Contents

Section One: General

1. **Genital Tuberculosis—An Overview** 3
   Gita Ganguly Mukherjee, Bhaskar Pal

2. **Global and Indian Scenario of Tuberculosis, with Special Reference to Genital Tuberculosis** 11
   D Behera

3. **Etiopathology of Female Genital Tuberculosis** 18
   Manish Pradhan, Bulbul Raichaudhuri

4. **Tuberculosis of Lower Genital Tract—Cervix, Vulva and Vagina** 23
   Arup Kumar Majhi, Subrata Lall Seal, Debdutta Ghose

5. **Genital Tuberculosis—Ovarian Function and Endometrial Receptivity** 27
   BN Chakravarty

6. **Genital TB Leads to Infertility—How?** 43
   Ameet Patki, Shashikant M Umbardand, Manisha Joshi

7. **Genital Tuberculosis and Male Infertility** 47
   Vijay Kulkarni

Section Two: Clinical Features

8. **Clinical Presentations of Genital Tuberculosis** 57
   Saswati Sanyal Choudhury, Gokul Chandra Das, Alaka Goswami

9. **Importance of Abdominal Pain in Genital Tuberculosis** 62
   Jyotirmay Chaudhuri

10. **Genital Tuberculosis among Adolescents** 67
    Hema Diwakar, Parag Biniwale

11. **Genital Tuberculosis can Mimic many Conditions** 72
    Sukumar Barik, Narayan Jana, Nalini Arora

Section Three: Diagnosis

12. **Dilemmas in Diagnosis of Female Genital Tuberculosis** 83
Suneeta Mittal, Jai B Sharma

13. **Modern Microbiological Diagnostic Methods in Genital Tuberculosis** 92
Sankar Sengupta, Subir Kumar Dutta

14. **Role of PCR in Diagnosing Genital TB** 98
Shobha Chakraborty, Nibedita Chakraborty Hazari

15. **HSG in Genital Tuberculosis** 104
Himanshu Roy

16. **Genital Tuberculosis and the Role of Diagnostic Curettage** 109
Hiralal Konar, Piclu Choudhury, Mousumi De Banerjee

17. **Laparoscopy and Hysteroscopy in Genital Tuberculosis** 112
Veena Acharya, Anju Taly, Seema Sharma

Section Four: Management

18. **Medical Management of Genital Tuberculosis** 123
SN Tripathy, (Mrs) SN Tripathy

19. **Surgical Treatment in Female Genital Tuberculosis** 131
Nirmala Saxena, Usha Sharma

20. **IVF and Tuberculosis** 135
Sonia Malik

21. **Gestational Surrogacy in Genital Tuberculosis** 141
Jayeeta Samanta, SK Goswami, Gita Ganguly Mukherjee, BN Chakravarty

22. **Female Genital Tuberculosis and Pregnancy** 155
Narayan Jana, Nalini Arora, Sukumar Barik

Section Five: Prevention

23. **Current Concepts for Prevention and Treatment of MDR and XDR Tuberculosis** 165
Rajendra Prasad

24. **Looking into the Future of Genital Tuberculosis** 171
(Mrs) SN Tripathy, SN Tripathy, AK Sarkar
