Contents

SECTION I: CORE 360 1

1. **Basic Hair Knowledge** 5
   - About Hair Growth 5
     - Hair in General 5
     - Hair Anatomy 5
     - Hair Growth Cycles 7
   - About Hair Loss 8
     - Male-Pattern Baldness 9
     - Female-Pattern Baldness 13
     - Other Types of Alopecia 16
     - About Hair Restoration 18
   - Nonsurgical Options 24
     - Medical Treatment 24
     - Low-Level Laser Therapy (LLLT) 28
     - Platelet-Rich Plasma 29
     - Camouflaging Products and Treatments 30
2. **Surgery Overview** 35
   - Terminology 35
   - Size of the Surgical-Assistant Team 35
   - Surgical Flow 36
   - Surgical Timing 38
   - Other Things to Know 40
     - Medication Used 40
     - Emergency Situations 41
     - Clean Procedure 43
     - Do's and Don'ts 44
3. **Assistant's Duties** 47
   - An Overview 47
   - Surgical Set-up 48
   - Assisting the Physician 57
   - Graft Preparation and Placement 60
   - Postsurgery Cleaning (Disinfection and Sterilization) 60
   - Charting (Documentation) 63
   - Patient Follow-up 64
   - Other Duties 66
   - Suppliers 67

4. Graft Preparation **69**
Magnification and Lighting 69
Ergonomics 72
Graft Survival 74
Graft Preservation 76
Harvesting Techniques 79
Strip Harvesting (FU-Strip) 79
Follicular Unit Extraction (FUE) 80
Donor-Tissue Evaluation 81
Slivering 82
Technique 82
Slivering Strategy 89
Instruments 89
Graft Dissection 90
Technique 90
Dissecting Strategy 95
Instruments 97
Graft Yield Feedback 99
Graft Extraction 102
Technique 102
Graft Sorting and Trimming 105
Extracting Strategy 106
Instruments 106
Graft Yield Feedback 108
Challenges and Solutions 108
Quality Control 112
5. Graft Placement **123**
Magnification and Lighting 123
Recipient Area 124
Hair Direction and Angle 124
Recipient Sites 128
Graft Handling and Survival 130
Placing Technique 134
Cleaning 134
Loading Grafts 134
Choosing the Forceps 136
Testing the Angle 138
Graft Grasping and Hair Curl Orientation 139
Graft Insertion 139
Dabbing 141
Other Things to Know 143

Final Check 145
Placing Principles 146
Placing Strategies 150
Patient Positioning 157
Ergonomics 158
Challenges and Solutions 160
Popping 160
Bleeding and Oozing 160
Grafts Sinking In 161
Sites Difficult to See 163
Long Hair 163
Lax Tissue 164
Scar Tissue 164
Splayed Follicles or Different Length Hair Follicles 164
African Curly Hair 166
Quality Control 167

SECTION II: MORE 360 **171**

6. Patient Care **175**
Before the Surgery 175
In Preparation for Surgery 175
Immediately Before Surgery 177
At the End of Surgery 178
Final Check, Cleaning, and Bandaging 178
Postoperative Instructions 180
Follow-up 183
Immediate 183
During the First Year 186
Postoperative Shock Hair Loss 189
Critical Thinking 190

7. Assistant Training **197**
Overview 197
Staff Selection 198
Phase I Training 199
Slivering and Dissection 199
Graft Placement 202
Graft Extraction in FUE 205
Phase II Training 209
Continuing Education 210
Performance Progress and Evaluation 210
Test Your Knowledge 212

8. Other Things to Know 213
Standardized Photography 213
Talking on the Phone 215
Ergonomics and Stretching 215
Teamwork 220
Dividing Tasks 220
Relationships 221
Attitude 222
Stress Management 223

Index 229

Video Contents

Chapter 2

1. Surgery Overview

Chapter 3

2. First and Second Phase of Surgical Set-up
3. Prepping the Donor Area

Chapter 4

4. Microscope Adjustments
5. Slivering
6. Graft Dissection
7. Splitting Follicular Units
8. Graft Extraction
9. Graft Extraction with Two Assistants using Two Techniques
10. What Not to do During Graft Preparation

Chapter 5

11. Graft Placement
12. Graft Placement with Two Assistants
13. Graft Placement for FUE Grafts
14. Final Check
15. Placing Challenge: Popping
16. Placing Challenge: Bleeding
17. Placing Challenge: Grafts Sinking Below Scalp Surface
18. Placing Challenge: Long Hair

Chapter 6

19. Patient Care: Cleaning Blood Clots
20. Patient Care: Suture Removal

Chapter 7

21. Phase I Assistant Training: Slivering
22. Phase I Assistant Training: Dissection
23. Phase I Assistant Training: Placing
24. Phase I Assistant Training: Extraction
25. Test Your Knowledge
