Contents

CHAPTER 1: Introduction 1
Definition of vitiligo 1
Origin of the word vitiligo 1

CHAPTER 2: Historical Background 3

CHAPTER 3: Clinical Aspects of Vitiligo 5
Characteristics of vitiligo lesions 5
Clinical types of vitiligo 6
Factors affecting progression of vitiligo 7
Clinical manifestations 8
Behaviorism of vitiligo 9
Factors affecting progression of vitiligo 9

CHAPTER 4: Genetic Susceptibility in Vitiligo and Familial Aggregation of Vitiligo 11

CHAPTER 5: Psychosocial Impacts of Vitiligo 13

CHAPTER 6: Vitiligo with Disorders of Other Systems 16
Vitiligo and endocrine dysfunction 16

CHAPTER 7: Incidence of Vitiligo 18
Genetics and familial inheritance prevalence in vitiligo 18
Epidemiology 19

CHAPTER 8: Classification 22
Clinical classification of vitiligo: Discussion and clarification 23
Classification of vitiligo depending on the activity of disease 24

CHAPTER 9: Etiology of Vitiligo **25**
Role of vitamin C 26
Discussion 26

CHAPTER 10: Color of the Skin **29**
Classification of melanin pigments 29
Melanin pigmentary pathway 29
Stages in the development of melanin granules 34

CHAPTER 11: Hypothesis in the Causation of Vitiligo **38**
Emergence of few new hypotheses 41

CHAPTER 12: Diagnosis and Differential Diagnosis of Vitiligo **44**
Diagnosis 44

CHAPTER 13: Chemically Induced Leukoderma **49**
Definition 49
Modes 49
Selected chemicals associated with chemical leukoderma 50
Treatment 50
Course and prognosis 51

CHAPTER 14: Investigations for Vitiligo **52**

CHAPTER 15: Treatment of Vitiligo **54**
General measures 54
Medical 54
Summary of vitiligo management 55
Drugs introduced by author in the treatment of vitiligo 57
General consideration 59
Topical PUVA 63
PUVA therapy 64
Photochemotherapy 64
PUVA-Sol 66
Specific instruction for local/topical treatment 67
Options for ultraviolet-based therapy 68
In vitiligo biology 68

Tofacitinib in combination with low-dose, narrowband UVB phototherapy for rapid repigmentation of vitiligo 69
Conclusion 72
Surgical 73
Tattooing in vitiligo 75
Dermabrasion in vitiligo 75
Laser therapy for vitiligo 76
Local chemical irritation/counterirritations in vitiligo 76
Local photosensitizers in vitiligo 76
Placental extracts in vitiligo 76
Alternatives 76
Psychology counseling 76
Social aspects in vitiligo 77
No treatment advice 77
Vitiligo mini pulse therapy 77
Levamisole in vitiligo 77
Cyclophosphamide in vitiligo 77
Rational and scientific approach 77
Summary of treatment strategy of vitiligo 78

CHAPTER 16: Recent Knowledge **79**
Newer knowledge 79
Emerging treatment 80

CHAPTER 17: Vitiligo in Children **83**
Differential diagnosis 83
Treatment 83

CHAPTER 18: Conclusion **85**

Bibliography **87**

Color Atlas **95**

Index **125**
