Contents

1. Anatomy **1**

Key Points 1
MCQs with Short Explanations 6
Answers with References 71
Practice Questions 80
Image-Based Questions 85
MCQ Points 88

2. Physiology **93**

Key Points 93
MCQs with Short Explanations 96
Answers with References 171
Practice Questions 180
Image-Based Questions 183
MCQ Points 185

3. Biochemistry **189**

Key Points 189
MCQs with Short Explanations 192
Answers with References 259
Practice Questions 267
Image-Based Questions 269
MCQ Points 271

4. Pathology **273**

Key Points 273
MCQs with Short Explanations 277
Answers with References 363
Practice Questions 370
Image-Based Questions 374
MCQ Points 377

5. Microbiology **381**

Key Points 381
MCQs with Short Explanations 385
Answers with References 442
Practice Questions 447
Image-Based Questions 450
MCQ Points 452

6. Parasitology **459**

Key Points 459
MCQs with Short Explanations 460
Answers with References 479
Practice Questions 480
Image-Based Questions 481
MCQ Points 484

7. Pharmacology **485**
Key Points 485
MCQs with Short Explanations 489
Answers with References 549
Practice Questions 556
Image-Based Questions 559
MCQ Points 562

8. Forensic Medicine **568**
