Contents

Section 1: Ethics in Healthcare: The Guiding Values!

1. The Ethics of Medical Practice 3

VP Singh, Parmod Goyal

Medical Ethics *3*

Autonomy *4*

Beneficence *4*

Nonmaleficence *4*

Conflict Between Autonomy and Beneficence/Nonmaleficence 5

Justice 5

Paternalism versus Autonomy: What Serves the Patient Best? 5

Does Paternalism Really Serve the Purpose? 6

Changing Ethos: Paternalism to Patient Autonomy 6

Should Physicians do Whatever Patients say? 7

What Serves the Patient Best? 7

Ethical Guidelines for Medical Practitioners 8

Indian Medical Council (Professional conduct, Etiquette and Ethics) Regulations *8*

Chapter 1: Code of Medical Ethics 8

Chapter 2: Duties of Physicians to their Patients 9

Chapter 3: Duties of Physician in Consultation 10

Chapter 4: Responsibilities of Physicians to Each Other 10

Chapter 5: Duties of Physician to Public and Paramedical Profession 11

Chapter 6: Unethical Acts 11

Chapter 7: Misconduct 14

Chapter 8: Punishment and Disciplinary Action 16

2. Confidentiality and Disclosure in Medical Practice 18

VP Singh, Akashdeep Aggarwal

When Confidentiality may be Breached? *19*

Legal Requirement/Administration of Justice 19

Guidelines on Medical Confidentiality *20*

Medical Council of India Regulations 20

Right to Information Act and Medical Confidentiality 21

RTI and Medicolegal Cases 22

Medical Confidentiality and HIV Status 23

NACO Guidelines on Confidentiality in HIV-positive Individuals Operational Guidelines for ICTCs: (July 2007) 23

Guidelines on HIV Testing (March 2007) 24

Judicial Decisions on Medical Confidentiality and HIV Status 25

Mandatory HIV Screening 25

HIV Testing of Patients Prior to Surgery 25

Section 2: Medicolegal Menace: Let's Face The Truth, Now!

3. Disclosing Medical Errors: Why, When and How? **31**
VP Singh, Gautam Biswas
Medical Errors *31*
Disclosure of Medical Errors *32*
How did it Start? 32
Ethics, Law and Policy 33
Consequences of Disclosing Medical Errors *33*
Benefits of Disclosure to the Patient 33
Harms of Disclosure to the Patient 34
Harms of Disclosure to the Medical Practitioner 34
Benefits of Disclosure to the Medical Practitioner 34
Guidelines on Disclosing Medical Errors *34*
How to Handle Medical Errors in Practice? 34
When Disclosure should Take Place? 35
Timing of Disclosure 35
Stages of Disclosure 35
What to Say? 36

4. End of Life Care Decisions: Ethical and Legal Issues **40**
Rashmi Datta, Pradeep Sreevastava, Arvind Kumar Singh
Palliative Care at the End of Life *40*
Magnitude of the Problem *41*
Medical Futility *41*
Withholding or Withdrawal of Life Support *43*
Advanced Directives and Do-not-resuscitate Orders *43*
Euthanasia *44*
Active Euthanasia 44
Passive Euthanasia 44
Voluntary Euthanasia 44
Nonvoluntary Euthanasia 44
Implications to Human Organ
Transplantation Act *45*
Legal Aspects of End of Life Issues in India 45

5. Medicolegal Aspects of Discharge Against Medical Advice **49**
Krishnadutt H Chavali, Swapnil S Agarwal, VP Singh
How Prevalent is Dama? *49*
Causes and Predictors of Dama *50*
Why Patients Leave Against Medical Advice? 50
Who is at Risk of DAMA? 50
Legal Status of DAMA *51*
Dissolution of the Therapeutic Relationship 51
Is there any Protection Against Future Litigation? 51
Validity of DAMA 52
Duty of Doctor in DAMA 52
Consequences of DAMA *52*
Risk to the Patient 52
Risk to the Doctor/Hospital 53

