Contents

1. History 1

- History of Allergy 1
- History of Hormone Allergy 1

2. Classifications 3

- Allergy, Atopy and Allergens 3
- Classification of Allergens5 3
- Hormone Allergy and Hormone Allergens 8
- Hormone Allergy 8
- Hormone Allergens 8
- Cortisol 12
- Adrenaline 13
- Dehydroepiandrosterone (Dhea) 13
- Testosterone 15
- Estrogen 15
- Progesterone 16
- Thyroid Hormones 18

3. Genetics 19

- Genetics of Allergy 19
- Genetics of Hormone Allergy 19

4. Cause 21

- Cause of Allergy 21
- Hygiene Hypothesis 21
- Other Environmental Factors 22
- Cause of Hormone Allergy 22

5. Reactions 25

- Allergy Reactions 25
- Hormone Allergy Reactions 26

6. Inflammatory Mechanisms of Allergy 27

- Inflammatory Mechanisms 27
- Inflammatory Mechanisms of Hormone Allergy 32

7. Pathophysiology 35

- Pathophysiology of Allergy 35
- Pathophysiology of Hormone Allergy 36

8. Manifestations 38

- The Manifestations of Allergy and Nasal Allergy 38
- Bronchial Allergy 39
- Laryngeal Allergy 39
- Middle Ear Allergy 40
- Gastrointestinal Allergy 40
- Allergy of the Skin 44
- Allergy of the Nervous System 46
- Allergy of the Eye 47
- Allergy of the Muscles and Skeleton 47
- Allergy of the Genitourinary System 47
- The Body 48
- Co-Morbidity 48
- The Manifestations of Hormone Allergy 48
- Anxiety and Panic Attacks 50
- Premenstrual Syndrome 50
- Premenstrual Asthma 51
- Menstrual Migraine 51
- Fibromyalgia 52
- Interstitial Cystitis 52
- Arthritis 53
- Chronic Fatigue Syndrome 53
- Infertility 53

9. Diagnosis 56

- Diagnosing Allergy 56
- Diagnosing Hormone Allergy 68

10. Therapy 71

- Introduction 71
- Avoidance of Allergen 71
- Pharmacotherapy 71
- Allergen Immunotherapy 71
- Anti-Ige Immunotherapy 74
- Genetic Immunotherapy 75
- Setting the Biological Clock 76
- Provision of Hormones—A Cure for Hormone Allergy 76
- Immunotherapy for Hormone Allergy 78
