CONTENTS

Section 1: Obstetrics

1. Objective Structured Clinical Examination in Obstetrics 3

Case 1: Severe pre-eclampsia 3
Case 2: Counseling 4
Case 3: Ectopic pregnancy 5
Case 4: Abruptio placentae; placenta previa 6
Case 5: Unstable lie 7
Case 6: Nonprogress of labor 7
Case 7: Cardiotocography-I 8
Case 8: Cardiotocography-II 9
Case 9: Management of labor (Partograph-I) 10
Case 10: Management of labor (Partograph-II) 11
Case 11: Primary postpartum hemorrhage 12
Case 12: Secondary postpartum hemorrhage (with special reference to uterine arteriovenous malformations) 13
Case 13: Pregnancy and labor in a woman with prior cesarean delivery 15
Case 14: Puerperal pyrexia 16
Case 15: Multiple pregnancy 16

Fetal Congenital Malformations 18

Case 16: Neural tube defects 18
Case 17: Anencephaly 18
Case 18: Hydrocephalus 19
Case 19: Cystic hygroma 19

2. Self-Assessment in Obstetrics 22

Section 2: Obstetric Discussion

3. Preterm Birth and Management Issues 47
4. Preterm Labor (PTL): Etiopathogenesis and Management Issues 50
5. Use of $MgSO_4$ as a Neuroprotector in the Management of Preterm Deliveries 55
6. Use of Antenatal Corticosteroids in Preterm Labor 57
7. Gestational Diabetes Mellitus 59
8. Obesity in Pregnancy 63
9. Monochorionic Twin Pregnancy 66
10. Prenatal Screening for Fetal Abnormalities 72
11. Severe Pre-eclampsia and Eclampsia 77
12. HELLP Syndrome 80
13. Placenta Previa, Placenta Previa Accreta and Vasa Previa 82
14. Placenta Accreta Spectrum 86
15. Puerperal Sepsis 92
16. Maternal Near Miss 95
17. Tubal Ectopic Pregnancy 99

18. Pregnancy of Unknown Location 102
19. Interstitial (Cornual) Pregnancy: Management Issues 105
20. Cesarean Scar Pregnancy: Management Issues 107
21. Classification of Evidence Levels and Grades of Recommendations 110

Section 3: Maternal Medicine (Short Obstetric Reviews)

22. Obstetric Case Presentation 113
23. Anemia in Pregnancy 115
24. Hemoglobinoapathy 118
25. Sickle Cell Disease in Pregnancy 120
26. Thyroid Dysfunction in Pregnancy 123
27. Heart Disease in Pregnancy 128
28. Gestational Age and Cesarean Delivery 131
29. Congenital HIV Infection and AIDS 133
30. Thrombocytopenia in Pregnancy 135
31. Place of Thromboprophylaxis during Pregnancy 138
32. Reduced Fetal Movements 140
33. Transfusion in Obstetrics 143
34. Obstetric Cholestasis 146
35. Acute Kidney Injury (AKI) in Pregnancy 147
36. Diabetic Nephropathy 149
37. Renal Transplant 150
38. Non-Hemorrhagic Shock in Obstetrics 151
39. Place of Ultrasonography in Early Pregnancy 157
40. Role of Doppler Ultrasound in Obstetrics 162

Section 4: Intrapartum Electronic Fetal Monitoring

41. Fetal Response in Labor 167
42. Fetal Heart Rate Patterns 168
43. Fetal ECG 171
44. Management of Nonreassuring Fetal Status (NRFS) 173
45. ST Analysis for Intrapartum Fetal Monitoring 175

Section 5: Operative Obstetrics

46. Shoulder Dystocia 181
47. Management of Postpartum Hemorrhage (Uterine Compression Sutures) 185
48. Surgical Management of Postpartum Hemorrhage (Uterine Devascularization) 188
49. Place of Packing for Obstetric Hemorrhage 194
50. Cesarean Section 198
51. Cesarean Delivery with Full Dilatation of the Cervix 202

52. Cesarean Delivery on Maternal Request 204
53. Peripartum Hysterectomy 207
54. Acute Inversion of the Uterus 210
55. External Cephalic Version 212
56. Perimortem Cesarean Section 214

Section 6: Perinatal Medicine

57. Noninvasive Prenatal Testing for Fetal Chromosomal Abnormality 219
58. Coronavirus (COVID-19) Infection in Pregnancy 222
59. Immunization during Pregnancy and Breastfeeding 226
60. Congenital Perinatal and Neonatal Infections 229
61. Varicella Zoster Virus (Chickenpox) Infection 230
62. Rubella in Pregnancy 232
63. Cytomegalovirus Infection in Pregnancy 233
64. Viral Hepatitis in Pregnancy 234
65. Listeriosis in Pregnancy 237
66. Toxoplasmosis in Pregnancy 238
67. Group B Streptococci Infection in Pregnancy 240
68. Swine Flu (H1N1) and Pregnancy 241
69. Fetal Therapy 244

Section 7: Obstetrics Sepsis

70. Terms and Definitions 251
71. Guidelines for Use of Antibiotics in Obstetrics 252

Section 8: Labor Care Guide: WHO

72. WHO: Recommendations on Intrapartum Care for a Positive Child Birth Experience 259
73. WHO: Labor Care Guide—Revised Partograph 2021 262

Section 9: Practice of SBA and EMQs

74. Model Questions and Answers for Practice of SBA 267
75. Model Questions and Answers for Practice of EMQs 272

Section 10: History in Obstetrics and Gynecology

76. History in Obstetrics and Gynecology 277
