## Section 1 Complete Dentures

1. Introduction to Complete Dentures ..... 3-5
2. Diagnosis and Treatment Planning ..... 6-15
3. Impression and Mouth Preparation ..... 16-20
4. Primary Impression and Laboratory Procedures ..... 21-36
5. Secondary Impression and Laboratory Procedures ..... 37-42
6. Maxillomandibular Relations ..... 43-48
7. Laboratory Procedures Prior to Try-In ..... 49-56
8. Laboratory Procedures for Insertion ..... 57-64
9. Relining and Rebasing ..... 65-69
10. Special Complete Dentures ..... 70-74

## Section 2 Removable Partial Dentures

11. Introduction to Removable Partial Dentures ..... 77-82
12. Diagnosis, Treatment Planning and Mouth Preparation ..... 83-87
13. Major and Minor Connectors ..... 88-96
14. Rests and Rest Seats ..... 97-101
15. Direct and Indirect Retainers ..... 102-107
16. Surveying. ..... 108-113
17. Principles of Removable Partial Denture Design. ..... 114-119
18. Secondary Impressions for Removable Partial Denture ..... 120-122
19. Laboratory Procedures for Removable Partial Denture Design ..... 123-125
20. Types of Removable Partial Denture and its, Correction and Repair ..... 126-130

## Section 3 Fixed Partial Dentures and Implants

21. Introduction to Fixed Partial Dentures ..... 133-136
22. Treatment Planning and Mouth Preparation ..... 137-141
23. Occlusion ..... 142-146
24. Abutments. ..... 147-150
25. Tooth Preparations ..... 151-159
26. Types of Fixed Partial Dentures ..... 160-165
27. Impression Making ..... 166-170

**28.** Provisional Restorations and Laboratory Procedures ..... 171-175
**29.** Cementation ..... 176-181
**30.** Maxillofacial Prosthetics and Implant ..... 182-186

## Section 4 Recently Asked Questions

**31.** Recently Asked Questions ..... 189-220
