Contents

1. History of Cataract Surgery **1**
F Gualdi, M Gualdi
- *Cataract Surgery: From "Couching" to "Femto-Phaco" 1*

2. Principles of Physics of Femtosecond Laser **7**
L Gualdi, F Gualdi
- *Femto-laser 9*

3. Femtosecond Laser in Cataract Surgery: Overview and History **17**
M Gualdi
- *Characteristics of Femto-laser for Cataract Surgery 17*
- *History and Evolution of Femto-laser for Cataract Surgery 18*

4. Quick Overview on Femtosecond Laser for Cataract Surgery **21**
P Crozafon
- *General Considerations 21*
- *Major Variables of Femtosecond Laser Cataract Systems 22*
- *The Application of Femtosecond Laser in Cataract Surgery 22*
- *Setting Anterior Capsule Treatment 23*
- *Setting Nucleus Treatment 23*
- *Setting Primary Incision Treatment 24*
- *Docking with the Patient Interface with Suction Ring and Tubing 24*
- *Checklist of Key Points 25*
- *LenSx Lasers Optical Coherence Tomography 25*

5. LenSx (ALCON): Description of the Device, Procedure and Clinical Experiences **29**
M Gualdi, L Gualdi, F Gualdi
- *Description of the Device 29*
- *Set-up 30*
- *Docking 32*
- *Optical Coherence Tomography 39*
- *Preoperative Strategy 40*
- *Applications of LenSx Laser System 40*
- *Post-femto Phacoemulsification 62*
- *Complications 70*
- *Indications and Contraindications 72*

6. LenSx: Femtosecond Laser Relaxing Incisions **77**
E Donnenfeld, A Barsam, A Vo

7. LenSx: How to Avoid Possible Complications of Femto-Laser Cataract Surgery **84**
Zoltan Z Nagy
- *How to Avoid Serious Intraoperative Complications 85*

8. VICTUS (Bausch and Lomb): Description of the Device, Procedure and Clinical Experiences **90**
R Bellucci
- *Technique of Cataract Surgery with Victus Femtosecond Laser Platform 90*
- *Clinical Aspects of Cataract Surgery with Victus Femtosecond Laser Platform 104*
- *Results after Victus Femtosecond Laser Platform in Cataract Surgery 110*

9. VICTUS: Challenging Cases **112**
P Stodûlka
- *Deep Set Eyes 112*
- *Corneal Opacities 112*
- *Keratoconus 112*
- *Corneal Ring 112*
- *Small Pupil and Posterior Synechiae 113*
- *Posterior Laser Capsulotomy 113*
- *Nystagmus 114*
- *Patient Flow 114*

10. VICTUS: Femtosecond Laser Cataract Surgery in Special Cases **115**
KP Reddy, MS Sridhar, G Harsha Vardhan Reddy, N Srilakshmi
- *Relevant Literature of Femtosecond Laser Cataract Surgery 115*
- *Victus Femtosecond Laser Platform 117*
- *Our Technique 117*
- *Victus in Special Cases 120*
- *Complications 123*

11. LENSAR (TOPCON): Description of the Device, Procedure and Clinical Experiences **125**
L Mastropasqua, L Toto, R Mastropasqua, PA Mattei
- *Laser Technology 125*
- *Femtosecond Laser Technology 126*
- *Laser Cataract Procedure 127*
- *LensAR Technology 127*

12. LensAR: Initial Experience with Femtosecond Cataract Laser **150**
Jr FA Bucci
- *Features of the LensAR System 150*
- *Femtosecond Technology and Surgical Technique 152*
- *Customization 152*

13. LensAR: Femtosecond Laser Cataract Surgery in Difficult Cases **154**
D Holland, A Pillai
- *Higher Grade Cataracts 154*
- *Small Pupil 157*
- *Subluxated Lenses 158*
- *Laser Relaxing Incisions 159*

14. Catalys Precision Laser System (Optimedica/Abbott): Description of the Device and Procedure **161**
M Gualdi, F Gualdi, L Gualdi
- *Liquid Optics™ Interface 161*
- *Customized Spectral Domain OCT 162*
- *Applications of Catalys Precision Laser System 164*

15. Catalys Precision Laser System: Technique, Clinical Experiences, Cases and Complications **167**
HB Dick, RD Gerste, T Schultz
- *Technique of Cataract Surgery with the Catalys System 167*
- *Clinical Experiences, Cases and Complications 171*

16. FEMTO LDV Z8 (Ziemer): Description of the Device and Procedure **175**
A Wirthlin
- *System Concept 176*
- *Technology 176*
- *Applications 177*
- *Cataract Surgery with the FEMTO LDV Z8 177*

17. FEMTO LDV Z8 (Ziemer): Clear Corneal Incisions and Corneal Relaxing Incisions **179**
Jr L Izquierdo, M Rodriguez, MA Henriquez
- *High Density Pulse Raster by Ziemer's FEMTO LDV Systems 179*
- *FEMTO LDV Z6 PowerPlus and Z8 Models 179*
