Contents

1. Evidence-based Guidelines: Abstract of Research Paper **1**

When Disaster Strikes in the Pelvis *1*

2. Indications for Anterior Division of Internal Iliac Ligation, Operation Steps and Tips **5**

Obstetric Indications with Hemorrhage for Internal Iliac Ligation *5*

Steps *6*

Internal Iliac and Anterior Branch *6*

Right Side Finger Dissection *15*

3. Internal Iliac Artery: A Study on Cadaver **19**

Internal Iliac Anatomy and Working Knowledge of Vessel *19*

Length of Vessel *28*

Methodology—Right Side *34*

4. Working Knowledge: Applied Anatomy **39**

Step 1—Exploration of Operation Field *39*

Step 2—Direction and Extent of Incision on the Peritoneum *45*

Step 3—Superficial Dissection with Fingers *49*

Step 4—Dissection in Depth with Fingers *54*

Step 5—Terminal Interior Division *60*

Procedure on the Right Side *63*

5. Internal Iliac Artery Ligation of Anterior Division by Finger Dissection Methods **67**

Internal Iliac Anatomy and Working Knowledge of Vessel *67*

Prelims.indd 11 11/7/2014 4:09:09 PM

Step One *69*
Step Two *71*
Step Three *74*
Step Four *74*
Step Five: Explore the Vessels with Fingers in the Depth and on Medial Side *76*
Step Six: Poke the Fingers Medially to External Iliac to Identify Internal Iliac *76*
Step Seven: Where to Ligate? *82*
Step Eight: Look for Nearby Veins Avoid their Handling *86*
Step Nine: Artery Forceps is Pushed below Gently *87*
Step Ten: Create Few mm Space below the Artery with Finger Tip or Blunt Tip of Forceps *89*
Step Eleven: Artery is Opened to Hold the Ligature which is Drawn Later *90*
Methodology—Right Side *91*
Finger Dissection Method of the Internal Iliac Ligation—Technical Points *97*

6. Maternal Mortality Rate in India **104**
Overview of Postpartum Hemorrhage in Rural Set-up *104*

7. To Focus Postpartum Hemorrhage **108**
Focus on Improving Operative Skills for Management of Postpartum Hemorrhage *108*
Choice of Next Operative Treatment for Control of Postpartum Hemorrhage *114*

8. Nutshell Take Home Message **123**
Fifteen Years I took to Learn Internal Iliac Ligation *123*

Index *131*
