Contents

1. Osteoarthritis: An Overview 1
- Quick Facts 2
  - Osteoarthritis 2
  - Joints in Brief 5

2. Osteoarthritis: Types and Pathogenesis.....9
- Types 10
  - Primary 10
  - Secondary 10
- Pathology 12
- Pathogenesis 13

3. Osteoarthritis: Clinical Assessment.....15
- Signs and Symptoms 16
  - Capsular Tightness 19
- Clinical Assessment 20
  - Range of Motion 20
  - Pain Assessment 21
  - Strength 22
  - Assessment of Endurance, Tone and Volume 22
  - Joint Stability 22
  - Assessment of Tenderness 22
  - Assessment of Deformity 23
  - Functional Assessment (Loss of Function) 23
  - Mobility and Gait 24
  - Sensory Integrity 24

– Environmental Barriers 24
– Investigations 25

4. Treatment in Osteoarthritis 27

• Treatment 28
– Lifestyle Modification 28
– Physiotherapy 28
– Joint Protection Techniques 51
– Medication 54
– Surgery 56
– Alternative Treatments 57
– Other Supplements 57

5. Osteoarthritis: Hip Joint.....59

• Osteoarthritis of the Hip 60
– General Features of Osteoarthritis 60
– Primary Symptoms and Signs 61
– Classification 61
– Diagnosis 61
– Treatment 62
– Exercises 62
– Operative Options 67
– Rehabilitation after Total Hip Replacement 71
– Rehabilitation Protocol—Postoperative THR 75

6. Osteoarthritis: Knee Joint.....85

• The Arthritic Knee 86
– Review of Pertinent Anatomy and Kinesiology 86
– Classification 87
– Biomechanics 89
– Diagnosis 89
– Radiographic Evaluation 92
• Nonoperative Treatment Algorithm for Patient with OA Knee 92
– Exercise Regimen 95
– Endurance Training 109

  - Functional Training 109
  - Gait Training 110
- Operative Treatment Algorithm 111
  - Indications for Surgery 111
  - Operative Options 111
  - Goals of Rehabilitation after Total Knee Arthroplasty 114
  - Accelerated Protocol—Postoperative Rehabilitation 115

7. Mobilization Techniques in Arthritic Knee 119

Types of Mobilization Techniques 120

8. Osteoarthritis in Various Joints 127

- The Ankle Joint 128
  - The Foot 128
  - The Shoulder 131
  - The Elbow 131
  - The Wrist and Hand 132
- OA of the Small Joints 133
  - Remember 133

Summary 135
Case Study 136
Appendix 1 141
Appendix 2 145
Appendix 3 146
Appendix 4 147