Managing DAMA: A Practical Approach *54*
Assess Decision-making Capacity 54
If Patient Lacks Capacity 54

6. Violence Against Doctors: Causes, Effects, and Solutions 60
Sundeep Mishra
Definition *61*
Factors Predisposing to Violence *61*
Situation Unique to India *62*
What Leads to Violence by Attendants/Relatives? *62*
Physician Related Factors 62
Patient Related Factors 62
Hospital Related Factors 63
Role of Community 63
Role of Media 64
How to Anticipate Violence in Healthcare Setting? *64*
Managing Violence in Healthcare Setting *65*
At the Time of Violence 65
Preventing Violence in Healthcare Setting *65*
Preventive Tips for the Physicians 65
Preventive Tips for the Hospital Administrators 67
Strong and Effective Laws: Essential in Fight Against Violence *67*
Strengthening the Law Against Violence 67
Implementation of Effective Laws 69
Role of Media in Preventing Violence 69
Health Related Literacy 69
Insurance Schemes 69

Section 3: Patient Safety Initiatives: A Key to Medicolegal Safety

7. Patient Safety and Risk Management 73
Sameer Mehta
Strategies for Safety in Healthcare *74*
Emergency Care and Patient Safety 74
Possible Solutions 74
Radiology and Imaging *75*
Counseling Rooms—Informed Consent *76*
Isolation Rooms *77*
Medical Records *77*
Patient Accessibility *78*
Patient Handling and Movement Assessment *79*
Infection Control *79*
Monitoring Differential Pressure 81
Medical Gases *82*
Safety Measures Related to Medical Gases 82
Storage of Cylinders 83
Smart Hospitals *83*
Risk Management *83*
The Process of Risk Management 83

8. Healthcare-associated Infections: A Threat to Patient Safety **87**
Rahul S Kamble
What is Healthcare-associated Infection? *88*
What are the Sources of Healthcare-associated Infections? 88
Important Facts Related to Healthcare-associated Infection 88
Which Infections are not Healthcare-associated 89
Common Healthcare-associated Infections 89
Ventilator-associated Condition 90
Transmission of Infection *91*
Source of Microorganisms 91
Susceptible Host 91
Means of Transmission 92
The Burden of Hospital-acquired Infection *92*
Preventing Hospital-acquired Infection *92*
Infection Prevention Initiatives *94*
Recommendations by Agency for Healthcare
Research and Quality 94
Initiative by the World Health Organization 94
The Joint Commission's National Patient Safety Goals 94
Active Surveillance Culture 95
Indicators of Healthcare-associated Infections *96*
Management of Healthcare-associated Infections *97*
Strategies for Management of Healthcare-associated Infections 97
Principles of Empiric Therapy 97
Specific Empiric Situations 97
Initial Antibiotic Therapy 97
Therapeutic Strategies of Documented Healthcare-associated Infections 97
Gram-negative Organisms 98
Gram-positive Organisms 98
Newer Research Related to Healthcare-associated Infection *98*
Medicolegal Aspects Related to Healthcare-associated Infection *99*
All Healthcare-associated Infections are not Preventable! 100
Medical Negligence Cases Related to Healthcare-associated Infection *101*
Case 1: Patient Suffered Hepatitis C Infection 101
Case 2: Patients Lost Vision due to Eye Infection 102
Legal Provisions Applicable to Healthcare-associated Infection *103*
Section 304A IPC (Causing Death by Negligence) 103
Section 337 IPC (Causing Hurt by Act Endangering Life or Personal Safety of Others) 103
Section 338 IPC (Causing Grievous Hurt by Act Endangering Life or Personal Safety of Others) 104
Section 269 IPC (Negligent Act Likely to Spread Infection of Disease Dangerous to Life) 104
Section 270 IPC (Malignant Act Likely to Spread Infection of Disease Dangerous to Life) 104

