Contents

Section 1: History and Epidemiology

1. Historical Aspects of Hypertension 3
   M Gowri Sankar
2. Hypertension Epidemiology in 21st Century India: High Prevalence and Low Control Paradigm 10
   Rajeev Gupta

Section 2: Overview of Risk Factors in Hypertension: Old and New

3. Social Determinants of Hypertension Treatment and Control in India 25
   Rajeev Gupta, Shreya Gupta

Section 3: Etiological and Pathophysiological Aspects (Pathogenesis)

4. Overview of Various Pathogenic Mechanisms in Essential Hypertension 39
   Chandni Radhakrishnan, Jinu Johnson
5. The Renin–Angiotensin–Aldosterone System 45
   Mangesh Tiwaskar

Section 4: Molecular Basis of Hypertension

6. Role of Cell Membrane (Red Blood Cells and Platelets) in Essential Hypertension 57
   Amit A Saraf, Viplav Deogaonkar
7. Matrix Metalloproteinases and the Extracellular Matrix 61
   B Khandelwal, Chamma Gupta
8. Arterial and Venous Function in Hypertension (Mitochondrial) 69
   T Ravikumar
9. Role of Calcium Channel in Hypertension 76
   E Dhandapani

10. Role of Cytokines and Inflammation in Hypertension 82
JPS Sawhney, Prashant Wankhade, Simran Sawhney

11. Natriuretic Peptides in Hypertension 89
Tiny Nair

12. Multiple Roles of Eicosanoids in Blood Pressure Regulation 94
Mrinal Kanti Das

Section 5: Accuracy of Blood Pressure Measurements

13. Importance of Out-of-office Blood Pressure Monitoring 105
Ravi R Kasliwal, Anusha Singh

14. Correct Methodology of Blood Pressure Measurements 111
Shraddha More, Milind Y Nadkar

15. Central Aortic Blood Pressure: An Overview 119
Rohit Kapoor

Section 6: Evaluation of Hypertension

16. Hypertension: Clinical Approach 129
M Chenniappan

17. Hypertension: ECG in Decision Making 137
M Chenniappan

18. Imaging Studies in Hypertension 155
Alpa Hemant Bharati

Section 7: Target Organ Damage: Evaluation and Clinical Importance

19. Hypertensive Retinopathy 163
Ashraya Nayaka TE, Jatinder Singh, Ramamurthy D

Section 8: Special Conditions and Situations

20. Hypertensive Crises 171
Pritam Gupta, Sunita Aggarwal, Gayathri Ranie AP

21. Difficult to Control Hypertension (Resistance, Pseudoresistance, and Malignant Hypertension) 177
NN Anand

22. Hypertension in Children and Adolescents 184
Divya Saxena

23. Hypertension in Pregnancy 195
AN Rai, Mritunjay Kumar Singh

24. Metabolic Syndrome and Hypertension 200
Anandakumar Amutha, Rajendra Pradeepa, V Mohan

25. White Coat Hypertension and Masked Hypertension 207
Sasidharan PK, Arathi N

26. Perioperative Hypertension 221
Dev B Pahlajani

27. Hypertension in Elderly 227
Jyotirmoy Pal, Uddalak Chakraborty, Tanuka Mandal, Tarun Kumar Paria, Purbasha Biswas

28. Blood Pressure Variability and Target Organ Damage 234
NR Rau, Shivashankara

Section 9: Secondary Hypertension

29. Management of Hypertension in Chronic Kidney Disease 249
Sankar D Navaneethan

30. Hypertension in Patients with Renal Parenchymal Disease, Chronic Renal Failure, and Chronic Dialysis 256
Narinder P Singh, Anish K Gupta, Gurleen Kaur

31. Primary Hyperaldosteronism and Other Mineralocorticoid Hypertension 265
Minal Mohit

32. Catecholamines, Hypertension, and Pheochromocytoma—Genomic Insights 277
Kalyani Sridharan, Riddhi Das Gupta, Nihal Thomas

