# Contents

**Chapter–1 New Insights into the Surgical Anatomy and Embryology of the Rectum: A Review 1–22**

*William Willaert, Wim P Ceelen, Piet Pattyn, Yves Van Nieuwenhove*

- Abstract *1*
- Embryology of the Rectum and Anal Canal *1*
- Anatomy of the Rectum and Anal Canal *2*
- Nervous System *6*
- Surgical Anatomy *9*

**Chapter–2 Trends in the Management of Rectal Cancer 23–34**

*Ryash Vather, Ian P Bissett*

- Nonoperative Management of Rectal Cancer Following Complete Clinical Response to Neoadjuvant Chemoradiation *24*
- Operative Technique for Abdominoperineal Resection *27*
- Transanal Endoscopic Microsurgery (TEM) *30*

**Chapter–3 Neoadjuvant Therapy in Rectal Cancer: Current Status 35–45**

*Rahul Khanna, Seema Khanna*

- Adjuvant Therapy *36*
- Neoadjuvant Treatment in Rectal Cancer *36*

**Chapter–4 Macroscopic Examination of TME Specimen 46–54**

*Timothy G Palmer, Nicholas P West, Gordon GA Hutchins, Philip Quirke*

- Anatomy *46*
- Preparation of the Specimen *47*
- Macroscopic Description of the Specimen *48*
- Assessment of the Planes of Surgery *48*
- Cross-sectional Slicing *50*
- Selection of Blocks *51*
- Assessment after Preoperative Therapy *51*
- Lymph Node Sampling *52*

**Chapter–5 Laparoscopic Colorectal Surgery in Benign or Malignant Disease 55–59**

*Yves Van Nieuwenhove*

- Feasibility of Laparoscopic Colorectal Surgery *55*
- Oncologic Safety of Laparoscopic Colorectal Surgery *57*

**Chapter–6 Peritoneal Carcinomatosis from Colorectal Cancer: An Update 60–69**

*Wim P Ceelen*

- Incidence and Risk Factors of Peritoneal Carcinomatosis from Colorectal Cancer *60*
- Prognostic Significance of Peritoneal Spread in Colorectal Cancer *61*
- Pathophysiology of Peritoneal Tumor Spread of Colorectal Cancer *61*
- Diagnosis and Staging of PC from Colorectal Cancer *62*
- Selection of Patients for Surgery *63*
- Technical Aspects of Cytoreduction and HIPEC *63*
- Chemotherapeutic Regimens for HIPEC *64*
- Results of Cytoreduction and HIPEC *64*
- Toxicity and Complications of Cytoreduction and HIPEC Procedures *64*

**Chapter–7 Pouch and Its Complications 70–83**

*Rajesh Bhojwani, Monica Gupta, Thimmaraj Nayaka*

- Early Complications *70*
- Late Complications *74*

**Chapter–8 Complete Rectal Prolapse and Its Management 84–95**

*AK Khanna, Satyendra K Tiwary, Niharika*

- Comparison of Different Procedures and Approaches *91*
- Choice of Operation *91*

*Index* *97*
