Textbook of
CRITICAL CARE NURSING

Sasmita Das

JAYPEE

Contents

1. Introduction to Critical Care Nursing 1

Sasmita Das

- Historical Development Review of Critical Care Nursing *1*
- Review of Anatomy and Physiology of Vital Organs *2*
- Altered Fluid Electrolyte Balance *2*
- Electrolyte Imbalance *4*
- Progressive Patient Care *7*
- Concept of Critical Care Nursing *8*
- Critical Care Unit Setup *10*
- Documentation in Critical Care Unit *11*
- Evidence-based Critical Care Nursing Practice *13*
- Future of Critical Care Nursing *14*

2. Concept of Holism Applied to Critical Care Nursing Practices 23

Sasmita Das

- Patients and Family Perception towards Critical Illness *23*
- Impact of the Critical Care Environment on the Patient *24*
- Stress and Burnout Syndromes among Healthcare Professionals *35*

3. Review of Drugs 39

Sasmita Das

- Principles of Pharmacokinetics *40*
- Analgesics and Anti-inflammatory Drugs *41*
- Opioid Analgesics and Antagonists *41*
- Non-narcotic Analgesics and Nonsteroidal Anti-inflammatory Drugs *44*
- Antibiotics *48*
- Antiseptics *53*
- Inotropics *55*
- Life-saving Drugs *56*

Drugs used in Various Body Systems 56

- Drugs used in Respiratory System *56*
- Drugs used in Nervous System *58*
- Sedative *59*
- Drugs used in Cardiovascular System *61*
- Drugs used in Gastrointestinal System *62*
- Drugs used on Urinary System *64*
- Drugs used in Endocrine System *66*
- Drug Therapy for Diabetes Mellitus *66*
- Intravenous Fluids *67*
- Blood and Blood Components *69*
- Electrolytes *70*
- Drug Overdoses and Poisoning *71*
- Role of Nurses (in General) *74*

4. Pain Management in Critical Care Unit 78

Vasudevan NJ

- Theories of Pain *79*
- Pain Assessment in Critical Care Unit *81*
- Pharmacological Pain Management in CCU *83*
- Nonpharmacological Pain Management *83*
- Placebo Effect *84*

5. Infection Control in Critical Care Unit 89

Vasudevan NJ

- Risk Factors for Infection *90*
- Antibiotic Resistant Infections *91*
- Postoperative Wound Infection in CCU *92*
- Prevention and Infection Control Measures *92*
- Nosocomial Infection in Critical Care Unit *93*
- Methicillin-Resistant Staphylococcus Aureus *94*
- Standard Safety Measures in CCU *94*
- Sterilization and Disinfection in CCU *95*

6. Common Gastrointestinal Emergencies 98

Jhunilata Pradhan

- Anatomy of Gastrointestinal System *98*
- Physiology of Digestive System *100*
- Assessment of GI System *101*
- Parenteral and Enteral Nutrition *105*
- Gastrointestinal Bleeding *109*
- Abdominal Injuries *114*
- Mechanism of Injury *115*
- Fulminant Hepatic Failure *117*
- Hepatic Encephalopathy *120*
- Acute Pancreatitis *123*
- Intestinal Obstruction *128*
- Perforated Peritonitis *131*

JAYPEE BROTHERS

7. Renal System Emergencies and Management 138

Susan Konda

- Anatomy of Renal System *138*
- Physiology of Renal System *139*
- Assessment of Renal System *140*
- Acute Renal Failure *143*
- Chronic Renal Failure *146*
- Acute Tubular Necrosis *150*
- Bladder Trauma *153*
- Disorders of Fluid Volume *154*
- End-Stage Renal Disease and Renal Transplantation *156*
- Management Modalities for Renal System Disorders *158*

8. Nervous System Emergencies and Management 166

Neethu Maria Joseph, Anu Baby

- Anatomy of Nervous System *167*
- Physiology of Nervous System *172*
- Assessment of Nervous System *173*
- Increased Intracranial Pressure *179*
- Cerebrovascular Disease *188*
- Stroke *191*
- Seizure Disorder *195*
- Status Epilepticus *199*
- Guillain-Barré Syndrome *201*
- Myasthenia Gravis *203*
- Encephalopathy *207*
- Head Injury *211*
- Spinal Cord Injury *217*
- Problems Associated with Neurological Disorders *222*
- Brain Death *228*
- Herniation Syndrome *229*
- Management Modalities through Neurosurgical Approaches *232*

