- *Performance Evaluation: Performing Nutritional Assessment 84*
- *Performance Evaluation: Feeding a Helpless Client 85*
- *Performance Evaluation—Insertion of Nasogastric Tube (Small Bore for Enteral Feeding) 87*
- *Performance Evaluation: Administering Tube Feeding 89*

7. Performance Evaluation of Elimination 91

- *Performance Evaluation: Collecting Stool Specimen 91*
- *Performance Evaluation: Administering an Enema 92*

- *Performance Evaluation: Urinary Catheterization 95*
- *Performance Evaluation: Inserting Rectal Tube 97*
- *Performance Evaluation: Care of Urethral Catheter 99*
- *Performance Evaluation: Care of Suprapubic Catheter 100*
- *Performance Evaluation: Measuring and Recording Intake and Output 101*

8. Performance Evaluation of Specimen Collection 103

- *Performance Evaluation: Collecting a Random Urine Specimen 103*
- *Performance Evaluation: Culture and Sensitivity Test (Clean Voided) Urine Specimen 104*
- *Performance Evaluation: Collecting a Timed Urine Specimen 106*
- *Performance Evaluation: Collecting a Sterile Urine Specimen from an Indwelling Catheter 108*
- *Performance Evaluation: Measuring Specific Gravity of Urine 110*
- *Performance Evaluation: Measuring Chemical Properties of Urine Glucose and Ketones 111*
- *Performance Evaluation: Measuring Blood Glucose Level after Skin Puncture 113*

9. Performance Evaluation of Wound Care 116

- *Performance Evaluation: Assessment of Pressure Ulcer Development 116*
- *Performance Evaluation: Wound Management 117*
- *Performance Evaluation: Client with Surgical Drainage Tube 119*
- *Performance Evaluation: Management of Pressure Ulcers 120*
- *Performance Evaluation: Applying an Abdominal Binder, T Binder or Breast Binder 121*
- *Performance Evaluation: Applying Elastic Bandage 123*
- *Performance Evaluation: Assisting with the Application of Skin Traction 125*

10. Performance Evaluation of Medication Administration 127

- *Performance Evaluation: Administering Oral Medication 127*
- *Performance Evaluation: Administering Subcutaneous, Intradermal and Intramuscular Injection 128*
- *Performance Evaluation: Mixing Medication from Two Vials 131*
- *Performance Evaluation: Teaching Client How to Administer Self-insulin Injections 133*

- *Performance Evaluation: Administering Skin Applications (Topical Administration) 136*
- *Performance Evaluation: Starting Intravenous Infusion 138*
- *Performance Evaluation: Client with a Continuous Medication Infusion 140*
- *Performance Evaluation: Client with Transfusion of Blood and Blood Products 141*
- *Performance Evaluation: Assisting Intravenous Cut Down 142*
- *Performance Evaluation: Ear Irrigation 143*
- *Performance Evaluation: Instillation of Ear Drops 144*

11. Performance Evaluation of Higher Nursing Procedures 146

- *Performance Evaluation: Oxygen Therapy—Cannula Method 146*
- *Performance Evaluation: Obtaining Arterial Blood Gas Sample 147*
- *Performance Evaluation: Chest Drainage Tube Maintenance (Water Seal) 148*
- *Performance Evaluation: Endotracheal Tube Suctioning—Endotracheal Tube Maintenance 149*
- *Performance Evaluation: Postural Drainage 151*
- *Performance Evaluation Tracheotomy Suctioning 152*
- *Performance Evaluation: Measuring Central Venous Pressure 153*
- *Performance Evaluation: Assisting with Arterial Puncture 154*
- *Performance Evaluation: Arterial Pressure Monitoring 156*
- *Performance Evaluation: Assisting Endotracheal Intubation 156*
- *Performance Evaluation: Monitoring Client with Temporary Cardiac Pacemaker Support 158*
- *Performance Evaluation: Client with Cardiac Monitoring 159*
- *Performance Evaluation: Recording an Electrocardiogram (ECG) 160*
- *Performance Evaluation: Assisting with Lumbar Puncture 161*

12. Nursing Assessment of Cardiovascular System 163

- *Nursing History 163*
- *Chief Complaint 164*
- *Physical Examination 166*
- *Clinical Performance Evaluation: Cardiovascular System 168*
