Video 1 What is Robotic Surgery? 1

Surgeons Console 1
Patient's Cart 1
Robotic Optics 2

Video 2 Robotic Transthoracic Esophagectomy 3

Indications 3
Anesthesia 3
Position 3
Port Position 3
Procedure 3

Video 3 Robotic Transhiatal Esophagectomy with Gastric Mobilization 6

Indications 6
Anesthesia 6
Position 6
Robot Docking 6
Port Position 6
Procedure 6

Video 4 Robotic Radical Nephrectomy 9

Indication 9
Anesthesia 9
Patient Position 9
Robotic Docking 9
Port Positions 9
Procedure 9

Video 5 Robotic Radical Prostatectomy 11

Indication 11
Anesthesia 11
Position 11
Robot Docking 11
Port Position 11
Procedure 11

Video 6 Robotic-Assisted Cystoprostatectomy with Neobladder 15

Indications 15
Anesthesia 15

Position 15
Robot Docking 15
Port Position 15
Procedure 16
Ilio-obturator Nodal Dissection 18

Video 7 Robotic Hysterectomy 19

Indications 19
Anesthesia 19
Position 19
Robot Docking 19
Port Positions 19
Procedure 20

Video 8 Robotic Radical Hysterectomy 22

Indications 22
Anesthesia 22
Position 22
Robot Docking 22
Port Position 22
Procedure 22

Video 9 Robotic Abdominoperineal Resection 25

Indications 25
Anesthesia 25
Position 25
Robot Docking 25
Port Position 25
Procedure 26

Video 10 Robotic Low Anterior Resection 28

Indications 28
Anesthesia 28
Position 28
Robot Docking 28
Port Position 28
Procedure 28

Video 11 Robotic Anterior Exenteration 31

Indications 31
Anesthesia 31
Position 31
Robot Docking 31
Port Position 31
Procedure 32
