Contents

1. Endometriosis: Evolution 1
Asha Baxi, Manila Jain Kaushal

2. Endometriosis: Structure to Function 11
Rajat Mohanty, Sudipta Patnaik

Physiological Anatomy 11
Pathophysiology 16

3. Diagnostic Modalities of Endometriosis and their Pitfalls 17
Nandita Palshetkar, Hrishikesh D Pai, Nandan Roongta

History 17
Pathology 18
Epidemiology 18
Clinical Features 19
Diagnostic Evaluation 19

4. Ovarian Endometrioma: Diagnosis and Management 41
Ramesh B, Sandip Datta Roy

Pathogenesis of Ovarian Endometriomas 41
Clinical Presentation and Diagnosis of Endometrioma 42
Management of Endometrioma 45
Surgical Treatment of Endometrioma 46
Oophorectomy for Endometrioma 52
Ovarian Endometrioma: Effect on Fertility and its Management 52
Endometrioma Excision and Ovarian Reserve 57
Ultrasound-Guided Aspiration of Endometrioma 57
Sclerotherapy for Endometrioma 58
Recurrent Endometrioma and its Management 58
Endometrioma and Ovarian Cancer 60

5. Endometriosis and Infertility 68
Pratap Kumar, Prashant Joshi

Pathogenesis 68
Approach to a Patient 70
Medical Management 71
Surgical Management 71
Role of Surgery Before IVF 72
Assisted Reproduction 72

6. Endometriosis in Adolescent 75
Vidya V Bhat, Shwetha Pramod

Prevalence 76
Diagnosis 77
Management 78

7. Adenomyosis an Enigma 82
Rishma Dhillon Pai, Hrishikesh D Pai, Rutvij Dalal

Pathology 83

8. Medical Management of Endometriosis **90**
Mandakini Parihar

Treatment 91
Medical Therapy 91
GnRH Analogs 92
Combined Oral Contraceptives 93
Progestogens 93
Progesterone Receptor Antagonists 93
Danazol 93
Gestrinone 94
Interferons 94

9. GnRH Agonists in Endometriosis **96**
Kanthi Bansal

GnRH Agonists as a Treatment for Endometriosis 96
Dose and Administration 98
Effectiveness 98
Side Effects 102

10. Surgical Management of Endometriosis **105**
Jaideep Malhotra, Nidhi Gupta

Peritoneal Disease 106
Ovarian Disease 107
Pelvic Denervation 108

11. Pain Management in Endometriosis **114**
PM Gopinath

Assessment of the Cause of Pain in Women with Pelvic Pain 115
Depot Progestin Therapy 119
TENS for Pain Relief 119
DLPA 121
Intended Uses 121
Medical Therapy Following Conservative Surgery for Endometriosis 129
Long-Term Management 130

12. Recurrent Endometriosis: Clinicians Challenge **139**
Kanthi Bansal

Prevalence of Recurrence 139
Causes of Recurrence 140
Postoperative Medical Management in Recurrent Endometriosis 146

13. Scar Endometriosis **152**
T Ramani Devi, C Archana Devi

Incidence 152
Etiopathogenesis of Scar Endometriosis 152
Management of Scar Endometriosis 157
Follow-up and Prevention of Scar Endometriosis 157

14. Rectovaginal Endometriosis: A Distinct Entity **163**
Madhavi Panpalia, Neeta Warty, Firuza Rajesh Parikh

Definition 163
Incidence 163
Diagnosis 165
Histology 171
Treatment 171
Fertility and RVE 183

15. Coping Up with Endometriosis **187**
Sujata Kar

Endometriosis: An Enigma 187
Diagnosis 188

16. Recent Advances of Treatment in Endometriosis **193**
Kamini A Rao, Mekala D

Treatment of Endometriosis Associated Pain 193
Newer Treatment Modalities 194
Surgical Treatment 195
Surgery in Reproductive Age Group 196
Treatment of Endometriosis Related Subfertility 197
Assisted Reproduction in Endometriosis 198
Extra Genital Endometriosis 199
Complementary Therapy 199

17. Endometriosis: Future Thoughts **204**
Parul J Kotdawala, Sonal Kotdawala

Diagnosis of Endometriosis 205
Therapy for Endometriosis 208
