitole

- Classification *70*
- Pathophysiology *72*
- Etiology *73*
- Risk Factors *74*
- Epidemiology *75*
- Ovarian Hyperstimulation Syndrome Affects Women of Childbearing Age *75*

7. Ovarian Reserve **84**
Haresh U Doshi, Hemant Deshpande

- Biochemical Tests *85*
- Transvaginal Sonography *85*
- Follicle-stimulating Hormone: Luteinizing Hormone Ratio *86*

8. Premature Ovarian Failure **91**
Atul Munshi, Sujal Munshi

- Possible Causes of Premature Ovarian Failure *92*
- Clinical Features *94*
- Diagnosis *94*
- Importance of Early Diagnosis *95*

9. Ovarian Resistance Syndrome **99**
Veerendrakumar, Priyanka A Dahiya, Umesh Sabale

- Reproductive Aging and Ovarian Insufficiency *99*
- Etiology *100*
- Tests for Ovarian Reserve *101*
- Evaluation of Women *102*
- Long-term Effects *103*

10. Ultrasound in Ovulation Monitoring and Other Diagnostic Tests **105**
Ajit Patil, Umesh Sabale

- Technique of Doing a Transvaginal Ultrasound *105*
- Beginning of Follicular Monitoring *107*
- Pointers Towards OHSS *108*
- Role of Color Doppler *109*
- Secretory Scan *110*

11. Clomiphene Citrate: The Fertility Drug **116**
Habeebullah

- Mechanism of Action *117*
- Indications *118*
- Treatment *119*
- Regimens *120*
- Combination Regimens *120*
- Monitoring *121*
- Contraindications *122*
- Side Effects *122*
- Fetal/Neonatal Anomalies *122*
- Complications *122*
- Male Infertility *123*

12. Gonadotropins in Ovarian Stimulation **126**
Hemant Deshpande, Aritra Pradhan, Surabhi Tomar

- History of Gonadotropins *126*
- Gonadotropin-releasing Hormone Agonists for Ovarian Hyperstimulation *127*
- Protocols *129*
- Controlled Ovarian Hyperstimulation with GnRH Agonists *130*
- Gonadotropin Therapy Monitoring *132*
- Newer Gonadotropin *132*

13. Anastrozole: New Ovulation Drug **135**
Ajith S Nair, Nilesh U Balkawade

- Mechanism of Action *135*

14. Supportive Therapy in Induction **138**
Vidya A Thobbi, Unmesh Santpur, Suguna R Kumar

- Metformin and Ovulation *138*
- Human Chorionic Gonadotropin and Ovulation *140*
- Weight Reduction and Induction of Ovulation *140*
- Myo-inositol *143*

15. Adjuvant Therapy in Ovulation Induction **147**
Unmesh Santpur, Sharankumar Kavalgi

- Dexamethasone (Glucocorticoids) *148*
- Dehydroepiandrosterone *149*
- Chromium *152*

16. Surgical Management of Anovulation **155**
Shreekrishna Kiran, Hemant Deshpande, Vidya Gaikwad

- Technique of Ovarian Drilling *156*
- Mechanism of Ovarian Drilling *156*
- Predictors of Poor Response *157*
- Results of Laparoscopic Ovarian Drilling *158*

17. Oocyte Donation, Ovarian Transplant and Surrogacy **163**
Kanan Yelikar, Shivani Butani, Sharankumar Kavalgi

- Oocyte Donation *163*
- Ovary Transplantation *165*
- Oocyte Donation versus Ovarian Transplant *167*
- Ovarian Tissue Cryopreservation *168*
