Contents

1. Essential Dermatosurgical Instruments **1**
Rajesh Verma, Aneesh KP, Ankan Gupta
- General Instruments *1*

2. Local Anesthesia for Dermatosurgical Procedures **16**
Sushil Tahiliani, Savitha AS
- Anesthetic Agents *16*
- Combination of Local Anesthetics with Adrenaline *16*
- Different Types of Administration of Local Anesthesia *16*
- Tips for Reducing Pain during Anesthesia *26*
- Avoid *27*

3. Suturing Techniques **28**
Vinay Saraf, Savita Yadav
- Suturing the Wound Edges *28*
- Needles *30*
- Suturing Techniques *31*
- Suture Removal *38*
- Complications and Their Management *39*
- Other Means of Wound Closure *40*

4. Dressings in Dermatosurgery **44**
Salim T, Soumya Jagadeesan, Surajit Gorai
- Principles of Wound Dressings *44*
- Types of Dressings *45*
- Choosing a Suitable Dressing *49*
- Complications of Wound Dressings *55*

5. Skin Biopsy Techniques **58**
Shyamanta Barua, Anupam Das, BM Shashikumar
- Indications *58*
- Contraindications *58*
- Selection of Site of Biopsy *58*
- Anesthesia before Skin Biopsy *59*
- Techniques of Skin Biopsy *59*
- Post-Biopsy Considerations *65*
- Complications *66*
- Biopsy at Special Sites *66*

6. Excisions of Cysts and Small Tumors **69**
Dhanashree Bhide, Harish Prasad
- Small Tumors and Cysts *69*
- Basal Cell Carcinoma *76*
- Sebaceous Cyst/Epidermoid Cyst *81*
- Lipoma *87*
- Steatocystoma Multiplex *89*
- Excision of Corn *90*

7. Mole Surgery **94**
Madura C, Pushpa KR
- Patient Selection *94*
- Principles of Surgery for Moles *95*
- Types of Mole Surgery *95*
- Postoperative Care in Mole Surgery *104*
- Complications of Mole Surgery *104*
- Congenital Melanocytic Nevi *106*

8. Dermabrasion **108**
Aarti Sarda, Abhishek De, Shilpa K
- History *108*
- Principles *108*
- Indications *109*
- Contraindications *109*
- Equipment *109*
- Patient Counseling *109*
- Step-by-Step *109*
- Operative Procedure *111*
- Modifications *114*
- Postoperative Care *114*
- Complications and How to Deal? *114*

9. Microneedling **117**
Pradyumna Vaidya, Shilpa K
- Definition *117*
- The Evolution *117*
- Indications of Microneedling *117*
- Contraindications *118*
- Principles of Microneedling *118*
- Histopathology *118*
- Instruments *118*
- Procedure of Microneedling *120*
- Postprocedure Care *121*
- Complications *121*
- Advantages *122*
- Disadvantages *122*
- Innovations *123*

10. Platelet Rich Plasma **124**
Swapnil Shah, Sukesh Mathapathi, Gautam Kumar Singh
- Pathophysiology of PRP Therapy *124*
- Preparation of Platelet Rich Plasma *125*
- Basic Principle of PRP Procedure *125*
- Step-wise Technique of Platelet Rich Plasma Procedure *125*
- Techniques of Preparation *125*
- Activation of Platelets *129*
- Techniques of PRP Delivery *129*
- Classification of Platelet Rich Plasma *130*
- Indications of PRP in Dermatology and Esthetics *130*
- Contraindications *132*
- Complications *132*

11. Surgical Treatment of Acne Scars **135**
Imran Majid, Syed Mubashir
- Types of Acne Scars *135*
- Scar Evaluation *135*
- Principles of Acne Scar Treatment *135*
- Procedures Used for Treatment of Acne Scars *136*
- Microneedling *136*
- Laser Resurfacing for Acne Scars *137*
- Subcision *140*
- Punch Techniques *141*
- TCA Cross *143*
- Dermal Grafting *143*

12. Skin Grafting **147**
Savitha AS, Sujala S Aradhya
- Indications *147*
- Steps of Graft Uptake *147*
- Procedure *148*
- Split Thickness Graft *149*
- Full Thickness Graft *153*
- Postoperative Care *155*
- Graft Contraction *155*
- Contraindications *155*
- Complications *155*

