Contents

1. Temporal Bone Dissection Laboratory **1**
The microscope *4*
Drill *6*
Burrs *8*

2. Surgical Anatomy of the Temporal Bone **9**
Lateral surface *9*
Posterior surface *10*
Superior surface *11*
Inferior surface *11*
Petrous apex *13*

3. Planning of Dissection **14**
Plan 1 *14*
Plan 2 *15*
Plan 3 *15*

4. Simple Mastoidectomy (Cortical Mastoidectomy/ Schwartz Mastoidectomy) **17**
Indications *17*
Procedure *17*

5. Epitympanotomy **28**
Anatomy *28*
Procedure *28*

6. Facial Recess Approach **30**
Indications *30*
Procedure *30*

7. Cochlear Implant Insertion **36**
Preparation of the well *36*
Cortical mastoidectomy *36*
Opening of facial recess by posterior tympanotomy *37*
Cochleostomy *37*
Electrode insertion *38*
Fixation *40*

8. Facial Nerve Decompression **41**
Anatomy *41*
Transmastoid approach for facial nerve decompression *42*

9. Endolymphatic Sac Decompression **46**
Anatomy 46
Procedure 46
Identification of endolymphatic sac 47

10. Labyrinthectomy **50**
Anatomy 50
Procedure 51

11. Internal Auditory Meatus **56**
Anatomy 56
Translabyrinthine approach to internal auditory canal 57

12. Middle Ear Dissection and External Ear Canal Widening **63**
Elevation of tympanomeatal flap and widening of external auditory canal 63

13. Stapedectomy **68**
Elevation of tympanomeatal flap removal of overhang 71
Making the hole in the footplate of stapes 73
Removal of suprastructure of stapes 75
Insertion of the piston between incus and hole in the footplate of stapes 76

14. Ossicles, Ossicular Prostheses and Anatomy of Middle Ear **79**
Ossicles 79
Other middle ear structures 81

15. Transmeatal Inside-out Atticotomy and Reconstruction **82**
Procedure 82

16. Transmeatal Approach for the Facial Nerve Decompression **86**
Procedure 86

17. Jugular Bulb and Carotid Artery **92**

18. Dissection of the Cochlea **95**
Anatomy 95
Procedure 95

19. Canal Wall Down Procedures: Modified Radial Mastoidectomy **98**
Anatomy 98
Modified radical mastoidectomy 98

20. Radical Mastoidectomy **106**
Procedure 106

21. Facial Nerve Transposition **109**
Procedure 109