9. Communication Skills in Healthcare: A Tool to Ensure Patient Satisfaction **107**
Archana Kumari, Piyush Ranjan
What is Communication *108*
Types of Communication 108
Communication in Healthcare *109*
Importance of Communication Skills for Doctors 109
Basic Principles of Good Communication *110*
Tips for Good Communication in OPD Setting *110*
The Medical Interview with Patient 110

Tips for Good Communication in an Indoor and ICU Setting *111*
Communicating with the Attendants 111
Barriers to Communication *113*
Consequences of Ineffective Communication *113*
How to Assess the Communication Skills of Healthcare Workers? *114*
Breaking Bad News *114*
Teaching Communication Skills and Medical Curriculum *115*
AETCOM: An Initiative by Medical Council of India 115

Section 4: Medical Records: A Double-edged Sword

10. Medicolegal Aspects of Informed Consent **121**
VP Singh, Dasari Harish
Evolution *122*
Judicial Decisions Introducing the Concept of Informed Consent 122
Objectives *123*
Meaning *123*
Implied Consent 124
Express Consent 124
What makes the Consent Legally Acceptable? *124*
Conditions for a Valid Consent 125
Age for Consent 125
Duty to Warn a 'Material Risk' 127
Exceptions *128*
Obtaining Consent: The Procedure *128*
Documentation of Informed Consent 128
Judicial Decision on Informed Consent *129*
Samira Kohli Case: Landmark Judgment on Informed Consent 129
Extracts from the Supreme Court's Judgment (Samira Kohli's Case) 129

11. Medicolegal Aspects of Medical Records **132**
Joseph Thomas, Arun Mavaji Seetharam, Rajesh Kumar Sinha
Component of Medical Records *132*
Electronic Health Records: An Emerging Trend In India *133*
Ownership of Data 134
Data Access and Confidentiality 134
Electronic Health Records Preservation 134
Data Privacy and Security 134
Confidentiality of Medical Records *135*
Categories of Medical Records *135*
Guidelines on Medical Record *136*
Medical Council of India Guidelines 136
NABH Guidelines 136
Medicolegal Aspects of Medical Records *141*
Preservation of Records 141
Ownership of Medical Records 142
Summoning Medical Records by Courts 142
Judicial Decisions Related to Medical Records *143*

12. Documentation in Healthcare: Standards and Guidelines **145**
Utsav Parekh
Medical Documentation *145*
Documentation not Directly Related to the Patient 146
Legal Importance of Documentation *146*
Key Role in Litigation Process 146
Standard of "Continuum of Care" 146
Regulation Governing Medical Records 147
Cases Compelling Medical Documents 147
Benefits of Good Quality Documentation *147*
Errors in Documentation *148*
Vacuum in Clinical Documentation 148
Failing to Write a Complete Note 148
Failing to be Concise 149
Illegible Medical Documentation 149
Medical Council of India Guidelines on Prescription Writing 150
Use of Unsafe Abbreviations 150
Clinical Documentation Guidelines *150*
Guiding Principle 1: Comprehensive and Complete Record 151
Guiding Principle 2: Patient Centered and Collaborative 151
Guiding Principle 3: Ensure and Maintain Confidentiality 152
Key Points for Good Medical Documentation *152*
Critical Issues in Medical Documentation *154*
Discharge Notes 154
Written Feedback from Patient/Attendants 155
Issuing Medical Certificate 155
Documenting Adverse Events 155
Documenting Instructions to the Patient 157
Documenting Patient's Refusal 157

Section 5: Litigation Against Medical Practitioners: Let's Take the Bull by the Horns