13. Scar Revision Techniques **157**
Shilpa K, Biju Vasudevan
- Ideal Scar *157*
- Counseling *157*
- Definition *157*
- Scar Revision Techniques *157*
- General Principles of Scar Revision *157*
- Types of Scar Revision Techniques *160*
- Complications of Scar Revision and Tips to Prevent Them *171*

14. Flap Surgeries **173**
Divya Gorur, Biju Vasudevan, Shilpa K
- Definition *173*
- Classification of Flap Surgeries *173*
- Preoperative Evaluation *174*
- Type of Anesthesia *174*
- Definition of Common Terms Used in Flap Surgery *174*
- Basic Steps of Flap Surgery *174*
- Rotational Flap *175*
- Advancement Flaps *177*
- Rhombic Flap *182*
- Complications of Flap Surgery *184*

15. Surgical Management of Leg Ulcers **187**
Umashankar Nagaraju, Priyanka Agarwal, Anagha Ramesh, Abhilasha MD
- Definition of Chronic Leg Ulcer *188*
- Management of Chronic Leg Ulcer *188*
- Investigations *188*

- General Measures for Management of Common Leg Ulcers *188*
- Surgical Management of Leg Ulcers *188*
- Debridement *188*
- Skin Graft *193*
- Platelet Concentrates *200*
- Flaps *204*

16. Tissue Grafting Techniques in Vitiligo **208**
Koushik Lahiri, Anupam Das
- Principle *208*
- Indications *208*
- Autologous Minipunch Grafting *208*
- Suction Blister Roof Grafting *211*
- Thin Split Thickness Skin Grafting (STSG) *212*

17. Modifications of Tissue Grafting Techniques for Vitiligo **216**
Debjit Kar
- Suction Blister Grafting *216*

18. Cellular Grafting Techniques **220**
Somesh Gupta, Suman Patra, Debdeep Mitra, Akshi Bansal
- Principles of Cellular Grafting for Vitiligo in Brief *220*
- Principle for Using Hair Follicle as Source of Melanocytes *220*
- Types of Cellular Grafting Techniques *221*

19. Modifications of Cellular Techniques for Difficult Vitiligo **236**
Munish Paul
- Challenging Cases *246*

20. Practical Tips for Management of Keloids and Hypertrophic Scars **248**
Sharad Mutalik, Meenaz Khoja
- Principles of Dermatosurgical Management of Keloids *248*
- Modalities for Treatment of Keloids *248*
- Detailed Procedure for Dermatosurgical Management of Keloids *248*

21. Surgical Management of Earlobe Keloids **254**
Govind Mittal, Biju Vasudevan
- Brief Discussion of the Dermatosurgical Procedure Performed for Some Ear Keloids *259*
- Complications *262*
- Prevention of Recurrence of Ear Keloids Postsurgery *263*

22. Earlobe Repair **266**
Nitin Barde
- Principles of the Surgical Procedure *266*
- Surgical Procedure *266*

23. Nerve Biopsy **273**
BM Shashikumar, Divya Gorur, Syed Mubashir, Amrita Hongal
- Indications *273*
- Preparation *273*
- Selection of Biopsy Site *274*
- Biopsy Sample Handling *274*
- Complications *274*
- Sural Nerve Biopsy *275*
- Distal Superficial Radial Nerve Biopsy *278*
- Tips to the Surgery *279*

24. Nail Surgery **282**
Chander Grover, Nirmal B Krishna
- Essential Prerequisites for Nail Surgery *282*
- Common Nail Surgical Procedures *290*
- Complications in Nail Surgery *300*

25. Hair Transplantation: Follicular Unit Transplantation **304**
Vaishalee Kirane, Narendra Patwardhan, Venkataram Mysore
- Principles of FUT *304*
- History of FUT *304*
- Rationale and Features of FUT *304*
- Indications *304*
- Case Selection and Planning *304*
- Preoperative Counseling *305*
- Informed Consent *305*
- Preoperative Assessment *306*
- Procedure of FUT *308*
- Graft Preparation *311*
- Recipient Area *316*
- Implantation (By Slit and Place) *316*
- Preformed Slits and Place *317*
- Implanters *318*
- Postoperative Care *319*
- Complications *319*

26. Hair Transplantation: Follicular Unit Extraction **325**
Aman Dua, Venkataram Mysore, Nirav V Desai
- Definition *325*
- Principle *325*
- Procedure *326*
- Postoperative Dressing and Healing *331*
- Comparison with Strip *332*
- Body Hair Transplant *332*
- Robotic Hair Transplant: Artas® Robotic System *332*
- Complications *332*

