Contents

SECTION 1

HISTORICAL PERSPECTIVE

Chapter 1. Evolution of Refractive Surgery 3
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal

- The Past: A Historical Overview of Refractive Surgery *3*
- The Present: Current Trends in Refractive Surgery *5* • The Future of Refractive Surgery *5*

SECTION 2

PREOPERATIVE WORKUP AND DECISION MAKING

Chapter 2. Corneal Wound Healing in Keratorefractive Surgery 11
Sridevi Nair, Harika Regani, Manpreet Kaur, Jeewan S Titiyal

- Anatomy of the Cornea *11* • Corneal Wound Healing Following Surface Ablation *11*
- Corneal Wound Healing Following LASIK *13* • Corneal Wound Healing Following SMILE *14*
- Clinical Relevance of Corneal Wound Healing after Keratorefractive Surgery *15*

Chapter 3. Corneal Topography 18
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal

- Keratometry *18* • Keratoscopy *18* • Elevation-based Topography Systems *23*
- Color LED Ray Tracing Topography *31*

Chapter 4. Corneal Biomechanics 33
Saurabh Verma, Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal

- Corneal Biomechanics and Refractive Surgery *33* • Corneal Biomechanical Assessment *33*
- Limitations and Future Directions *40* • Emerging Technologies *40*

Chapter 5. Aberrometry and Wavefront Analysis 42
Anand Singh Brar, Manpreet Kaur, Sridevi Nair, Jeewan S Titiyal

- Lower- and Higher-order Aberrations *42* • Wavefronts *43* • Zernike Polynomials *44*
- Aberrometry *44* • Importance in Refractive Surgery *46* • Future Developments *50*

Chapter 6. Posterior Segment Screening and Refractive Surgery 52
Priyanka, Brijesh Takkar, Manpreet Kaur, Jeewan S Titiyal

- Preoperative Posterior Segment Screening *52*
- Postrefractive Surgery Vitreoretinal Complications *54*

Chapter 7. Preoperative Evaluation, Patient Counseling, and Decision Making 58
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal

- Clinical History *58* • Clinical Examination *60* • Decision Making *62*
- Patient Counseling *65*

SECTION 3

CORNEAL ABLATIVE PROCEDURES

Chapter 8. Surface Ablation 71
Neelam Runda, Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Patient Selection *71* ♦ Surgical Techniques *71* ♦ Excimer Laser Ablation *74*
♦ Outcomes *75* ♦ Complications *76*

Chapter 9. Complications of Surface Ablation 78
Manpreet Kaur, Sridevi Nair, Jeewan S Titiyal
♦ Postoperative Pain *78* ♦ Corneal Haze *78* ♦ Delayed Epithelial Healing *81*
♦ Epithelial Flap-related Complications *81* ♦ Glare and Halos *81* ♦ Decentered Ablation *81*
♦ Central Islands *82* ♦ Corneal Infiltrates *82* ♦ Infectious Keratitis *82* ♦ Ectasia *82*
♦ Dry Eyes *82* ♦ Raised Intraocular Pressure *82*

Chapter 10. Laser-assisted in Situ Keratomileusis 84
Anubha Rathi, Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Indications and Patient Selection *84* ♦ Lasik Flap Creation *84*
♦ Excimer Laser Ablation *90* ♦ Clinical Outcomes *92*

Chapter 11. Complications of Flap-Based Corneal Ablation 94
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal
♦ Intraoperative Complications *94* ♦ Postoperative Complications *100*

Chapter 12. Customized Corneal Ablation 111
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal
♦ Classical Ablation Profiles and Need for Customization *111* ♦ Customized Corneal Ablation Profiles *111*
♦ Wavefront-optimized Ablation *111* ♦ Wavefront-guided Ablation *114*
♦ Topography-guided Ablation *116* ♦ Aspheric or Q Factor Adjusted Ablation Profile *119*
♦ Ray Tracing-based Ablation *119*

