Contents

1. Nature, Structure, Impact, and Science of Cyberspace 1
Mary Aiken, Sushil Gawande
What is Cyberspace: Definition of Cyberspace with Reference to the Current Science *1* Relationship Between Cyberspace and the Real World *2* Human Behavior in Cyberspace *3* Cyberspace is a Real Place *5* Societal Change in Cyber Contexts *5* Cybertherapy (Artificial Intelligence and E-therapy) *8* The Environment of Cyberspace: Precautionary Principle *10* The Future: Cyberspace and Cyberpsychiatry *11*

2. Human Development in the Age of Cyberspace 15
Savita Malhotra, Ruchita Shah
Growing up in the Cyberage *15* Cyberspace as an Environment (A Potential Influencer of Development) *17* Impact of Cyberage on Development *18* Growing up in Cyberage: Both a Boon and Bane! *24*

3. Impact of Cyberspace on Social Structure and Dynamics 29
Ragul Ganesh, Siddharth Sarkar
Social Media *30* Social Networking Sites *30* Virtual Life *31* Social Structure and Social Change *32* Internet: Double-edged Sword *33* Impact on Interaction *34* Family Dynamics *35* Cyberbullying *35* Social Media Relationships *35*

4. Cyberspace: The Good, the Bad, and the Ugly 39
Mohan Sunil Kumar, Sharmitha Krishnamurthy, Nitya Dhruve
The Reach and Power of Cyberspace *40* Cyberspace: The Good, the Bad, and the Ugly *41* Impact of Cyberspace on Wellbeing *48* The Baits and Nudges of Cyberspace *48* Why do People Misbehave Online? *49*

5. Addictions to Cyberspace-I: Online Porn, Shopping, Gaming and Gambling 52
Rachna Bhargava, Preethy Kathiresan, Yatanpal Singh Balhara
Prevalence *53* Impact *54* Management *55* Specific Online Addictions *55*

6. Addictions to Cyberspace—Part Two 68
Shinjini Choudhury, Vijay Krishnan, Pravin Dullur
Social Media Addiction *69* Stock Trading Addiction *72* Offline Addictions *74*

7. Other Cyber-linked Pathologies 80
Sujit Kumar Kar, Abhinav Tewari, Prashant Choudhary
Cyberchondria *81* Munchausen by Internet *82* Cyberstalking *85* Revenge Porn *86* Webcam Sex Tourism (WST)/Webcam Child Sex Tourism (WCST) *88* Cyberbullying *91* Digital Self-harm *93* Attention Deficit Hyperkinetic Disorder due to Excessive Screen Use *93* Other Emerging Cyber-Pathologies *96*

8. Epidemiological Perspectives on Cyber-linked Behavior 101
Vikas Menon, Karthick Subramanian, Jayant Mahadevan
Prevalence and Risk Factors for Cyber-linked Behaviors *102* Epidemiological Data from India on Cyber-linked Behaviors *109* Psychiatric Comorbidity in Cyber-linked Behaviors *109* Health Consequences of Indulgence in Cyber-linked Behaviors *112* Scope for Future Research 115

9. Assessment for Pathological Internet Use ("Internet Addiction")..... 121
Prabhat Chand, Shabina Sheth
Assessment *122*

10. Management Principles of Cyber-psychiatric Disorders in Clinical Setting 131
Vivek Kirpekar, Abhijeet Faye
Cyber-psychiatric Disorders *132* Current Literature on Management *133*

11. Prevention of Internet-related Disorders 144
Sudhir Bhave, Neha Bhave Salankar
Identifying High-risk Groups *144* Prevention Programs *146* Program Characteristics *147* Where to Target Interventions *147* Prevention of Nonaddiction Internet use Disorders *149*

12. Forensic Aspects of Cyberpsychiatry 153
Avinash De Sousa
Status of the Forensic Aspects of Cyberpsychiatry *153* Forensic Aspects of Online Psychotherapy *154* Forensic Aspects of Cyberbullying and Cyberstalking *155* Forensic Aspects of Online Psychiatric Consultation and Prescription *155* Forensic Aspects of Pornography Addiction *156* Forensic Aspects of Cybersuicide *157* Forensic Aspects of Cybercrimes *158* Forensic Aspects of Cyberstalking *158* Forensic Aspects of Smartphone Addiction *159* Forensic Aspects of Online Sexual Predators and Pedophilia *160* Forensic Aspects of Online Designer Drugs *160* Conclusions and the Future of Forensic Cyberpsychiatry *160*

13. Research Methodology in the Digital Era 163
Koushik Sinha Deb, Nishtha Chawla
Accessing Digital Data for Research *164* Digital Data Organization for Research *167* Digital Data Summarization *167* Web-based Digital Primary Data Collection *169* Digital Research Tools for Mental Disorders *169* Digital Data Analysis *171*

14. Utilizing Cyberspace for Telemental Health Services: An Overview 176
Debanjan Banerjee, Vyjayanthi N Venkataramu, TS Sathyanarayana Rao
An Introduction to Cyberspace and Cybermedicine *176* Telemental Health: Scope and Provisions *178* The Promises of Telemedicine *178* Telepsychiatry: an Overview *179* Lessons from the Covid-19 Pandemic: Telemedicine Model from China *185* Telepsychiatry Guidelines: A Collaborative Initiative of NIMHANS, IPS, and Telemedicine Society of India *186* Evidence and Challenges for Telepsychiatry *187* Novel Approaches of Telepsychiatry: Beyond Diagnosis and Pharmacotherapy *191*

15. Future of Cyberpsychiatry: The Paths Ahead 199
Vyjayanthi N Venkataramu, Debanjan Banerjee, TS Sathyanarayana Rao
Cyberspace and Psychiatry: Our Understanding so Far *199* Potential Mental Health Issues Related to the Overuse of Cyberspace *200* Family/Social Relations and Internet Use *203* Cyberspace and Identity Formation *204* Enslavement by Technology *205* A Perspective on the Post-pandemic Digitalization *206* The Future of Online Therapies *207* Artificial Intelligence in Psychiatry: A Novel Arm *208*
