Contents

1. Strategies to Change Neonatal Intensive Care Practices Harmful to the Developing Brain 1

Sudha Chaudhari

- Noise *2*
- Light *2*
- Pain *2*
- Tactile Stimuli *3*
- Medications *3*
- Radiation *4*
- Developmentally Supportive Humanized Care *4*

2. Discharge Planning and Counseling 6

Sudha Chaudhari

- Planning the Discharge *6*
- Discharge Documentation *7*
- Discharge Screening *7*
- Counseling *7*
- Follow-Up *10*

3. Organization of the High-risk Clinic 13

Sudha Chaudhari

- Patient Selection *13*
- Criteria for Close Monitoring *13*
- Functions and Goals of the High-risk Clinic *14*
- Interventions *14*
- Assessments *15*
- Referral to Other Services *16*
- Staff Requirements *16*
- How to Cut Costs? *16*
- Early Intervention *17*
- Schedule of Visits *17*
- Recordkeeping *17*
- Is the Expense Justified? *18*

4A. Hearing Assessment in Infants 20

Neelam Vaid, Shweta Deshpande

- The Hearing Brain *20*
- Causes of Hearing Loss in Infants *21*
- Hearing Assessment *22*
- Screening Techniques *24*
- Diagnostic Tests for Hearing Assessment *26*

- Behavioral Assessment *27*
- Electrophysiological Measures *28*
- Exceptional Considerations/Cases *30*

4B. Intervention in Children with Hearing Loss 33

Neelam Vaid, Shweta Deshpande

- Medical/Surgical Intervention *33*
- Types of Hearing Devices *34*
- Aural Habilitation *37*

5A. Visual Impairment.....39

Aditi Patwardhan

- Epidemiology: Retinopathy of Prematurity *39*
- Prevalence of Retinopathy of Prematurity in India *39*
- Risk Factors for Retinopathy of Prematurity *40*
- Pathophysiology of Retinopathy of Prematurity *40*
- Classification of Retinopathy of Prematurity *40*
- Disease Location into Zones *41*
- Disease Stages *41*
- Extent of Retinopathy *44*
- Screening for Retinopathy of Prematurity *44*
- Treatment *46*
- Etrop Guidelines for Retinopathy of Prematurity Laser *47*
- Laser Treatment *47*
- Surgical Management of Retinopathy of Prematurity *49*
- Other Causes of Visual Impairment *50*

5B. Retinopathy of Prematurity in a Tertiary Care Center: Incidence, Risk Factors, and Follow-up 52

Sudha Chaudhari

6A. Growth and Development.....54

Sudha Chaudhari

- Growth Expectations *54*
- Growth Outcome *54*
- Growth Patterns *54*
- Neurodevelopmental Assessment *56*
- Amiel-Tison Neurological Assessment *57*
- Transient Tone Abnormalities *63*
- Qualitative and Quantitative Assessment *63*
- Precocious Achievement of Motor Milestones *65*
- Developmental Tests *65*
- Investigations *68*

6B. Developmental Assessment Scales for Indian Infants (DASII).....72

Bindu Patni

- Motor Clusters *75*
- Mental Clusters *75*

- Standardization *78*
- Psychometric Properties *78*
- Administration Time *78*
- Administration Procedure *78*
- Scoring *79*

6C. Bayley Scales of Infant and Toddler Development: Third Edition (Bayley III) 81

Bindu Patni

- Cognitive Scale *81*
- Language Scale *82*
- Motor Scale *82*
- Standardization *83*
- Psychometric Properties *83*
- Administration Time *83*
- Scoring *83*

7. Cerebral Palsy 86

Sudha Chaudhari

- Tone *86*
- Children with Athetosis *86*
- Children with Ataxia *86*
- Topographic Classification *87*
- Severity *87*
- Importance of Early Intervention *97*

8A. Early Intervention 99

Sudha Chaudhari

8B. Occupational Therapy with Emphasis on a Home-based Stimulation Program 104

Bharati Patil

- Therapy Plan *106*
- Techniques for Normalizing Tone *106*
- Home-based Stimulation Program *106*
- Development of Hand Function *111*

8C. Orthopedic Management in Cerebral Palsy 115

Sameer Desai, Rakesh Meena, Ashima Choudhari

- Diagnosis and Classification *115*
- Physical Examination of a Child with Cerebral Palsy *116*
- Tone *116*
- Modified Ashworth Scale *117*
- Muscle Strength Analysis and Selective Motor Control *119*
- Concept of Lever Arm Dysfunction and Torsional Profile *119*
- Classification of Cerebral Palsy *120*
- Musculoskeletal Pathology Management *121*
- Botulinum Toxin A *121*
- Orthopedic Surgical Intervention *123*

- Knee Flexion Deformity *124*
- Hip Subluxation and Dislocation *124*
- Scoliosis *125*

9. Learning Disabilities in Low Birth Weight Children 128
Sudha Chaudhari
- Incidence *128*
- Reading Disorder (Dyslexia) *128*
- Disorder of Written Expression (Dysgraphia) *129*
- Mathematics Disorder (Dyscalculia) *129*
- Prediction *132*
- Importance of Early Diagnosis *133*
- Red Flag Signs for Learning Disabilities *133*
- Treatment *134*

10. Parenting a Child with Disability 135
As narrated by the mother to Dr Sudha Chaudhari

11. Pune Low Birth Weight Study: Birth to 22 Years 138
Sudha Chaudhari

12. Pune Neurodevelopmental Screening Test 153
Sudha Chaudhari
Neurological Examination of Newborns and Infants in Office Practice *154*

13. A Parents' Perspective 159
Sudha Chaudhari

Annexures

Annexure I: Neurological Assessment in the First Year 165

Annexure II: Combined Neurological Assessment of Neonatologist and Occupational Therapist..... 170

Annexure III: High-risk Follow-up Clinic: Neurological Assessment 174

Annexure IV: Stimulation Program for Infants 177

Index *185*