SECTION 4

SMALL INCISION LENTICULE EXTRACTION

Chapter 13. Small Incision Lenticule Extraction 125
Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Evolution of Refractive Lenticule Extraction *125* ♦ Patient Selection *125*
♦ Machine and Laser Settings *126* ♦ Surgical Technique *129*
♦ Outcomes *132* ♦ SMILE for Astigmatism *132* ♦ SMILE for Hyperopia *132*

Chapter 14. Complications of Small Incision Lenticule Extraction 135
Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Intraoperative Complications *135* ♦ Postoperative Complications *141*

SECTION 5

LENS-BASED REFRACTIVE SURGERIES

Chapter 15. Phakic Intraocular Lenses 151
Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Types of Phakic IOLs *151* ♦ Preoperative Evaluation and Case Selection *155*
♦ Surgical Techniques *157* ♦ Postoperative Assessment of Vaulting *158* ♦ Outcomes *159*

Chapter 16. Complications of Phakic Intraocular Lenses.....161
Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Intraoperative Complications *161* ♦ Postoperative Complications *162*

SECTION 6
ENHANCEMENTS AND RETREATMENTS

Chapter 17. Retreatment after Corneal Laser Ablation 173
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal
♦ Incidence *173* ♦ Indications *173* ♦ Risk Factors *173*
♦ Preoperative Evaluation and Decision Making *174* ♦ Surgical Techniques of Retreatment *175*
♦ Outcomes *177*

Chapter 18. Retreatment after SMILE 179
Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Incidence *179* ♦ Risk Factors *179* ♦ Management *179*

SECTION 7
PRESBYOPIA

Chapter 19. Refractive Surgery for Presbyopia: An Overview.....187
Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Cornea-based Refractive Surgical Procedures *187* ♦ Lens-based Approach for Presbyopia Correction *189* ♦ Sclerociliary Complex Based Procedures for Presbyopia *192*

Chapter 20. Presbyopic Excimer Laser Ablation 193
Sana Tinwala, Manpreet Kaur, Sridevi Nair, Jeewan S Titiyal
♦ Patient Selection *193* ♦ Corneal Approach to Presbyopia Correction *194*
♦ Multifocal Laser Vision Correction *194* ♦ Laser-blended Vision *197* ♦ Counseling *198*

Chapter 21. Corneal Inlays 200
Sana Tinwala, Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Corneal Inlays *200* ♦ Corneal Onlays *204*

SECTION 8
MISCELLANEOUS

Chapter 22. Bioptics.....207
Farin Shaikh, Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair
♦ Patient Selection and Preoperative Work-up *207*
♦ Classification of Surgical Techniques of Bioptics *207*
♦ Surgical Outcomes with Different Procedure Combinations *209*

Chapter 23. Corneal Collagen Cross-linking and Refractive Surgeries.....213
Sridevi Nair, Harathy Selvan, Manpreet Kaur, Jeewan S Titiyal
♦ Corneal Collagen Cross-linking Xtra *213* ♦ Corneal Collagen Cross-linking Plus *217*

Chapter 24. Refractive Surgery in Challenging Scenarios 221
Sridevi Nair, Manpreet Kaur, Jeewan S Titiyal

♦ Refractive Surgery in Pediatric Patients *221* ♦ Refractive Surgery for Hyperopia *222*
♦ Refractive Surgery in Post-keratoplasty Patients *225* ♦ Refractive Surgery in Pseudophakia *226*

Chapter 25. Intrastromal Corneal Ring Segments 229
Rinky Agarwal, Manpreet Kaur, Sridevi Nair, Jeewan S Titiyal

♦ Mechanism of Action *229* ♦ Indications and Patient Selection *230*
♦ Intrastromal Corneal Rings and Ring Segments *230* ♦ Surgical Technique *231*
♦ Additional Procedures *232* ♦ Outcomes *232* ♦ Complications *232*

Chapter 26. Incisional Refractive Surgery 235
Meghal Gagrani, Manpreet Kaur, Jeewan S Titiyal, Sridevi Nair

♦ Radial Keratotomy *235* ♦ Astigmatic Keratotomy *236*

Index 241
