Contents

Section 1: Information

1. Body/Brain Structure and Systems of Functioning **3**
- ❑ Brain 3
- ❑ Vertebral Column 9
- ❑ Spinal Cord 11
- ❑ Peripheral Nervous System 20
- ❑ Muscular System 22

2. Biomechanics of the Spine **24**
- ❑ Biomechanics 24
- ❑ Pathomechanics 27

3. Health Highlights **30**
- ❑ Body Mass Index 30

4. Medical Science Dimensions **32**
- ❑ History of Physical and Rehabilitation Medicine 34
- ❑ Impairment-Disability-Handicap 37

5. Rehabilitation Medicine Science Dimensions **39**
- ❑ Differences between the IBR and CBR 42

Section 2: Investigations (Causes, Signs and Symptoms, Classifications and Investigations)

6. Causes of Spinal Cord Injury **45**
- ❑ Traumatic 45
- ❑ Nontraumatic 47

7. Signs and Symptoms of Spinal Cord Injury **48**
- ❑ Spinal Shock 48
- ❑ Neurogenic Shock 49

8. Classifications of Spinal Cord Injury **51**
- ❑ Frankel's Scale 51
- ❑ ASIA Scale 51
- ❑ Nurick Scale 54

9. Level of Lesion and Dysfunction **56**
- Cervical 56
- Thoracic 56
- Lumbosacral 57

10. Sexuality in Spinal Cord Injury **58**
- Male Sexuality 58
- Male Fertility 60
- Urinary and Fecal Incontinence 60
- Female Sexuality 61
- Female Fertility 61
- Birth Control 62
- Pregnancy 62

11. Clinical Syndromes **63**
- Central Cord Syndrome 63
- Anterior Cord Syndrome 64
- Brown-Sequard Syndrome 64
- Posterior Cord Syndrome 65
- Cauda Equina Syndrome 65
- Sacral Sparing 65
- Conus Medullaris Syndrome 66
- Investigations 66

Section 3: Implementations (Management)

Part 1: Survival Stage

12. Prevention Plans **71**
- Occupational Hazards 71

13. Prehospital Care **75**
- At the Site and during Transportation 75
- Transportation from Site to Service Center 75

14. Emergency Room Care **78**
- Medical Science Services 78
- Blood Pressure 78
- Temperature 79
- Bladder 79
- Bowel 79
- Infrastructural Support Services at Rehabilitation Set Up 80
- Orthopedic Services 81

15. Nursing Services **87**
- Pressure Sore Prevention 88

- ❑ Bedsore/Pressure Ulcer (Decubitus Ulcer-Pressure Sore) Management 89
- ❑ Assessment of Bedsore 90
- ❑ Bladder Care 98
- ❑ Bowel Care 99

16. Physiotherapy in the Intensive Care Unit 100
- ❑ Pulmonary Function Test 102
- ❑ Physio Treatment in Intensive Care Unit 103

Part 2: Settlement Stage

17. Rehabilitative Medicine Services 111
- ❑ Customer Care Aspect 111
- ❑ Ethics and MedicoLegal Issues 111
- ❑ Rehab Measures for Indoor Patients 112

18. Day Cycle Concept 113
- ❑ Day Cycle with Whole Day Rehabilitation Program 114

19. Cautious Care to Avoid Complications 116
- ❑ Autonomic Dysreflexia 116
- ❑ Postural (Orthostatic) Hypotension 117
- ❑ Pressure Sore-Pressure Ulcer 118
- ❑ Deep Vein Thrombosis 118
- ❑ Pneumonia 119
- ❑ Aspiration 119
- ❑ Depression 119
- ❑ Pain and Dysesthesia 121
- ❑ Urinary Tract Infection 121
- ❑ Renal Calculi (Kidney Stone) 121
- ❑ Heterotopic Ossification 122
- ❑ Osteoporosis and Fractures 122
- ❑ Spasticity 122
- ❑ Cardiovascular Disease 123
- ❑ Hyper-/Hypo-thermia 123

20. Morbidity and Mortality 124

21. Clinical Psychological Counseling Services 125
- ❑ Counseling 126
- ❑ Family Adjustment 127
- ❑ Family Support 127

22. Patient's Partner or Caregiver's Services 128
- ❑ Caring the Caregiver 128

23. Student's Support Services 130

24. Physiotherapy Services **131**

25. Physiotherapy in the Ward **133**
- Evaluation 133
- Education 134
- Treatment 134

26. Physiotherapy in the Department **135**
- Programs in Physiotherapy Department 135
- Gait Training (GT) 141

27. Allied Sciences/Alternative (Complementary) Medicine **145**
- YOGA (Asana-Pranayama-Meditation): A Scientific Explanation 145
- Seven Chakras of the Subtle Body 146
- Kundalini Awakening 148
- Kapalbhati Pranayama 148
- Anulom-Vilom Pranayama 149
- Meditation 149
- Sun Salutation (Surya Namaskar) 150
- Ayurveda 150
- Naturopathy 151
- Homeopathy 152
- Acupressure/Reflexology 152
- Acupuncture 153
- Magnetotherapy 153
- Astrology-Horoscope-Zodiac Signs-Tarot/Psychic-Reading 153

28. Speech Pathology and Audiology Services **154**
- Dysphasia (Aphasia) 154
- Dysphagia 155

29. Occupational Therapy Service in the Ward and in the Department **156**
- Occupational Therapy in the Ward 156
- Occupational Therapy in the Department 158

30. Orthotic Services **160**
- Procedure 160
- Benefits 162
- Wheelchairs 163
- Care of the Orthotics 165

31. Medical Social Worker's Services **166**
- Social and Family Problems of SCI 167
- Steps Towards Universal Designs 167
- Role of NGO 169
- Celebration of Events 169

32. Sexual Alternatives for Patients and Partners **171**

33. Vocational Counseling and Vocational Resettlement Services **174**
- Vocational Testing and Vocational Training 174
- Vocational Problems of Spinal Cord Injury 174

34. Discharge Plan **176**
- Barthel Index 176
- Functional Independence Measure 177
- Spinal Cord Independence Measure 178
- Walking Index for Spinal Cord Injury 179

35. Follow-up Care—A Lifelong Care **180**
- SCI Safari Program 180

36. Rehabilitation: Resources and Rhythm for Spinal Cord Injury in USA **182**
- Transportation of Patients with Spinal Cord Injury 182
- Emergency Room Management of Spinal Cord Injury 182
- How are Spinal Cord Injuries Classified? 183
- Causes of SCI in US (Traumatic Causes) 183
- Emergency Management 186
- Stabilization 186
- Neuroprotection 186
- Respiratory 188
- Stem Cell Treatment for Spinal Cord Injury 188
- Rehabilitation 189
- What Research is Being Done? 191
- Regeneration 193

Section 4: Recent Research (SCI—Past, Present, Future)

37. Recent Research **203**

38. Synthesis of Science with Spirituality **205**

39. Success Stories (Local): India **207**
- Shri Mukund Rai N Pandya 207
- Madhvi Rameshbhai Pandya 209
- Mrs Premilaben Tejabhai Ahir 209
- Mrs Aminaben 211
- Mr Rajesh Khumansinh Rathod 212
- Mrs Bhavna Rajesh Padia 213

40. Success Stories (Global): International Personalities 215
- Dr Ted Rummel 215
- Franklin D Roosevelt 215
- Stephen Hawking 216
- Christopher Reeve 217

Multiple Choice Questions (MCQs) *218*

Information of Some Spinal Cord Injury Centers *229*

Bibliography *231*

Index *239*
