# Contents

**1. Epidemiology of Multiple Gestations** **1**
*Shailesh Kore, Rashmi Patil Raydurg, Chaitra Thunga*
Racial and Geographical Factors *1*
Maternal Age *2*
Social, Constitutional and Maternal Lifestyle Factors *2*
First-degree Relatives and Parental Consanguinity *2*
Reproductive History *2*
Use of Oral Contraceptives *3*
Infertility Therapy *3*

**2. Changing Trends in the Incidence and Epidemiology of Multiple Gestations** **5**
*Pratik Tambe, Pooja Bandekar*
General Trends *5*
Socioeconomic, Constitutional Factors and Maternal Lifestyle Habits *9*

**3. Multiple Gestations: Classification, Etiology and Diagnosis** **16**
*Anupama Rao*
Classification *16*
Etiology *17*
Diagnosis *19*
Investigations *19*
Differential Diagnosis *20*

**4. Determination of Chorionicity in Multiple Gestations** **21**
*Trupti Nadkarni*
Zygosity and Chorionicity *21*
Importance of Determining Chorionicity *21*
Chorionicity Determination in First Trimester *22*
Chorionicity in Late First and Second Trimester *23*
Chorionicity Determination in Third Trimester *25*

**5. Antenatal Care in Multiple Gestations** **26**
*Shailesh Kore, Garima Sharma, Siddhi Kore*
Early Diagnosis of Multiple Gestations *26*
Determining Gestational Age and Chorionicity *26*
Screening for Aneuploidies and Diagnosis of Congenital Anomalies *27*
Antenatal Visits *27*

Dietary Considerations in Multiple Pregnancies *27*
Bedrest and Physical Activity *27*
Prevention and Treatment of Anemia and Pre-eclampsia *27*
Prevention and Treatment of Preterm Labor *28*
Monitoring for Fetal Growth Restriction/Discordancy *28*
Referral to Tertiary Center *28*
Antenatal Surveillance *29*
Timing of Birth *29*
Role of Twin Clinic *29*

**6. Screening for Fetal Aneuploidies in Multiple Gestations** **31**
*Aparna Kulkarni*
Prenatal Screening in Twins *31*
Other Ultrasound Markers in Twin Pregnancies *33*
Maternal Serum Markers in Twins *33*
Role of Non-invasive Prenatal Testing in Multiple Gestations *33*

**7. Invasive Procedures in Multiple Gestations** **35**
*Shilpa Agarwal*
Indications *35*
Counseling *36*
Amniocentesis *36*
Chorionic Villus Sampling *39*
Chorionic Villus Sampling versus Amniocentesis *41*
Fetal Blood Sampling (Cordocentesis) *41*

**8. Role of Imaging in Multiple Gestations** **44**
*Archana Baser, Varsha Mahajan, Alia K Zaidi*

**9. Fetal Surveillance in Third Trimester in Multiple Gestations** **52**
*Sujata Sharma, Garima Sharma, Arya Rajendran*
History and Clinical Examination in Third Trimester *53*
Ultrasound *53*
Referral to Specialized Fetal Medicine Unit *55*
Surveillance in Special Situations in Multiple Pregnancies *55*
Fetal Surveillance in Maternal Complications of Multifetal Gestation *57*

**10. Complications in Multiple Gestations: An Overview** **59**
*Indrani Ganguli, Mala Srivastava, Mamta Dagar*
Types of Twin Pregnancy *59*
Frequency of Twins *59*

Vanishing Twin *59*
Complications of Twin Pregnancy *60*

**11. Congenital Defects in Multiple Gestations** **68**
*Geetha Balsarkar, Madhva Prasad S*
History *68*
Incidence *68*
Etiology *69*
Types *69*
Diagnosis *69*
Management Options *70*
Labor and Postdelivery Management *71*

**12. Prediction and Prevention of Preterm Labor in Multiple Gestations: What does Evidence Say?** **73**
*Punit S Bhojani*
Incidence *73*
Causes *73*
Prevention *75*