27. Hair Transplantation: Modifications for Other Uses **335**
Madura C, Shilpa K
- Scarring/Cicatricial Alopecia *335*
- Moustache, Beard and Sideburn Transplantation *339*
- Eyebrow Transplantation *342*
- Eyelash Transplantation *347*
- Follicular Unit Extraction (FUE) for Vitiligo *350*

28. Eyelash Transplantation **353**
Manas Chatterjee, Shekhar Neema
- Anatomical Considerations *353*
- Indications *353*
- Contraindications *353*
- Types *353*
- Techniques *353*
- Procedure *353*
- Post-Procedure Care *354*
- Complications *355*

29. Blepharoplasty **356**
Tolong K, Shekhar Neema
- Indications *356*
- Surgical Anatomy *356*
- Preoperative Consultation *357*
- Instruments for Blepharoplasty *357*
- Upper Eyelid Blepharoplasty *357*
- Double Eyelid Surgery or Asian Blepharoplasty *360*
- Lower Blepharoplasty *363*

30. Dimple Creation **370**
Salim T, Laila Achampat
- Anatomy of Dimple *370*
- Principle *370*
- Positioning of Dimple *370*
- Surgical Technique *370*
- Postoperative Care *372*

31. Lipobodysculpting **375**
Nilesh Goyal
- History *375*
- Procedure *375*

32. Autologous Fat Transfer **390**
Nilesh Goyal, Nitin Barde
- Indications *390*
- Principles of Fat Transfer *390*
- Basis/Rationale of Fat Transfer *391*
- Preprocedure *392*
- Procedure *392*
- Complications *396*

33. Surgical Management of Hyperhidrosis **400**
Leelavathy B, Eswari L
- Indications for the Procedural Management *402*
- Procedures *402*
- Surgical Procedures *406*
- Local Surgical Procedures *406*
- Liposuction *407*
- Microwave Device *411*

34. Treatment of Hidradenitis Suppurativa **412**
Shekhar Neema, Kumaresan M
- Clinical Features, Diagnosis and Disease Staging *412*
- Treatment *412*

35. Surgeries of Oral Mucosa **417**
Raghunatha Reddy, BM Shashikumar, Savitha AS
- Commonly Performed Procedures on Oral Mucosa *417*
- Principles of Procedures *418*
- Anesthesia *418*
- Vitiligo Surgery Over Lip Mucosa *420*
- Procedures for Mucous Cyst *427*
- Removal of Superficial Growths *429*
- Some Important Considerations in Oral Mucosal Surgery *431*

36. Surgeries of Genitalia **435**
Revathi TN, Lakshmi DV, Divya Gorur
- Anatomy of Male External Genitalia *435*
- Anesthesia *436*
- Simple Surgical Techniques Over Genitalia *437*
- Circumcision *438*
- Frenulectomy/Frenuloplasty *442*
- Preputioplasty *443*
- Local Skin Flaps for Penile/Genital Skin Loss *444*
- Female Genitalia Surgeries *444*

37. Moh's Micrographic Surgery **446**
Vandana Chatrath
- History *446*
- Indications *446*
- Technique *446*
- Tissue Reconstruction *450*
- Postoperative Care *452*
- Complications *452*
- Advantages *453*
- Disadvantages *453*

38. Sclerotherapy **455**
S Sacchidanand, Sujala S Aradhya, Nagesh TS
- Mechanism of Action *455*
- Indications *455*
- Contraindications *455*
- Sclerosants *455*
- Preprocedure Work Up *455*
- Procedure *457*
- Postprocedure Care *458*
- Complications *459*
- Special Techniques of Sclerotherapy *460*

39. Use of Chemicals in Dermatosurgery **462**
Niti Khunger, Shikha Bansal
- Acne Surgery *462*
- Nail Surgery *464*
- Chemosurgery for Viral Infections *466*
- Seborrheic Keratosis, Dermatoses Papulosa Nigra *467*
- Xanthelasma Palpebrarum *467*
- Freckles and Lentigines *468*
- Ear Lobe Repair (Chemical ELR) *469*