13. Medical Negligence: Meaning, Scope and Legal Interpretation **161**
VP Singh, Vivekanshu Verma
What is Medical Negligence? *161*
Essential Components of Medical Negligence *161*
Duty of Care 162
Dereliction in Duty of Care 162
Damage 163
Direct Causation 163
Types of Medical Negligence *163*
Medical Negligence as a Tort 163
Medical Negligence as a Crime 163
Negligence Per Se 164
Vital Issues in Medical Negligence *164*
Burden of Proof of Medical Negligence 164
Reasonable Care 166
Criminal Liability of Medical Professionals *167*
Guidelines: Prosecution of Doctors for Criminal Rashness or Criminal Negligence 167

14. How to Defend a Medical Negligence Lawsuit? 169
VP Singh, MC Gupta
Pattern of Complaints Against Medical Practitioners *169*
Complaints under Consumer Protection Act: Step-by-step Approach *170*
The Complaint 170
Inform the Insurance Company 170
Selection of Defence Lawyer 170
Preparing the Written Statement 171
Rejoinder and Affidavits 171
Examination of Witnesses 172
Arguments 172
The Order 172
Appeal 172
Facing the Court: Medicolegal Tips and Advice *173*
Avoid Talking to the Complainant or his Advocate 173
Avoid Fingerpointing 173
Avoid Alteration or Destruction of Medical Records 173
Appearing in a Criminal Case 173

15. Compensation in Medical Negligence: How much is Justified? 176
VP Singh, Mukesh Yadav
Compensation in Medical Negligence *176*
Multiplier Method: Can it be Used in Medical Negligence Cases? 177
Multiplier's Method is not Applicable in Medical Negligence Cases 178
How much Compensation is Just and Adequate? *179*
Impact of High Quantum of Compensation *180*
Medical Liability—A Future Crisis: Learning from the Other Countries *180*
The Crisis 180
Crisis Reform Models *181*
Caps on Noneconomic Damages 181
No-fault Compensation 182
Health Courts 182

16. Professional Indemnity Insurance: Better Safe than Sorry 185
Rajendra S Bangal
Professional Indemnity Insurance *185*
What does it Cover? 186
What it does not Cover? 186
Factors Influencing the Amount of Insurance 187
Some Important Information *188*
AOO: AOY Ratio 188
Premium Rates (Individuals) 189
Premium Rates (Clinical Establishments) 189
Retroactive Date *189*
An Ideal Indemnity Insurance Policy: Proposed Components 190

Section 6: Medical Laws and Judgments: A Ray of Hope!

17. Landmark Judgments Related to Medical Professionals **195**
VP Singh, Krishnadutt Chavali
Dr Suresh Gupta's Case *195*
Facts of the Case 195
Patient's Allegation 196
Doctor's Defence 196
Relevant Sections of Indian Penal Code 196
Findings of the Court 197
Supreme Court's Observation on Criminal Negligence 197
Jacob Mathew's Case *198*
Facts of the Case 198
Patient's Allegation 198
Doctor's Defence 198
Findings of the Court 198
Supreme Court's Observation on Negligence *199*
Negligence as a Tort 199
Negligence as a Tort and as a Crime 199
Negligence by Professionals 199
Standard of Care Required by a Medical Practitioner 200
Martin D'Souza's Case *200*
Facts of the Case 200
Patient's Allegation 201
Doctor's Defence 201
Findings of the Court 201
Supreme Court's Observation 201
V Kishan Rao's Case *202*
Facts of the Case 202
Patient's Allegation 202
Doctor's Defence 202
Findings of the Court 202
Supreme Court's Observation on Expert Medical Opinion 203
Supreme Court's Observation on Martin D'Souza's Case 203

18. Medicolegal Outlook on Transplantation of Human Organs Act **204**
Sunil Shroff, Sumana Navin, Hemal Kanvinde, Sujatha Niranjan, Christopher Barry
Transplantation of Human Organs and Tissues Rules 2014 *204*
Medicolegal Aspects of Living Donation and Transplantation 207
Medicolegal Aspects of Deceased Organ Donation and Transplantation 208
Future Challenges *209*

