# Contents

1. **Introduction** 1
2. **Pregnancy Tests** 7
3. **Phantom Human Chorionic Gonadotropin** 13
4. **Chemical Markers in PUL: Human Chorionic Gonadotropin and Progesterone** 17
   - *Human Chorionic Gonadotropin (hCG) 17*
   - *Concentrations of hCG in Serum and Urine 19*
   - *Reference Levels 20*
   - *Elevated or Depressed hCG Levels in Maternal Plasma or Urine 21*
   - *Biological Functions of hCG 22*
   - *Quantitative hCG 23*
   - *hCG Discriminatory Zone and Diagnostic Criteria 23*
   - *hCG Ratio 23*
   - *Failing PUL and hCG Ratio 25*
5. **Serum Progesterone** 27
   - *Placental Progesterone Production 28*
   - *Progesterone Production Rates 29*
   - *Progesterone Synthesis and Fetal Relationships 30*
6. **Transvaginal Sonography** 33
   - *Transabdominal versus Transvaginal Ultrasound 35*
   - *Diagnostic Accuracy of Ultrasound above and below the β-hCG Discriminatory Zone 36*

- *The Optimal Timing of an Ultrasound Scan to Assess the Location and Viability of an Early Pregnancy 37*
- *Inconclusive Scans 38*

**7. Ultrasound Versus Other Imaging Modalities 41**
- *Ultrasound Technique 41*

**8. Intrauterine Pregnancies of Uncertain Viability 43**

**9. Sequel of Pregnancies of Unknown Location 45**
- *Complete Miscarriage 46*
- *Ectopic Pregnancy: A Killer 46*

**10. Mathematical Models: The Predictor of Pregnancy Outcome in Women with Pregnancy of Unknown Location 49**
- *Logistic Regression 50*
- *Bayesian Network Mathematical Model 51*

**11. Serum Inhibin A and Activin A Levels: In Predicting the Outcome of Pregnancy of Unknown Location 57**

**12. Single Visit Strategy to Manage Pregnancy of Unknown Location 61**

**13. Uterine Curettage and Pregnancy of Unknown Location 65**

**14. Laparoscopy and Pregnancy of Unknown Location 69**

**15. Special Situations 71**
- *Pregnancy of Unknown Location with Adnexal Swelling 71*

- *In vitro Fertilization and Pregnancy of Unknown Location 71*
- *Pregnancy of Unknown Location with Free Fluid in Pouch of Douglas 71*
- *Pregnancy of Unknown Location with Pelvic Pain 72*
- *Pregnancy of Unknown Location with Vaginal Bleeding and Pelvic Pain 72*

**16. Methotrexate and Pregnancy of Unknown Location 73**
- *Patient Selection 73*
- *Risk Factors for Ectopic Pregnancy 73*
- *Failure Rate of Single Dose Methotrexate 75*

**17. Management of Pregnancy of Unknown Location 77**
- *Resolving Pregnancy 78*

**18. Consultation Chamber: Frequently Asked Questions 83**

*Summary 87*

*References 89*

*Index 97*
