Contents

1. Scalp 1
- Seborrheic Dermatitis *1*
- Psoriasis *3*
- Tinea Capitis *5*
- Head Lice *8*
- Hair Loss (Alopecia) *9*

2. Face and Neck 15
- Seborrheic Dermatitis *15*
- Pityriasis Alba *17*
- Contact Dermatitis *19*
- Photodermatitis *21*
- Tinea Faciei *23*
- Acne *27*
- Rosacea *33*
- Perioral Dermatitis *37*
- Pseudofolliculitis Barbae ("Beard Bumps") *40*
- Warts *42*
- Herpes Simplex *44*
- Erysipelas *47*
- Melasma (Chloasma) *49*
- Lichen Simplex Chronicus *51*

3. Genitals, Groin, and Axillae 54
- Herpes Simplex *54*
- Anogenital Warts (Condylomata Acuminata) *57*
- Syphilis *59*
- Pubic Lice (Crabs) *63*
- Erythrasma *65*
- Tinea Cruris (Jock Itch) *68*
- Candidiasis *70*
- Diaper Dermatitis (Diaper Rash, Nappy Rash) *72*
- Lichen Simplex Chronicus *74*

4. Extremities 77
- Hand Dermatitis *77*
- Tinea Pedis *82*
- Onychomycosis *86*
- Paronychia *89*
- Periungual Warts *91*
- Plantar Warts *94*
- Stasis Dermatitis *97*
- Lichen Simplex Chronicus *99*
- Nummular Eczema *101*

5. Trunk and Generalized 103
- Atopic Dermatitis *103*
- Dry Skin (Xerosis, Asteatosis, and Winter Itch) *109*
- Contact Dermatitis *112*
- Psoriasis *117*
- Pityriasis Rosea *125*
- Lichen Planus *129*
- Urticaria (Hives) *134*
- Erythema Multiforme *137*
- Miliaria (Heat Rash) *140*
- Secondary Syphilis *143*
- Scabies *149*
- Tinea Versicolor (Pityriasis Versicolor) *154*
- Tinea Corporis *156*
- Impetigo and Bacterial Pyoderma *159*
- Herpes Zoster (Shingles) *162*
- Molluscum Contagiosum *165*
- Vitiligo *168*
- Skin Findings in HIV Infection *171*

6. Tumors, Lumps, and Marks 178
- Moles (Melanocytic Nevi) *178*
- Dermatosis Papulosa *182*
- Seborrheic Keratoses *185*
- Dermatofibroma (Histiocytoma) *188*
- Skin Tags (Acrochordons) *190*
- Pyogenic Granuloma *192*
- Cysts *194*
- Warts (Verrucae) *199*
- Actinic Damage and Sun Protection *201*
- Telangiectasia and Spider Angiomata *205*
- Solar Lentigo *206*
- Actinic Keratoses *207*
- Keratoacanthoma *210*
- Basal Cell Carcinoma and Squamous Cell Carcinoma *213*
- Melanoma *220*

7. Diagnostic Procedures 226
- The Potassium Hydroxide (KOH) Examination and Culture for Fungi *226*
- Scabies Preparation *229*
- Anesthesia *231*
- Skin Biopsy *231*

8. Formulary 233
- Principles of Topical Therapy *233*
- Acne Medications *234*
- Some Topical Antibacterials *235*
- Treatment of Fungal Infections *235*
- Topical Corticosteroid/Antifungal Combinations *237*

- Pediculocides and Scabicides *237*
- Antiviral Agents *237*
- Corticosteroids *237*
- Agents that Affect Pigmentation *241*
- Soaks, Baths, Dressings, Astringents, and Oils *241*
- Soaps and Shampoos *242*
- Antihistamines *243*
- Keratolytics, Tars, and Destructive Agents *244*

9. Patient Guides 245

- Seborrheic Dermatitis *245*
- Acne *246*
- Herpes Simplex *248*
- Pubic Lice ("Crabs") *248*
- Head Lice *249*
- Hand Dermatitis *249*
- Atopic Dermatitis ("Eczema") *250*
- Dry Skin *251*
- Pityriasis Rosea *251*
- Tinea Versicolor *252*
- Scabies *252*
- Sun Protection *253*
- Psoriasis *254*
- All about Warts *255*
- Moles and Melanoma *255*
