CONTENTS

SECTION I: INTRODUCTION TO DISASTERS

1. **Disasters: Concept and Overview** 1
   - Goal 3
   - Objectives 3
   - Introduction 3
   - Historical Perspectives 5
   - Meaning 6
   - Definition 6
   - Changing Concept of Disasters 7
   - Global Scenario 9
   - Indian Scenario 9
   - India: A Profile 11
   - Seismic Zone Map of a Country 12

2. **Types and Causes of Disasters** 15
   - Goal 15
   - Objectives 15
   - Introduction 15
   - Schematic Representation of Types of Disasters 16
   - List of Disasters 18
   - Causes of Disasters 19
   - Stages of Disasters 21

3. **Natural Disasters** 23
   - Goal 23
   - Objectives 23
   - Introduction 23

4. **Man-Made Disasters** 35
   - Goal 35
   - Objectives 35
   - Introduction 35
   - Environmental Pollution 42
   - Types of Pollution 43

5. **Climate Change and its Health Effects** 54
   - Goal 54
   - Objectives 54
   - Climate 54
   - Thermal Inversion 54

- Greenhouse Effect 54
- Global Warming 56

6. Effects of Disasters 62
- Goal 62
- Objectives 62
- Disaster, a Public Health Problem 62
- Psychosocial Consequences of Disaster on Survivors 64

SECTION II: DISASTER PREPAREDNESS

7. Policies Related to Disaster Management 71
- Goal 73
- Objective 73
- International Policies 73
- Policies at National and State Level 75
- Mitigation 77
- Preparedness 79

8. Phases of Disaster Management 84
- Goal 84
- Objectives 84
- Disaster Management Cycle 85
- Definition of Disaster Preparedness 87

9. Community Preparedness 93
- Goal 93
- Objectives 93
- Introduction 93

SECTION III: DISASTER HEALTH MANAGEMENT

10. Disaster Response: Team, Protocols and Guidelines 105
- Goal 107
- Objectives 107
- Introduction 107
- Private Sectors Initial Response 107
- Communication: A Top Priority 108
- Public-Private Partnership 109
- Disaster Response and Relief 110
- Mass Casualty Management 111
- Epidemiologic Surveillance and Disease Control 111

- Environmental Health Management **112**
- Nursing Management **112**
- Nurses' Responsibilities **113**

11. Essentials of Hospital Disaster Plan 118
- Goal **118**
- Objectives **118**
- Introduction **118**
- Hospital Disaster Plan **121**

12. Mass Casualty Incidents..... 131
- Goal **131**
- Objectives **131**
- Mass Casualty Management Committee **131**

13. Management of Life-threatening Conditions During Disaster 137
- Goal **137**
- Objectives **137**
- Introduction **137**
- Preparation for Resuscitation **137**
- Sequence of Management **138**

14. Triage 147
- Goal **147**
- Objectives **147**
- Introduction **147**