33. Coarctation of Aorta 287
Suresh T Yavagal

34. Hypertension due to Central Nervous System Dysfunction 290
K Mugundhan

35. Sleep Apnea and Hypertension 296
Vasili Pradeep, Alladi Mohan

Section 10: Therapeutic Aspects: Pharmacologic and Nonpharmacologic Interventions

36. Nonpharmacological Interventions in Hypertension and their Impact 303
KK Pareek, Saket Goyal

37. Role of Yoga in Hypertension 309
SC Manchanda, Kushal Madan

38. Diuretics and Hypertension 318
Anita Jaiswal Ektate, Neeta Rajram Narang, Virendra KR Chauhan

39. Beta-blockers in Hypertension 326
Chandrasekhar Valupadas

40. Angiotensin-converting Enzyme Inhibitor in Hypertension 334
Bhivaji R Bansode

41. Angiotensin Receptor Blocker—Newer Insights 346
Nihar Mehta, Saurabh Dhariya

42. Alpha Blockers: Role in Hypertension 352
Dilip A Kirpalani

43. Centrally Acting Antihypertensive Agents 356
Girish Mathur, Ashutosh Chaturvedi, Divyansh Mathur

44. Direct Vasodilators in Hypertension 364
Rajib Ratna Chaudhary

45. Combination Therapy in Hypertension 368
BA Muruganathan

46. Interactions between Antihypertensive Drugs and Other Medications 380
Sekhar Chakraborty

47. Hypertensive Heart Disease 386
Pradip Sarkar, Soumitra Kumar

48. Hypertension and Diabetes: Treatment Aspects 392
Siddharth N Shah

49. Brain and Hypertension 399
Harish Jayakumar, Bhanu Kesavamurthy, Avathvadi Venkatesan Srinivasan, Sujatha Sudarsan

50. Pediatric and Adolescent Hypertension 406
V Padma

51. Emerging Antihypertensive Drugs 413
Santanu Guha, Sidhartha Mani

52. Concordance and the Treatment of Hypertension 420
Michaela M Watts, Fraz A Mir

Section 11: Genetics and Hypertension

53. Genetic Approaches to Hypertension: Relevance to Human Hypertension 433
Barjinderjit K Dhillon, Chirag Uppal, Ramanpreet Kaur, Renu Moti Pandita, Navjot Bajwa, Gurpreet S Wander

Section 12: Interventional Interventions in Hypertension

54. Renal Denervation and Hypertension 441
VT Shah

55. Baroreceptor Stimulation and Hypertension 449
Anjan Lal Dutta, Soumik Chaudhuri

56. RhoA/Rho—Kinase Signaling Pathway in Vascular Smooth Muscle Contraction: Biochemistry, Physiology, and Pharmacology 457
R Rajasekar, Packiamary Jerome, Ananthi Mathiyalagan

Section 13: Guidelines and Meta-analysis

57. Comparison of Various Guidelines in Hypertension—Which is Best for India? 463
Jagdish C Mohan

58. "Meta-analysis in Hypertension" What We have Learnt and What We have to Learn? 471
SS Iyengar

Section 14: Miscellenous

59. How to Organize and Run a Hypertension Clinic 481
Sadanand R Shetty

60. Dilemmas in Hypertension Management 487
YP Munjal, Niharika Aggarwal, Ghan Shyam Pangtey

61. Natural History of Hypertension **493**
BC Kalmath

62. Lipid and Hypertension **496**
Raman Puri

63. Role of Vitamin D3 and Hypertension **505**
RK Jha, Ashish Mishra, Kamlesh Patidar, Akash Singh

64. Creating Effective Delivery Systems for Hypertension Control **510**
Marc G Jaffe, Norm RC Campbell, Pedro Ordunez, Sonia Y Angell, Donald J DiPette

Index **517**
