Contents

SECTION 1: GENERAL PRINCIPLES

1. **General Principles of Fractures** 3
2. **General Principles of Dislocation** 27

SECTION 2: INJURIES OF UPPER LIMB

3. **Shoulder, Clavicle and Arm** 37
   - **Anterior Shoulder Dislocation** 38
   - **Posterior Fracture Dislocation** 46
   - **Clavicle Fracture (Child)** 58
   - **Clavicle Fracture (Adult)** 62
   - **Undisplaced Fracture Proximal Humerus** 67
   - **Implant Removal Humerus** 73
4. **Elbow Injuries** 83
   - **Medial Epicondyle Fracture** 84
   - **Posterolateral Dislocation Elbow** 89
   - **Supracondylar Fractures of Humerus** 96
   - A. Greenstick Supracondylar—Conservative Care .. 96
   - B. Displaced Supracondylar—Operative Care 102
5. **Forearm Bone Fractures** 117
   - **Both Bones Forearm** 118
   - A. At the Level of Junction of Middle and Lower Third 120
   - B. Both Bones Middle Third 126
   - C. Complete Fracture Both Bones Lower Third 132
   - D. Distal Forearm Both Bones Fracture 136
   - E. Greenstick Both Bones Forearm Fracture (Pin Point Compound) 142
   - F. Greenstick Fracture Both Bones Forearm (Taurus Fracture) 148

G. Greenstick Both Bones in an Older Child (Upper and Middle Third) 151
Olecranon Fracture (Greenstick Variety) 157
Radius fracture 163
A. Radial Head Fracture 163
B. Greenstick Fracture Radius (Lower End) 167
C. Lower Radius 171
Ulna Fracture 176
A. Night Stick Fracture 176
B. Fracture Ulna (Lower End) 182
C. Fracture Head of Ulna 186
6. Common Wrist Injuries and Swelling 191
Barton's Fracture 192
A. Volar Barton's Fractures 193
a. Conserative Care 193
b. Operative Care 196
B. Dorsal Barton's Fracture 201
Radial Styloid Process Fracture 205
A. Conservative Care 207
B. Pins and Plaster 210
Colles' Fractures 215
A. Undisplaced Fracture (Colles Cast) 218
B. Displaced Fracture (Percutaneous Fixation) 224
Taurus Fractures 233
Ganglion Excision 237
7. Hand Injuries 243
Phalangeal Injuries 244
A. Base of Proximal Phalanx 246
B. Compound Proximal Phalanx Fracture 248
C. Dislocation of PIP Joint 254
D. Fracture Middle of the Proximal Phalanx Finger Strapping 257

E. Middle Phalanx—Pin Point Compound 258
F. Ipsilateral Finger Fractures Operative Care ... 264
Metacarpal Injuries 273
A. Metacarpal Neck Fracture 274
B. Metacarpal Shaft Fracture (Pin Point Compound) 277
C. Metacarpal and Phalangeal Greenstick Fractures (Ipsilateral) 286
Thumb Injuries 291
A. Undisplaced Fracture 292
B. Displaced Fracture 295
C. Avulsion Fracture and Sesamoid Bone Fracture of the Thumb 301
Kaplan's lesions 305
A. Conservative 306
B. Operative 314
Crush injuries of the hand 316
A. Crush Injury Finger-Primary Repair 317
B. Crush Injury Ring Finger-Autografting 320
C. Finger Reimplantation 325

SECTION-3: INJURIES OF THE LOWER LIMB

8. Hip Injuries **337**
Fracture Neck Femur (Intra-Capsular) 338
A. AMP Prosthesis 338
Fracture Neck Femur (Extra-Capsular) 358
Greater Trochanter Fracture 360
A. Hip Spica Application (in a Child) 360
B. DHS in Adults (Dynamic Hip Screws) 368
Posterior Dislocation of the Hip 376
9. Thigh and Knee Injuries **383**
Soft Tissue Injuries 384
Traumatic Synovitis 384

Soft Tissue Injury knee 385
Soft Tissue Injury right Thigh 388
Fracture Shaft Femur 398
10. Leg Injuries 409
Conservative Care 410
A. Both Bones Leg—Closed Reduction and Above Knee Cast (Pin Point Compound) 411
B. Fibula Fracture Cylindrical Cast 418
C. Taurus Fracture Tibia 421
D. Proximal Tibia Fracture 426
E. Undisplaced Tibial Fracture (Above Knee Cast) 435
Operative Care 440
A. Ipsilateral Tibial Shaft and Condyle Fracture 442
B. Tibial Shaft Fracture (Interlocking Nailing) ... 459
C. Lateral and Posterior Malleolar Fracture 470
D. Lateral Tibia Condyle Surgery (Comminuted) 482
E. Nonunion Tibia 486
F. Pin and Plaster for Fracture Tibia 507
G. Epiphyseal Compound Injury Tibia 516
11. Ankle Injuries 525
Conservative Care 526
A. Ankle Sprain (Below Knee Slab) 526
B. Undisplaced Medial Malleolar Fracture 534
Operative Care 538
A. Fracture Medial Malleolus and Fracture Lower End of Fibula 538
B. Pylon Fracture 556
12. Foot Injuries 571
Heel Injuries 572
A. Calcaneal Fracture (Extra-articular) 572

B. Displaced Heel Fracture—Closed Reduction and Plaster 576
C. Intra-articular Calcaneal Fracture—Displaced 580
Metatarsal Injuries 584
A. Jones Fracture (Boot Plaster) 584
B. Metatarsal Fracture (Below Knee Slab) 589
C. Metatarsal Fracture (Boot Knee Cast) 596
D. Multiple Metatarsal Fractures 599
Phalangeal Injuries 602
A. Buddy Taping 603
B. Toe Fracture—K Wire Fixation 606
C. Compound Great Toe Injury 608
Complicated Foot Injuries 614
A. Degloving Injury Foot 614
Stage I Thorough Debridement 614
Stage II Sural Artery Flap 621
Follow-up 633
B. Chronic Foot Ulcer Debridement 635