**13. Discordant Twins** **79**
*Pratik Tambe, Shilpa Birthare*
Definition *79*
Etiology and Pathogenesis *79*
Factors Influencing the Discordant Growth of Twins *80*
Diagnosis *80*
USG Criteria *80*
Surveillance *80*
Timing and Mode of Delivery *81*
Intrapartum Management and Complications *81*
Prognosis *82*

**14. Twin-to-Twin Transfusion Syndrome** **84**
*Vandana Chaddha, Nikhil Kapoor*
Pathophysiology *84*
Clinical Manifestations and Diagnosis *85*
Classification *86*
Monitoring for Twin-to-Twin Transfusion Syndrome *86*
Management *86*

**15. Twin Reversed Arterial Perfusion Sequence** **92**
*Aditi Shah, Prathima Radhakrishnan*
Incidence *92*
Prenatal Diagnosis *93*
Prognosis and Management *96*
Choice of Therapy *97*
Delivery *98*
Recurrence Risk *98*

**16. Twin Pregnancy with Adversity in One Fetus** **99**
*Ashwini Rathi*
Twin Pregnancy with Discordant Anomaly *99*
Twins with Molar Pregnancy and Coexisting Fetus *102*
Twin Pregnancy with Single Fetal Demise *103*

**17. Multiple Gestations with Single Fetal Demise** **106**
*Michelle Fonseca, Sheetal Barhate*
Incidence *106*
Vanishing Twin Syndrome *106*
Single Fetal Demise in Twin Pregnancy *107*

**18. Conjoined Twins** **110**
*Shilpa Agarwal*
Incidence *110*
Etiology *111*
Classification *111*
Risk Factors *113*
Diagnosis *113*
Antenatal Care and Delivery *115*
Timing of Separation Surgery *116*

**19. Intrapartum Monitoring in Multiple Gestations** **118**
*Suseela Vavilala*
Pre-requisites for Intrapartum Management for a Planned Vaginal Twin Birth *119*
Delivery Interval between the Twins *122*

**20. Interlocking of Twins** **125**
*Ameya C Purandare, Kirti Bendre*
Incidence *125*
Etiological Factors *125*
Types *126*

Varieties *126*
Diagnosis *127*
Labor Management *127*

**21. Managing Labor and Delivery in Twins** **129**
*Reena Wani, Ankesh R Sahetya*
Incidence *129*
Antenatal Considerations *129*
Antenatal Care and Timing of Delivery *129*
Timing of Birth *130*
Choice of Location for Delivery of Twins *130*
Route of Delivery *130*
Intrapartum Management of Twin Pregnancy *131*
Documentation *132*

**22. Multiple Gestations of Higher Order** **133**
*Madhusudan Dey*
Factors Influencing Higher Order Multiple Gestations *133*
Infertility Therapy and Higher Order Multiple Gestations *134*
Pregnancy Complications *134*
Management of Higher Order Multiple Gestations *135*
Ethics *138*

**23. Fetal Reduction in Multiple Gestations** **139**
*Anita Kaul, Chanchal Singh*
Why Reduce? *139*
Procedure *140*
Technique *142*
Complications *142*
Follow-up *143*
Reduction to Singleton *143*
Psychological Impact and Ethical Considerations *143*

**24. Neonatal Issues in Multiple Gestations** **145**
*Alpana Utture, Swati Manerkar, Deepraj Hegde*
Fetal Growth Discordance *146*
Twin-to-Twin Transfusion Syndrome *148*
Neonatal Outcome *148*

**25. Breastfeeding: Problems and Solutions** **150**
*Swati Manerkar, Jayashree A Mondkar*
Problems in Breastfeeding Multiples *150*
Solutions to Breastfeeding Problems *151*

**26. Ethical, Legal and Psychological Issues Related to Multiple Gestations** **155**
*Divya Kadam, Pradnya Supe, Shailesh Kore*
Ethical Issues *155*
Legal Issues *156*
Psychological Aspects *157*

*Index* *159*