19. Medicolegal Outlook on Bio-Medical Waste Management Act **212**
VP Singh, Pardeep Singh
Bio-medical Waste *212*
Law on Bio-medical Waste Management *213*
Bio-medical Waste Management Rules, 2016 *213*
Application of the Rules 213
Important Definitions 214
Duty of an Occupier 214
Prescribed Authority 216

Procedure for Authorization 216
Advisory Committee 216
Monitoring of Implementation of the Rules in Healthcare Facilities 217
Annual Report 218
Appeal 218
Liability of the Occupier, Operator of a Facility 218
Treatment and Disposal 218
Segregation, Packaging, Transportation, and Storage 218
Salient Features of Bio-medical Waste Rules 2016 *222*
Name of the Rules 222
The Categories of Bio-medical Waste 223
Widened Scope of the Rules 223
The Authorization 223
Duties and Responsibilities 223
Phasing out the Use of Chlorinated Plastic Bags 223
Tracking the Bio-medical Waste Bags 223
Newer Technologies Incorporated 224
Occupational Safety of Healthcare Workers 225
Records of the Bio-medical Waste 225
Penalties Under the Environment Protection Act *225*
Penalties for Offences 225
Who can File a Complaint Under the Act? 225
If the Violation is also an Offence Under any Other Legislation 226

20. Medicolegal Outlook on PC-PNDT Act **227**
Chandrashekhar A Sohoni
Preconception and Prenatal Diagnostic Techniques Act in a Nutshell *227*
Registration of Ultrasound Machine 227
Record Keeping 228
Monitoring and Implementation 229
Offences and Penalties 230
PC-PNDT Act–Controversies and Practical Difficulties: Safety Measures to be taken by the Doctors 230

Section 7: Medicolegal Issues in Various Specialties: Eagle's Eye and Lion's Heart!

21. Medicolegal Issues in Obstetrics and Gynecology **239**
Charu Mittal, PS Mittal
Medicolegal Issues in Obstetrics *240*
Obstetric Cases Vulnerable to Malpractice Lawsuits 240
Errors in Antenatal Care: Medical and Legal Implications 241
Wrongful Birth 241
Wrongful Life 241
Wrongful Conception 242
Wrongful Death 242
Ectopic Pregnancy 242
Premature Baby 242
High-risk Pregnancy 243
Medical Disorders in Pregnancy 243
Cesarean Section 243

Vaginal Birth After Cesarean 243
Intrauterine Fetal Death/Stillbirths 243
Ultrasonography in Obstetrics: Legal Issues 244
Obstetric Anesthesia 244
Medicolegal Issues in Gynecology *245*
Medicolegal Issues in Perioperative Patient Care *245*
Hysterectomy 245
Retained Surgical Objects 246
Sterilization/Family Planning Operation 247
Surgical Complications: Medical and Legal implications *248*
Role of Consent 248
Specialist as an Expert Witness in a Court of Law *248*
General Precautions During Day-to-day Practice: Avoiding Malpractice Lawsuits *249*

22. Medicolegal Issues in Surgery **252**
Manu Shankar
Preoperative Period in Surgery *253*
Document Preoperative Status 253
Document the Shared Decision Making Process 253
Involve Other Specialties 253
Give Sufficient Time to Patient 254
Peroperative Period *254*
Unexpected Peroperative Findings 254
Deviation from Planned Surgery 254
Need to Call Other Specialists During Surgery 255
Postoperative Period *255*
Postoperative Complications 255
Repeat Surgery 255
Consent in Surgery *256*
Role of Anesthesia *256*
Surgical Complications *256*
'Never Events' in Surgery *258*
Retained Surgical Items 258
Wrong Site Surgery 258
Take Home Message for the Surgeons *259*

23. Medicolegal Issues in Orthopedics **261**
VJ Purushotham
Medicolegal Risks in Orthopedics *262*
Morbid Results are Easily Noticeable 262
Lack of Proper Rapport with the Patients 262
Scope of Consent in Orthopedics 263
Reasons of Litigation Against Orthopedic Surgeons 263
Wrong-site Surgery 264
Tips on Preventing Medicolegal Conflicts *265*
Good Communication and Rapport 265
Documentation and Informed Consent 265
Advocating Treatment Options 266
Avoid Medical Jousting Please! 266

