Contents

SECTION 1
Orthopedic Postoperative Conditions

1. Postoperative Fracture **3**
Types of Fracture 3
Risk Factors for Fracture 4
Clinical Features of Fracture 4
Complications of Fracture 4
Physiotherapy Management of Fracture 5

2. Dislocation **10**
Subluxation 10
Causes of Dislocation 10
Physiotherapy Management of Dislocation 11

3. Congenital Talipes Equinovarus **13**
Causes 14
Physiotherapy Management 14

4. Congenital Hip Dislocation **16**
Causes of Congenital Hip Dislocation 16
Complications of Congenital Hip Dislocation 16
Physiotherapy Management 17

5. Knee Replacement **18**
Causes of Knee Replacement 19
Postoperative Complications 20
Physiotherapy Management 20

6. Hip Replacement **23**
Causes of Hip Replacement 23
Complications and Risk Factors of Hip Replacement 23
Preoperative Instruction 23
Goals of Hip Replacement Rehabilitation 24
Physiotherapy Management 24
Exercise to Ambulation 27

7. Tendon Transfer **28**
Complications after Surgery 28
Physiotherapy Management after Postoperation 28
8. Meniscus Injury **30**
Clinical Symptoms 31
Physiotherapy Management 31

SECTION 2
Neurological Postoperative Conditions

9. Spina Bifida **35**
Types 36
Causes 36
Symptoms 36
Treatment 36
Physiotherapy Management 37
10. Leprosy **38**
Causes 38
Symptoms 38
Complications 38
Physiotherapy Management 39

SECTION 3
Pediatric Postoperative Conditions

11. Muscular Dystrophy **43**
Types of Muscular Dystrophy 43
Causes 43
Symptoms 43
Physiotherapy Management 45
12. Adductor Release **50**
Complications of Adductor Release 51
Physiotherapy Management after Surgery 51
13. Hamstring Release Surgery **54**
Postoperative Physiotherapy Management 54

SECTION 4
Other Postoperative Conditions

14. Hysterectomy **59**
Complications after Surgery 59

Hysterectomy Postoperative Physiotherapy Management 59
Hysterectomy Postoperative Exercises 59
15. Lobectomy **61**
Postoperative Complications 61
Postopertative Management 61
16. Colostomy **62**
Complications of Colostomy 62
Postoperative Management 62
17. Cesarean Delivery **63**
Causes for Cesarean Delivery 63
Physiotherapy Management after Cesarean Delivery 64
18. Cholecystectomy **66**
Complications 66
Postoperative Management 66
19. Hernia **67**
Causes of Hernia 67
Postoperative Complications 67
Postoperative Physiotherapy Management 68
20. Pulmonary Surgery **69**
Complications of Surgery 69
Physiotherapy Management 69
21. Pneumonectomy **71**
Postoperative Physiotherapy Management 71
22. Mastectomy **73**
Complications 73
Physiotherapy Management 73