40. Cryotherapy **470**
Avitus John Prasad, Shruthi C
- Indications *470*
- Mechanism of Action *470*
- Cryosurgery Equipment *471*
- Cryotherapy Protocol *472*
- Treatment Modalities Using Cryotherapy *473*
- Innovation in Cryotherapy *475*
- Case Handling *480*
- Complications of Cryotherapy *480*
- Contraindications to Cryotherapy *482*

41. Radiofrequency and Electrocautery **484**
Bipin Deshpande
- Fundamentals *484*
- Radiofrequency *484*

42. Lasers in Dermatosurgery: Treatment of Hyperpigmentary Disorders **522**
BS Chandrashekar, Pavan Raj R, Madura C
- Laser Principles *522*
- Epidermal Pigmented Lesions *524*
- Mixed Epidermal/Dermal Pigmented Lesions *526*
- Dermal Pigmented Lesions *528*
- Patient Selection and Preprocedure Evaluation *532*

43. Lasers in Dermatosurgery: Treatment of Hypopigmentary Disorders **538**
BS Chandrashekar, Madura C, Shubhani Saini
- Excimer Laser/Lamp *538*

44. Lasers in Dermatosurgery: Treatment of Vascular Lesions **544**
BS Chandrashekar, Madura C
- Background *544*
- Laser Devices *546*
- Patient Selection and Preoperative Evaluation *547*
- Techniques *547*
- Treatment of Specific Conditions *548*

45. Lasers in Dermatosurgery: Treating Exophytic Lesions **561**
BS Chandrashekar, Madura C, Varsha DV
- Laser Principles: Laser Devices and Laser Tissue Interaction *561*
- Patient Selection *564*
- Preprocedure Preparation *564*
- Anesthesia *564*
- Specific Indications *564*
- Postlaser Instructions *573*
- Sequelae *573*
- Side Effects *573*

46. Lasers in Dermatosurgery: Treating Scars **577**
BS Chandrashekar, Madura C, Sushmitha Jayaprasad
- Prelaser Evaluation *577*
- Postprocedure Care *578*
- Acne Scars *578*
- Hypertrophic Scar and Keloid *581*
- Atrophic Scars *587*
- Lasers for Scar Prevention *587*
- Stretch Marks *589*

47. Lasers in Dermatosurgery: Treating Excessive Hair **592**
BS Chandrashekar, Teena Ramesh, Madura C
- Mechanism of Laser Hair Removal *592*
- Diverse Applications of Laser Hair Removal *593*
- Hypertrichosis and Hirsutism *593*
- Different Hair Removal Devices *596*
- Device Variables *600*
- Treatment Guidelines *600*

- Treatment Technique *601*
- Complications of Laser Hair Removal *603*
- Safety *604*
- During Pregnancy *605*
- Future Directions *605*

48. Lasers in Dermatosurgery: Safety and Complications **607**

BS Chandrashekar, Chaithra Shenoy

- General Safety Measures *607*
- Laser Hair Reduction *607*
- Ablative and Fractional Resurfacing Laser *609*
- Pigment Laser *610*
- Vascular Lasers *612*
- Complications due to Topical Anesthesia *612*
- Ocular Complications due to Lasers *613*
- Laser Safety and Application in Childhood and Pregnancy *613*

49. Lasers: Algorithms **615**

BS Chandrashekar, Madura C, Neelima Ravipati

50. Botulinum Toxin in Dermatosurgery **617**

Shehnaz Arsiwala, Pradeep Kumari, Rasya Dixit, Chaithra Shenoy

- Definition *617*
- Clinical Application of BTX in Dermatology *619*
- Contraindications for BTX Treatment *619*
- Hyperhidrosis *620*
- BTX in Palmar Hyperhidrosis (Off Label Indication) *621*
- BTX in Lichen Simplex Chronicus *622*
- Botulinum Toxin in Scars *622*
- Postherpetic Neuralgia *623*
- Blepharospasm *623*
- Multiple Eccrine Hidrocystoma *625*

51. Fillers in Dermatosurgery **626**

Rasya Dixit, Harish Prasad, Chaithra Shenoy

- Definition *626*
- Types of Fillers *626*
- Principle of Fillers *626*
- General Technical Considerations for Dermal Fillers *628*
- Needles versus Cannula *631*
- Complications and Their Prevention *632*
- Specific Indications for Fillers *632*

52. Micropigmentation **637**

Amit Kerure, Satish Udare, Madhulika Mhatre

Index *647*