Practice Evidence-based Orthopedics 266
Safe Operation Theater Setup 266
Orthopedist in the Court of Law *267*

24. Medicolegal Issues in Ophthalmology **269**
Dinesh Verma, Amandeep Singh
Vulnerable Domains in Ophthalmic Practice *270*
Laser Assisted In Situ Keratomileusis Complications (Suboptimal Visual Outcome) 270
Cataract Surgery 271
Ocular Trauma 272
Retinal Conditions 272
Missing Serious Systemic Diseases 273
Organ Donation 273
Managing the Risk of Lawsuits *274*

25. Medicolegal Issues in Pediatrics **277**
Yogesh dave
Who is a Child? 277
Who is a Pediatrician? 278
Why Study Medicolegal Issues in Pediatrics? 278
Informed Consent in Pediatrics 278
Age for Consent in Pediatrics 279
Error in Diagnosis During Emergencies 280
Avoidable Surgeries 280
Patient Safety in Pediatrics 280
Neonatal Intensive Care: Vulnerable to Malpractice Lawsuits 281
Parental Refusal to Medical Treatment 282
Communication Skills—Key Role in Pediatrics 282
Legal Risks of Ineffective Communication 283
Communicate Well with Children and Families 283

26. Medicolegal Issues in Radiology **285**
Chandrashekhar A Sohoni
Why Radiology is Vulnerable to Medicolegal Conflicts? *287*
Nature of the Specialty 287
Radiological Opinion as 'Written and Signed' Document 287
Commercialization of Healthcare 287
Unclear Baseline for Standard of Practice 287
Expectation vis-à-vis Performance: A Mismatch 288
Emotional Facet of the Disease 288
Ignorance About the 'Diagnostic' Limitations of Radiology 288
Easy to Accept Cause-effect Relationship 289
Judicial Decisions on Radiological Errors 289
Avoiding Litigation in Radiology *290*
Being Alert 290
Communication with the Referring Doctor and the Patient 290
Role of Informed Consent 291
Publishing Diagnostic Errors Regularly 291
Errors in Radiology: The Way Ahead 291

27. Medicolegal Issues in Blood Transfusion Practice **294**
Ranabir Pal, Amrita Ghosh, Debashis Sinha, Shrayan Pal
Current Scenario in India *295*
National Blood Policy 295
Scenario of Legal Framework *295*
Drugs and Cosmetics Rules 296
Medicolegal Aspects *297*
Façade of Non-remunerated Blood Donation 297
Code of Ethics Relating to Transfusion Medicine 298
Ethical Principles Relating to Patients 298
Ethical Principles Relating to Donors 299
Stewardship of Blood Supply 299
The Informed Consent in Blood Donation 301
Challenges of Blood Screening 301
Donor Screening: A Concept to be Conceptualized 302
Who will Bell the Cat? 303
Alternatives to Blood Transfusion: Newer Research *303*
Stem Cell-derived Blood Cells 303
Placental Umbilical Cord Blood Transfusion 303
Blood Transfusion Safety *304*
WHO Recommendation for Blood Safety and Availability 304
Guidelines for Administration of Blood and Blood Components 304
Training and Competency Assessment 306
Adverse Effects of Transfusion *308*
Noninfectious Hazards of Transfusion 308
Infectious Hazards of Transfusion 309
Documentation of Blood Transfusion Practice *309*
Blood Collection Records 309
Laboratory Records 309
Blood Issue and Usage Records 310
Storage of Records 310
Disposal of Records 310
Clinician's Guidelines in Case the Patient Needs Transfusion *310*
Collecting Blood Prior to Transfusion 311
Storing Blood Products Prior to Transfusion 311
