Contents

Section 1: Rectovaginal Fistula

1. Introduction 3

Aetiology 3
Causes of Rrctovaginal Fistula 4
Congenital 4
Acquired Trauma 4
Clinical Evaluation 4
Surgical Management 5
Timing of Rectovaginal Fistula Repair 5
Preoperative 5
Patient Evaluation 5
Consent 5
Patient Preparation 5
Intraoperative 6
Surgical Steps 6
Anaesthesia and Patient Position 6
Closure of the Rectal Wall 6
Martius Bulbocavernosus Fat Pad Graft 6
Vaginal Wall Closure 6
Postoperative 6
Summary 6

2. The Operation: Layer Method of Repair 8

Section 2: Vesicovaginal Fistula

3. Introduction 63

Genitourinary Fistula 63
Pathophysiology 63
classification 63
Classification of Genitourinary Fistula Based on Anatomic Communication 64
Aetiology/Epidemiology 64

Trauma and Foreign Body 65
Prevention 66
Clinical Presentation 66
History and Physical Examination 67
evaluation of a Vesicovaginal Fistuala 67
Anatomic Considerations 69
Preoperative Care 69
Conservative Treatment 70
Surgical Treatment 70
Cure Rate 70
Timing of Repair 70
Route of Surgical Repair 70
Vaginal 70
Abdominal (Transperitoneal) 71
Preoperative 71
Patient Evaluation 71
Consent 72
Intraoperative 72
Anaesthesia and Patient Positioning 72
Delineating a Fistulous Tract 72
Exposure 72
Vaginal Incision 73
Tract Excision 73
Fistula Closure 73
Saucerisation 73

4. Genitourinary Fistulas 74
Application of the Labial Stitches 74
Stay Sutures/Traction Sutures 79
Tumescent Anaesthesia 88
The Vaginal Circumferential Incision 92
Closure of the Bladder Muscosa 97
The Vaginal Closure 112

5. Postoperative Care 124
Postoperative 124
Choice of Catheter 124
Nursing Care 125
Subsequent Care 125

Section 3: Latzko's Technique

6. Vesicovaginal Fistula: Latzko's Technique 129
Introduction 129
Preoperative 129
Patient Evaluation 129
Consent 130
Patient Preparation 130
Iintraoperative 130
Latzko Vaginal Repair 130
Surgical Steps 130
Fistula closure 131

7. Surgical Sequence of Latzko's Operation 132
Exposing the fistula 132
Application of the Stay Sutures 134
Hydrodissection of the Fistula 142
Incising the Vagina Over the Fistula Margins 148
Undermining the Circular Perifistula Incision 150
Closing the Bladder Rent 163
Closure of the Vagina 180

8. Vesicovaginal Fistula: Latzko's Technique Postoperative Care 199
Postoperative 199
Postoperative nursing Position 199
Choice of Catheter 199
Nursing Care 200
Subsequent Care 200