9. Cardiovascular Emergencies and Management 239

Sarika ML

- Anatomy of Cardiovascular System *239*
- Physiology of Cardiovascular System *244*
- Principles of Nursing in Caring for Patients with Cardiovascular Disorders *246*
- Assessment of Cardiovascular System *246*
- Hypertensive Crisis *253*
- Coronary Artery Disease *255*
- Acute Myocardial Infarction *259*
- Cardiomyopathy *262*
- Deep Vein Thrombosis *265*
- Valvular Diseases *267*
- Heart Block *270*
- Cardiac Arrhythmias *272*
- Aneurysm *276*
- Infective Endocarditis *277*
- Heart Failure *279*
- Management Modalities for Cardiovascular System Disorders *284*
- Percutaneous Coronary Intervention *288*

10. Respiratory Emergency Diseases 297

Mamata Swain

- Respiratory System *297*
- Assessment and Diagnostic Evaluation *304*
- Common Respiratory Emergency Disorders *313*

11. Endocrine System Emergencies and Management 368

Pratibha Khosla

- Anatomy and Physiology of Endocrine System *368*
- Assessment of Endocrine System *369*
- Hypoglycemia *373*
- Hyperglycemia *376*
- Diabetic Ketoacidosis *379*
- Thyroid Storm *383*
- Myxedema *385*
- Adrenal Crisis *388*
- Antidiuretic Hormone Dysfunction *392*

12. Obstetrical Emergency and Management 396

Debajani Nayak

- Types of Obstetrical Emergency *396*
- Antepartum Hemorrhage *397*
- Pregnancy-induced Hypertension *407*
- Obstructed Labor *418*
- Postpartum Hemorrhage *420*
- Ruptured Uterus *425*
- Puerperal Sepsis *429*
- Obstetrical Shock *432*

JAYPEE BROTHERS

13. Neonatal and Pediatric Emergencies and Management **439**

Dinabandhu Barad

- Neonatal and Pediatric Emergencies *440*
- Congenital Disorders *474*

14. Other Emergency Conditions and Management **512**

Madhusmita Nayak

- Assessment and Mechanism of Injury *512*
- Shock *534*
- Systemic Inflammatory Response Syndrome *540*
- Multiple Organ Dysfunction Syndrome *541*
- Disseminated Intravascular Coagulation *543*
- Drug Overdose and Poisoning *547*
- Acquired Immunodeficiency Syndrome *550*
- Eye Injuries *554*
- Nose Injuries *557*
- Throat Injuries *560*

15. Psychiatric Emergencies and Crisis Intervention **567**

Suchismita Phantasingh

- Prevalence and Incidence *567*
- Psychiatric Emergencies *567*
- Crisis Intervention *575*

16. Burns and Management **582**

Susan Konda

- Classification and Pathophysiology of Burns *582*
- Burn Assessment *587*
- Fluid and Electrolyte therapy *589*
- Pain Management *590*
- Wound Care *591*
- Infection Control *592*
- Prevention and Management of Burn Complication *593*
- Grafts and Flaps *594*
- Reconstructive Surgery *595*
- Rehabilitation *595*

17. Legal and Ethical Issues in Critical Care **600**

Suchismita Phantasingh

- Principles of Critical Care *600*
- Ethical Issues in Critical Care Unit *601*
- Principles of Bioethics *601*
- Legal Issues in Critical Care Unit *606*

18. Quality Assurance in Critical Care **610**

Bishnupriya Mohapatra

- Quality Assurance *610*
- Standards of CCU *614*
- Design of CCU *616*
- Protocols and Policies of CCU *620*
- Nursing Audit *623*
- Staffing of CCU *627*

Textbook of
CRITICAL CARE NURSING

Salient Features

- This book has been scripted according to Nursing syllabus for BSc, MSc and PB BSc nursing, and diploma and certificate courses on critical care nursing by experienced faculty of different departments of nursing.
- The content are presented in a comprehensive manner, ensuring ease of reading and comprehension for students.
- The text is student-friendly and presented in a simple and lucid manner by using illustrations in nursing management of system-wise critical disorders.
- Each chapter presents specific questions that nurses dealing in critical care might ask and concludes with key points, bibliography along with relevant internet sources.
- References have been cited to provide sources of additional information which may be of interest to the reader.

Sasmita Das PhD is currently working as an Associate Dean at SUM Nursing College, Siksha 'O' Anusandhan (SOA) (Deemed to be University), Bhubaneswar, Odisha, India. She did her graduation in Nursing from Government College of Nursing, Berhampur; postgraduation in Medical Surgical Nursing (Cardiovascular and Thoracic Nursing) from West Bengal University of Health Sciences, Kolkata; and Doctor of Philosophy from SOA (DTU), Bhubaneswar. She has published many research articles in various indexed journals and also presented empirical papers in national and international conferences.
